(5th Edition, No. 202 dated 3-10-11)

Individuals are not included in them, but have been framed so as to embody all allowances, the leave and leave allowances of officers, the conditions of whose service in respect to these

the proper channel. Until so confirmed, it should be considered as not in force

2. The rules which apply to the ordinary Civil establishments of the State apply also to officers employed under the Military and Marine Departments and under Local Governments whose service does not qualify under the Army or Marine Regulations. The rules in Part VII apply to all officers in the service of the British Government

3 The Travelling Allowance Regulations in Part XI apply to Military officers in the Army Secretariat of the Government of India, Chaplains of the Church of Scotland except when on service with a regiment in the field, and all officers in Civil employ, except those officers of the Royal Indian Marine to whom the Travelling Allowance rules in the Marine Regulations (see Section III, Volume I, Part II) apply

Except in cases in which it is otherwise provided in the Military Regulations or in which it may be otherwise specially sanctioned by the Government of India the travelling allowance of clerks in all Military offices is governed by the Regulations in Part XI

... from a despatch from the Secretary of State and a Despatch by the Government of India relating to the rights reserved by Government in this matter.

*Despatch from Secretary of State, No. 1, dated 27th Oct. 1901*

"You remark that you are unable to admit any claims on the part of the Government of India to compensate those officers for the indirect and remote effects of administrative measures which it has been considered necessary to adopt in the interests of the public service, and that it would be extremely inconvenient, if not wholly impracticable, to carry out every change to consider every possible effect, however remote, which such changes might have on the prospects of every officer in the service."

"I concur in the sentiment expressed by your Government in this matter. All administrative reforms would be rendered impossible if the Government were fettered by considerations such as those above referred to."

*Resolution No. 4553, dated 13 December 1901*

"The Government of India have always been careful to exercise the right of altering rules with due consideration for the rights of their servants. The ordinary course adopted to protect

## PART II.—RULES REGARDING PAY AND ALLOWANCES.

### Chapter III.—General Rules for regulating Allowances.

#### Conditions of Age and Health.

49. No person may be appointed to any office in India without a certificate (when necessary) by a medical officer in charge of a civil station or (in the case of a candidate for employment in a State Railway) of a State Railway. This certificate must be annexed to the first bill submitted for the pay of the officer. A similar rule is enforced by the Secretary of State in the case of persons selected by him for service in India.

I do hereby certify that I have examined *A B*, a candidate for employment in the Department, and cannot find that he has any disease, constitutional affection, or bodily infirmity, except *I do not consider this a disqualification for employment in the office of* *A B* as a *condition to his own statement (x) years, and, by appearance, at least (y) years*

... a public grounds, the ... may ... with the Medical ... for any other ... pay ... in such ... you ...

... authority to make the appointment

No medical certificate is necessary upon an officer being promoted from inferior to Superior service, even though the officer while in inferior service may have been paid from a Local Fund.

51. A person whose age exceeds twenty five years may not ordinarily be admitted into the service of the State in Superior service without the sanction of the Head of the Department or a Commissioner of a Division (as orders printed as Appendix 2). The ordinary limit is extended to

(a) thirty five years in the case of—

- (1) a person appointed to a judicial office in the Provinces or in Madras directly from the Bar.

(b) thirty years in the case of—

- (i) a person appointed to a Judicial office,
- (ii) Civil Assistant Surgeons in Burma who held Burma medical scholarships at the Calcutta Medical College,
- (iii) Candidates for admission to the Subordinate Civil Service in Burma by competitive examination

(c) twenty-eight years in the case of—

- (i) Civil Assistant Surgeons in the Bombay Presidency who had passed the previous Examination in Arts before taking the Medical Degree,
- (ii) Civil Assistant Surgeons in the Madras Presidency who had passed the First Arts Examination before entering on the course for the Degree of Licentiate in Medicine and Surgery, and those who had gone through the course for the Degree of Bachelor of Medicine before entering the service

NOTE.—[This Article does not apply to the employment in civil capacities of reservists and pensioners of the Native Army]

### Date of reckoning Allowances

52. (a) Unless it be otherwise provided by special rule or contract, the salary of an officer begins when he takes charge of the appointment in respect of which it is earned. If the charge is transferred after noon, the transfer does not affect allowances until the next day.

(b) If, however, an officer is changed while he is officiating as an officer appointed, for the provided that his tenure of his officiating appointment is not interrupted by his new service without joining it, the later date on which

1 Pupils of the Civil Hospital Assistant class in Medical Colleges appointed to be Hospital Assistants are (subject to the proviso below) allowed to draw pay as lowest grade Hospital Assistants from the date they pass their final qualifying examination.

They may, however, be granted leave for a period not exceeding 30 days after they pass their final examination, and subject to the following conditions the leave may count from a date later than that on which the final examination is passed—

(a) That the leave shall in no case extend beyond five weeks from the date of passing the final examination.

(b) That the newly appointed Hospital Assistant will begin to draw pay and to count service with effect from the date on which the leave begins.

In the case of pupils who are non-Burman holders of Burma Civil Hospital Assistant Scholarships leave may be granted for a period not exceeding a month and a half from the date of passing their final examination, and if counted from a later date as above, not extending beyond seven weeks from the date on which the final examination is passed.

2. Stipendiary students of the Imperial Forest School, Dehra Dun, are allowed to draw from the date they pass their final qualifying examination at that institution, the pay of the grade to which on so passing they are appointed in the Forest Department.

### Charge of Office

53 Unless for special recorded reasons (which must be of a public nature) the authority under whose orders the transfer takes place permits or requires it to be made in any particular case elsewhere, or otherwise, the charge of an office must be made over at its head quarters, both the relieving and the relieved officers being present

- (a) When vacation is prefixed to leave the outgoing officer will report before leaving head quarters, that he makes over charge with effect from the end of the vacation. The relieving officer will then take over charge at the end of the vacation in the ordinary way.

When vacation is affixed to leave the officer to be relieved will make over charge in the ordinary way before the vacation, the incoming officer on return at the end of the vacation taking over charge with effect from the beginning of the vacation.

NOTE—Charge of an office may not, without the previous sanction of the Government of India, be relinquished or resumed by officers visiting Aden on duty preparatory to retirement from the service or while proceeding on or returning from leave.

54 As a general rule, and subject to any special orders to the contrary in particular cases, the head quarters of an officer on the staff of a Government, as, for instance, a Secretary to a Government, the Surgeon General with the Government of India, or a clerk in a Government Secretariat, are the head-quarters, for the time being, of the Government to which he is attached.

55 The head quarters of any other officer are either the station which has been declared to be his head quarters by the authority which appoints him, or, in the absence of such declaration, the station where the records of his office are kept.

### Leaving Jurisdiction

56 No officer (other than a police officer acting within his legal powers) is entitled to pay or allowances for any time he may spend beyond the limits of his charge without proper authority.

57 A Local Government may authorise any of its officers to proceed on duty to any part of British India, whether within or beyond its own jurisdiction, or to any Foreign State or Settlement adjoining its jurisdiction, provided either that the pay and allowances of the officer deputed are chargeable wholly or partially to Provincial Revenues or that the officer belongs to a Department or establishment which, though paid from Imperial Revenues, is under the administrative control of the Local Government.

## No. 60.

*Page 16. Article 57.**Cancel Rule 2 under this Article.*

(5th Edition, No 60, dated 1 12 10)

58 A Controlling Officer (see Article 1159) may allow any officer subordinate to him to proceed on duty to any part of the territories of his Local Government or to a district or Foreign State or Settlement adjoining the jurisdiction of the Controlling Officer and to draw travelling allowance under rule

59 An Accountant General may, under the orders of a Local Government, pass pay and allowances (according to rule) to the head of an Administration for any period during which he may be absent from his jurisdiction and to any member of his personal or Secretariat staff. Such an order is, with reference to the Statute 3 and 4 Will IV, Cap 85, s 79, a sufficient authority to the Accountant General for assuming that the absence is on the known actual service of the Government

**Promotion during Leave**

60 An officer on Long Leave has no claim to substantive promotions. Such promotion may, however, be given, but, except in the case provided for in the Note under Article 585 (a), the promotion has effect only from the date on which the officer returns to duty.

If an officer, while absent on Short Leave during which the amount of his leave allowances depends upon the substantive or officiating appointment which he would hold if present on duty, obtains promotion, substantive or officiating, or an increase of pay or acting allowance which involves no change in, or addition to, his duties or responsibilities, the promotion or increase has effect at once.

**Personal and Local Allowances**

61 Unless in any case it is specially ordered otherwise a personal allowance should be reduced by any amount by which the recipient's pay or salary may be increased, and should cease as soon as his pay or salary is increased by an amount equal to his personal allowance.

62 So much of a local allowance as is not paid to a substitute may be drawn by an officer absent from his office through deputation on special duty for a period not exceeding one month. If the absence exceeds a month, an officer is not entitled to draw his local allowance for any part of the absence. This rule applies also to an officer in receipt of presidency allowance at a Presidency town who is absent from the Presidency town on duty connected with his office, but an officer in receipt of house rent at a Presidency town may, during absence from the Presidency town, whether on other duty or on duty connected with his office, continue to draw his house rent, provided the term of his absence does not exceed two months, exclusive of the months of

departure and return, if the absence exceeds this term, the house rent is not admissible for any part of the absence. A claim to house rent under this Article must be supported by a certificate by the officer that his previous rate of expenditure for a house at the Presidency town continued during his absence.

2 Any Medical officer in medical charge of a Civil station who is required to attend beyond the limits of the station for a period exceeding one month, shall be entitled to draw house rent at the rate of the station to which he is attached, and in addition to the house rent of the station to which he is attached, the house rent of the station to which he is attached.

3 The rule in this Article does not apply to the Presidency allowances drawn by officers and Accountants of the Accounts Branch of the Public Works Department when absent from the Presidency town on inspection duty. In their case Presidency allowance may be drawn irrespective of whether the period of absence is under or over a month.

4 Members of the Persian Section Indo European Telegraph Department, who receive house rent in Persia may draw their house rent for periods of absence on deputation from their station in Persia, provided that they have actually paid full house rent in Persia. If a member of the Persian Section Indo European Telegraph Department succeeds him when transferred to making over charge of his duties in Persia, he does not also draw house rent for the same station in respect of the same period.

### Salaries of Natives of India

63. The salary of a Native of India appointed to an office which has been usually filled by a member of the Indian Civil Service, or of the Staff Corps, or by nomination in England, or otherwise with the specific approval of the Secretary of State is, in the absence of special orders to the contrary, two thirds of that assigned to the European.

NOTE 1.—In the case of appointments usually filled by members of the Indian Civil Service, the two thirds is more accurately described as 64 per cent, thus—

	Rs.
Full salary	100
Deduct four per cent for annuity—net salary	96
Two thirds of net salary	64

NOTE 2.—[Any local allowance attached to an appointment of the class referred to in this Article should also be reduced to two thirds when the appointment is held by a Native of India.]

### Advances and their Recovery.

64 (a) An advance may be made to any public officer in the Civil Department—

- (i) on arrival in India on first appointment, of an amount not exceeding two months' pay less the amount of any advance made in England,
- (ii) on return from long leave or special duty out of India, not exceeding two months' pay or Rs 1,000 whichever is less, in addition to any advance made by the Secretary of State in England.

- (2) raising the salary of an officer or of a sanctioned appointment, not of the class specified in (1), to an amount in excess of Rs 750 a month, or increasing a salary which is already in excess of that amount

NOTE 1.—In the case of incremental pay the test for the application of this rule is the maximum pay attainable

NOTE 2.—The term 'salary' used in this Article includes not only salary as defined in Article 38 (c) but all payments to officers from General Revenues or from Local Funds whether in the nature of fixed allowances or of fees or rewards (except language rewards other than those which take the form of monthly allowances) or honoraria. It does ever include the following:—

- (1) Exchange compensation allowance

Travelling or conveyance allowances.

- (2) House rent allowance or grant of free quarters.

*Income Tax*

*Following are the items of salary of class 1st class —*

He may be employed in any manner required by proper authority within his own branch of duty, without claim for additional remuneration, whether the services rendered are such as would ordinarily be paid for from General Revenues or a Local Fund

(b) All Municipalities and Funds administered under a Local Government, inclusive of Port Trust Funds and Wards' Estates, are entitled to the gratuitous advice and services of officers of the Public Works Department, and of all Government Medical Sanitary and Educational officers whenever these can, in the opinion of the Local Government, be given without detriment to the public service. It will rest with the Local Government in each case to decide whether this last condition is fulfilled and to indicate in each case to what officer application for advice or assistance should be made. If a Municipality has its own Engineer or Manager, it will be the duty of the superior officer of the Public Works or other Department to exercise more direct supervision and assistance. The advice and assistance shall be freely given without charge if the advice and assistance can be given

(c) such officers as Directors of a Railway, Port Trust, Council or a Port Trust, Government Engineer, or a Vice Chairman of the Board, or special or local law to receive the meetings of Directors or Com-

Department certifies that the

work is special and outside the ordinary course of the officer's duties, and that it does not interfere with the discharge of those duties

(b) The powers of sanction of the several authorities in such cases are as follows—

Up to Rs 100, by the Head of the Department

„ „ 500, by the Local Government

„ „ 1 000, by the Government of India

Above „ 1,000, the sanction of the Secretary of State is required.

Provided that the limit of sanction when the charge falls on Imperial Funds in the case of a Local Government, shall be Rs 200 in each case

NOTE.—[This rule applies to single payment only: a recurring honorarium or reward or fee requires the same sanction as an increase of salary. The fee paid to an educational officer selected as an examiner on purely personal grounds irrespective of his position under Government though these grounds may bring about his appointment in successive years is not a recurring fee within the meaning of this rule.]

(c) If it is proposed to grant to any officer for special work of any description a bonus or honorarium which will require the sanction of the Government of India or the Secretary of State as the case may be, the consent of the Government of India in the Finance Department must be obtained to the payment of a specific sum before the work is begun

(d) Remuneration shall not be given under this rule for superintending an examination rendered compulsory on persons belonging to the public service, or any other examination the conduct of which comes within the ordinary duties of the officer or officers conducting them. But remuneration may be granted to officers superintending an examination of candidates for admission to the public service or any other examination the conduct of which is declared by the Local Government not to come within the ordinary duties of the officer or officers conducting them. If fees are levied from the candidate appearing at an examination and the amount of such fees is sufficient to cover the honoraria of the examiners the reference required by clause (b) to the Government of India or the Secretary of State in certain cases shall not be necessary

NOTE.—[A Military officer in Civil employ or a Civil officer who may be appointed President of a Committee for the examination of Military officers in Hindustani or Persian shall be entitled to the same fees as are admissible under the Army Regulations to Military officers for the performance of similar duties.]

73 Any servant of Government is eligible to receive without special permission (a) the premium awarded for an essay or plan in public competition or (b) any reward offered for the arrest of a criminal or for information or special services in connection with the administration of justice, and also any reward payable in accordance with the provisions of any Act or Regulation or rules framed under such enactments

74 (a) Any officer may receive a fee from a private person or private body, or a public body whose funds are not administered by the Government for work done for it provided—

(1) he has undertaken the work with the knowledge and sanction in writing of the Head of his Department,

- (2) that the Head of the Department certifies that it can be carried out without detriment to his official duties, and
- (3) that the acceptance of a fee and the amount of the fee are approved by the authority having under clause (c) power to sanction its acceptance

(b) When the work undertaken for a private body is such that it must be done during the time which would otherwise be employed in the service of the Government, the fee should be credited to Government, but the authority having power under clause (c) may grant to the officer concerned the whole or such portion of the fee realised as it may deem suitable

(c) The powers of sanction of the several authorities in the case of each fee under clauses (a) and (b) are as follow —

Up to Rs 100, the Head of the Department

„ Rs 500, the Local Government

Above Rs 500, in the case of fees for conducting University examinations the Local Government and in other cases, the Government of India in the Administrative Department concerned

NOTE — [This rule applies to educational officers who are allowed to accept fees for private tuition work. The amounts specified above are the limits up to which fees may in such cases be allowed, for a scholastic term or for a long vacation by the sanctioning authorities concerned.]

(d) This rule does not apply to medical officers who are allowed to accept fees from private persons for professional attendance, subject only to the orders contained in the Resolution of the Government of India in the Home Department, No 813, dated 18th December 1888

(e) The Government of Bengal for reasons which must be recorded, may sanction the acceptance by a pilot or leadsman apprentice of a reward, not exceeding Rs 500, where special and exceptional services are rendered, whether to the ship of which he is in charge or to another vessel. But this rule does not authorize a pilot or leadsman apprentice to enter into a bargain or arrangement, stipulating that he shall receive an extra fee in consideration of rendering extra services

### Permanent Appointments

75 The previous sanction of the Secretary of State is required—

- (1) to the creation of any new permanent appointment which would ordinarily be held by a gazetted Civil officer recruited in England, and
- (2) to the retention of a permanent appointment, not of the class specified in (1), of which the salary (as defined in Article 70) exceeds Rs 500 a month

If an emergency should arise demanding the immediate creation of such an appointment, it may be made provisionally, but in such case it must be reported to the Secretary of State, no expectation being held out to the individual appointed to it which would warrant a claim for compensation in the event of the appointment not being finally sanctioned

76. As regards Provincial charges, the limits of authority of Local Governments in respect to permanent appointments are as follows:—

Without the authority of the Government of India—

- (i) no appointment may be created with a pay of more than Rs. 250 a month; and no addition may be made to the pay and allowances of any officer if they exceed, or would, after the addition, exceed, Rs. 250 a month;
- (ii) no appointment, of which the pay and allowances are more than Rs. 250 a month, may be abolished, and the pay and allowances of no such appointment may be reduced,
- (iii) no class or grade of officers may be created or abolished; and the pay of no class or grade of officers may be raised or reduced;
- (iv) no addition may be made to the pay or allowances of any individual officer, or class of officers, that may lead to increase in the emoluments of any public servants doing duty in the same province whose pay and allowances are not charged under one of the transferred heads of service. The Government of India reserves the right to forbid alterations in rate of pay and allowances which, in its opinion, would produce inconvenience in other provinces.

#### Temporary Appointments and Deputations.

77. An officer is said to be on deputation when he is detached on special temporary duty for the performance of which there is no permanently or temporarily sanctioned appointment. A temporary appointment is an appointment carrying a definite rate of pay sanctioned for a limited time.

77A. Temporary appointments and deputations may be made under the following rules which are subject to the general condition that any temporary appointment or deputation on a salary exceeding Rs. 50,000 a year requires the previous sanction of the Secretary of State, unless the officer to be appointed or deputed has a lien on an appointment carrying a salary of equal or higher value, fixed by Statute.

78. Temporary appointments and deputations, the cost of which is wholly or partly Provincial, may be sanctioned by Local Governments without reference to the Government of India—

- (a) for any specified period, if the salary or salary and deputation allowance do not exceed Rs. 250 a month.
- (b) for not more than six months, if the salary or salary and deputation allowance exceed Rs. 250 a month,

In the Public Works Department, temporary appointments on pay not exceeding Rs. 250 a month, the cost of which is Imperial, may be sanctioned by a Local Government.

78A. When a temporary appointment is filled by an officer in the service of Government, its pay should be fixed—

- (i) if it is of like character to an existing permanent appointment, at an amount equal to the salary which the officer would draw

if he were acting in the corresponding permanent appointment or, if the appointment is a temporary addition to a graded scale, the salary which he would draw if acting in the lowest grade of such scale

- (ii) if it is not of like character to an existing appointment, at an amount which does not exceed the pay and deputation allowance which the officer would draw if he were placed on deputation under Article 81

In the case of temporary appointments on pay not exceeding Rs 250 a month, these restrictions may be dispensed with at the discretion of the Local Government, provided that no special orders of the Government of India which may be applicable to the case ~~are thereby affected~~

~~70 Temporary appointments~~

76. As regards Provincial charges, the limits of authority of Local Governments in respect to permanent appointments are as follows —

Without the authority of the Government of India—

- (i) no appointment may be created with a pay of more than Rs 250 a month; and no addition may be made to the pay and allowances of any officer if they exceed or would, after the addition, exceed, Rs 250 a month,
- (ii) no appointment, of which the pay and allowances are more than Rs 250 a month, may be abolished, and the pay and allowances of no such appointment may be reduced,
- (iii) no class or grade of officers may be created or abolished; and the class or grade of officers may be raised or reduced;

- (ii) If it is not of like character to an existing appointment, at an amount which does not exceed the pay and deputation allowance which the officer would draw if he were placed on deputation under Article 81.

The Local Government may sanction the drawal by the holder of a temporary appointment not exceeding Rs 800 a month, of a salary in excess of what is permissible under the above rules, subject to the maximum limit of the pay of the appointment, and provided that no special orders of the Government of India are thereby infringed.

NOTE.—[In the case of temporary appointments or deputations connected with plague the limit of salary (including deputation allowance) in this Article is Rs 1000 a month. Half yearly statements of any temporary appointments or deputations which, but for this limit, could not have been sanctioned by the Government of India are sent to the Secretary of State for information.]

81. An officer deputed on special duty may be allowed to draw the pay or salary which he is drawing at the time of his deputation, or which he would have drawn from time to time if he had not been so deputed, provided that

work or responsibility in comparison with the duties of his regular appointment, or requires a change of station the officer may, in addition be allowed to draw a deputation allowance which may not, except in special cases and with the special sanction of the Government of India, exceed one fifth of salary, or Rs 10 a day, whichever is less

## Deputation outside India

84A Ordinarily the sanction of the Secretary of State is required to any deputation to, or detention on duty in a country outside India. In the case however, of a deputation to, or detention in, Ceylon or other British Possessions in Asia for a period not exceeding six months, the sanction of the Government of India is sufficient.

NOTE 1 —[The period of the special duty runs from the date on which the officer makes over charge of his office in India to the date on which he resumes it when the officer is deputed out of India and for the time occupied by the duty when the officer is detained out of India.]

NOTE 2 —[Time spent on duty out of India is not an interruption of service for leave, but it does not without the special sanction of the Secretary of State count as service for leave.]

### No. 92.

#### Page 25. Article 86.

*Insert the following as Rule 1 under this Article —*

1 A Local Government may, at its discretion, allow acting appointments to be made in place of officers ordered or permitted to undergo a course of training in a school, college or other institution

(5th Edition, No 92, dated 1-2-11)

and 101 to 100

#### Provisional Appointments

89 If an officer is transferred to duty which is such that he retains no connection with his own appointment and which there is reason to believe will not terminate within three years, the Local Government may, if it thinks fit, suspend his lien upon his own appointment altogether, and fill up that appointment substantively reserving only the right to reverse the arrangements thus made in case the absent officer at any time reverts to his original appointment

#### Substantive *pro tempore* Appointments

90. An officer may be appointed substantively *pro tempore* on full pay without prejudice to the lien of the absentee in place of—

- (1) an absentee who draws no part of the pay of his appointment;
- (2) an officer holding a temporary appointment or on deputation within the meaning of Article 77 if the temporary appointment or deputation is for six months or more

The full pay of an officer thus appointed substantively for a time may, in like manner and upon the same condition, be given to a substitute similarly appointed. The status of an officer appointed substantively *pro tempore* under this Article is that of an acting officer, and if he is appointed to officiate in a higher appointment his salary is reckoned upon his substantive pay proper and not upon the pay of the appointment he held substantively *pro tempore*.

unless the officer claiming it has been formerly appointed provisionally or substantively *pro tempore* by competent authority.]

91 An officer appointed to act in another office is not an absentee within the meaning of Article 90 unless the full pay of that office is available and he is appointed to it substantively *pro tempore*.

NOTE.—[Substantive *pro tempore* promotions may at the discretion of the Local Government, be made in the following special cases—

In the United Provinces in place of a Tahsildar deputed on Settlement duty or to officiate

92. An absentee who receives absentee allowances draws, within the meaning of Article 90, "part of the pay of his appointment" and that Article is not to be construed as conflicting with Article 214.

NOTE.—[The subsistence allowance of a member of the Indian Civil Service a Statutory Civil Servant or a Military officer subject to the Civil Leave Rules and the English furlough pay of a Military officer subject to the Military Leave Rules are not for the purposes of this rule treated as a part of the pay of an absentee's appointment.]

93 A substantive *pro tempore* appointment may be made under Article 90 in the place of a Military officer subject to the Military Leave Rules whose appointment would be forfeited under Military Furlough Rules but for the operation of Rule II of the Military Furlough Regulations of 1868.

### Charge Allowances

in charge of the current duties of an officer  
 charge of his own office is entitled to a  
 of the acting allowance which would be  
 admissible to him if he were appointed to officiate in the office. An officer  
 cannot be thus appointed to be in charge of a "grade."

NOTE.—[The rules laid down in Articles 164 and 166 apply here also.]

95 The Local Government may, if it thinks fit, assign to the officer a charge allowance of less than the amount thus admissible, and on the other hand if it thinks this amount too small may grant him, on special recorded reasons the full acting allowance, excepting that clauses (i) and (ii) of Article 105 shall not apply to such an officer. Charge allowance under this

Article must never exceed what an officer would draw as acting allowance if appointed to officiate in the appointment

NOTE —[The rules laid down in Articles 164 and 166 apply here also]

1 The Local Government may delegate its power under this Article to the Head of a Department or Commissioner of a Division.

## Section II —Maximum and Minimum Salaries

96 The maximum salary of an officiating officer is the pay of the appointment, and the minimum salary half the pay of the appointment

97 Officers appointed officiating or substantively, to the appointments specified in Appendix 4 are entitled to special minimum salaries as shown therein

## Section III —Privilege Leave Vacancies

98 As a general rule the duties of an officer absent on Privilege leave taken separately and not combined with other leave under Article 233 shall be discharged by another officer in the same station or district. Only in exceptional cases where there is absolutely no officer available on the spot can the transfer of an officer from another station or district to act in consequence of the absence of an officer on Privilege leave be allowed. In the case of appointments held by members of the Indian Civil Service or a Commission if a member of that Service or Commission is not available on the spot a Provincial Service officer should be placed in charge of the vacant appointment

### Officers without a Substantive Appointment

144 A officer without a substantive appointment on a permanent establishment, officiating in an appointment the pay of which is not less than Rs 100, is entitled to an acting allowance of half the pay, or, if the pay of

... of the appointment,

147 The salary of an officer other than ... of which the  
is less than Rs 100 should as far as practicable be regulated by Articles  
140 and 141. The following conditions must be observed —

- (i) If the officiating officer has a substantive appointment, his salary must not exceed what it would be if Article 140 were applied
- (ii) If he has no substantive appointment the officer who appoints him may grant him such allowance, not exceeding the pay, or if the appointment is progressive, the minimum pay of the appointment, as he considers necessary
- (iii) If the vacancy is caused by the absence on leave of an officer whose pay is less than Rs 100, the absentee allowance of such officer must not exceed the difference between his pay and the sum of the acting allowances paid in consequence of his absence — in the resultant acting arrangements, an officer's appointment is given more than half the time in which case he acts — in which case

## Chapter VII.—Regulation of Progressive Salaries.

149 Except under special orders to the contrary, a ... shall not rise from the minimum to the maximum by less than yearly increments

## Calculation of Value

150 A Progressive pay is, on an average, equivalent to a fixed pay, the amount of which lies between the minimum and maximum of the Progressive pay. The exact amount of this equivalent varies according to the conditions of each appointment, but in practice it is assumed that a Progressive pay rising to its maximum by five equal yearly increments, is equivalent to a fixed pay equal to the minimum *plus* two thirds, or if the appointment is a ministerial appointment *plus* three fourths of the difference between the minimum and the maximum

NOTE—[This Article does not fix the pay of a Progressive appointment but only indicates the mode of rating the value of such an appointment for general purposes.]

## No 173.

## Page 38 Article 151.

*Substitute the following for this Article and the Exceptions thereunder —*

151 An increment accrues from the day following that on which it is earned

Exception—An officer appointed in England by the Secretary of State for service in India receives the increment in his pay in accordance with the terms of his engagement

(5th Edition No 173 dated 18-11)

NOTE 1, in the case of ministerial and military officers, the head of the office and in the case of other officers the Local Government which may delegate the power to heads of departments or other supervising officers

153 (a) A proposal to grant an increment of Progressive pay in advance of the due date should always be scrutinised with special jealousy it is contrary to the principle of Progressive pay to grant an increment before it is due and such a grant should not be recommended or allowed, excepting under circumstances which would justify a personal allowance to an officer whose pay is fixed—that is to say seldom if ever

(b) If the value of the appointment calculated under Article 150 is such that the addition of a premature increment would raise it above Rs 9,000 a year, such premature increment cannot be granted without the sanction of the Secretary of State

154 An officer reduced to a lower grade or appointment on account of misconduct or inefficiency cannot without the sanction of the authority by whom he is reinstated or promoted, count for increments previous service in the grade or appointment from which he was reduced

## Acting Allowances

155 In the case of progressive appointments, acting allowances are fixed as follows —

(a) An officer whose substantive pay is progressive, and who acts in an office of which the pay is fixed. In this case the officer's acting allowance—

is calculated as if his substantive pay were a fixed one, equal to the amount at which from time to time it stands

(b) An officer whose substantive pay is fixed, and who acts in an office of which the pay is progressive. In this case the officer's acting allowance is calculated upon the pay to which he would from time to time have risen if he had held the officiating appointment substantively

(c) An officer whose substantive pay is progressive, and who acts in an office of which the pay is progressive. In this case the officer draws—

(1) His substantive pay, with the increments thereof as they fall due

(ii) The acting allowance which he would have drawn if the substantive and officiating appointments were both on fixed pay equal to the minimum. Provided that the maximum limit of salary is not the said minimum pay of the officiating appointment, but the pay to which the officer would have risen if his officiating tenure had been substantive

NOTE.—[When calculating the salary of an officer who acts in an appointment the whole of the acting tenure whether continuous or not should be taken into account]

Example (a)—An officer who is substantively in the Rs 170 stage of an appointment of Rs 150—10—200 is appointed to act in an office of which the pay is Rs 200—8—240. His salary is thus fixed—

Pay	Rs 170	} But this is limited for the first year to Rs 200
Acting allowance (one fifth of Rs 200)	40	
Total	210	

Next year he gets pay Rs 180 + acting allowance Rs 40 = total Rs 220. But this is limited for a year to Rs 208.

Example (b)—A member of the Indian Civil Service substantively in the Rs 1200 stage of an appointment of which the pay is Rs 1000—50—1250 acts in an appointment of Rs 1500—50—1750. His initial salary is—

Pay	Rs 1200	} Limited for the first year to Rs 1500
Acting allowance ( $\frac{2}{3}$ Rs 1500—1000)	333 $\frac{1}{3}$	
Total	1533 $\frac{1}{3}$	

In future years he receives—

Second year—	Rs	} Limited to Rs 1550
Pay	1250	
Acting allowance	333 $\frac{1}{3}$	
Total	1583 $\frac{1}{3}$	

Hereafter he gets Rs 1583 $\frac{1}{3}$  which is the limit of salary in this case

#### Initial Pay

156 An officer who is appointed substantively to an appointment on progressive pay begins with the minimum pay of the appointment—

(a) if prior to his appointment he holds no substantive appointment under Government, or

(b) if he is transferred thereto from an appointment in which he is drawing pay not in excess of the minimum pay of the new appointment, and if he has not already officiated in the latter

157 If the officer is transferred to the new appointment from an appointment in which he was drawing pay not in excess of the minimum of the new appointment but has officiated already therein his pay is fixed as follows —

- (a) If the salary which he drew when last officiating is equal to one of the stages of the pay of the appointment, his pay shall be fixed at that stage and he shall count in that stage the time during which he has been drawing the said salary
- (o) If the salary which he drew when last officiating is intermediate between two stages his pay shall be fixed at that amount for half the period during which an increment is earned and on the first day of the month thereafter succeeding he shall be eligible for the next higher stage of the progressive pay

Example — An officer is on 20th June substantively appointed to an appointment of which the pay is Rs 200—10—00, and in which he is already officiating—

- (a) If his salary at the time of his appointment and from 1st March last has been Rs 220 he continues to draw Rs 220 and on 1st March next rises to Rs 230
- (b) If his salary at the time of appointment is Rs 225, he will draw Rs 225 till 1st January and then rise to Rs 230

NOTE —[Any period for which an officer has held the progressive appointment as substantive *pro tempore* may be counted as officiating service for the purposes of this Article.]

157A If the officer is transferred to the new appointment from an appointment in which he was drawing pay in excess of the minimum then whether he has officiated in the appointment already or not, his pay is fixed as follows —

- (a) If his pay immediately prior to the transfer is equal to any stage of the new appointment he shall draw the pay of that stage, and after the expiry of the period during which an increment is earned he shall draw the pay of the next higher stage, and so on
- (b) If his pay immediately prior to the transfer is intermediate between any two stages of the new appointment, he shall draw the pay of the next lower stage, plus a personal allowance equal to the difference between the pay of that stage and his former pay, and after the expiry of the period in which an increment is earned he shall draw the pay of the next higher stage (losing the personal allowance) and so on

157B (a) When, however, the conditions of an officer's service are such that he is liable to be transferred in the same Department between appointments of which the pay and increments are identical, his service will, in the case of such a transfer, count for increments as if he had not been transferred

(b) The authority which orders the transfer of an officer, as a penalty, from a higher to a lower appointment, may allow him to draw any salary, not exceeding the maximum of the lower appointment, as it may think proper

158 The incumbent of an appointment the pay of which is changed shall be treated as if he were transferred to a new appointment on the new pay. Provided that, if he prefers to retain his old pay, the Local Government or in the case of a ministerial or menial officer, the Head of the Office

may allow him to do so, postponing the change of the pay of the appointment till he vacates office

### Time spent on Leave and under Suspension

59 Time spent on leave with allowances counts towards increments in the same manner as if during it the officer had actually held or officiated in (as the case may be) the appointment on which he has a lien

NOTE—[The last sentence of Article 31 must not be held to conflict with this Article Subject always to the provisions of Article 60 the phrase 'the appointment on which he has a lien' means the appointment which the officer relinquished when he proceeded on leave and does not refer to an appointment to which an officer has been nominated during his absence on leave.]

160 Time passed under suspension does not count towards increments if the suspension is a penalty for misconduct, but an officer, in directing reinstatement of a person who has been suspended, may declare that the time shall count

### Officers under Training

160A A Local Government may at its discretion decide, in the case of an officer who is selected to undergo a course of training in a school, college, or other institution, whether the time spent in training shall count as service qualifying for increments of pay

### Officers on a Time scale of Pay.

160B (a) Leave without allowances taken by an officer prior to his admission to a time scale of pay, and overstayals of privilege leave to the extent of one week in similar circumstances, count for increments under the time scale

(b) Leave without allowances taken by an officer while he is on a time scale of pay, or overstayals of privilege leave do not count towards increments, but Local Governments and Departments of the Government of India which have the powers of Local Governments, may exempt an officer from the operation of the rule, on proof being furnished to them that the leave was taken on account of illness or other cause beyond the officer's control

## Chapter VIII.—Combination of Appointments and Salaries.

### Charge of Current Duties

161. An officer appointed to be in charge of the current duties of an office in addition to his own duties, may, if the charge, in the opinion of the Local Government, entails a substantial increase of responsibility and some additional work, be granted a charge allowance, to be fixed by the Local Government, not exceeding one tenth of the pay of the office. If the office is open to, and may in practice be held by, a member of the Indian Civil Service or a Military officer, the allowance shall not be less than Rs 100.

shown in Appendix b

164 (a) No allowance is admissible under Article 161 unless the incumbent has actually given over charge of the office under the orders of competent authority, and is absent on leave or deputation or is under suspension. For instance, no allowance is admissible to a subordinate officer empowered to dispose of routine business while his superior is on tour.

(b) But in the Northern India Salt Revenue Department, charge allowance is granted to an officer placed in charge of the current duties of an Assistant Commissioner's office during the absence of the incumbent on tour.

165 No allowance is admissible to a member of the Indian Civil Service, or to any officer holding an appointment ordinarily held by a member of that service, or to a Superintendent of a Central Jail for the executive charge, either permanently or temporarily, of a District Jail. Any other person, whether he does or does not hold any office under Government, if placed in executive charge of a District Jail, is entitled to a Local Allowance on the following scale —

1st Class Jail	Rs 150 a month
2nd " "	" 100
3rd " "	" 75
4th " "	" 50

166 An officer placed in charge of the current duties of an office is not entitled to any Local Allowances attached to the office, except under the special orders of the Local Government (*See also Article 1010*)

NOTE — [The Local Government may delegate its power under this Article to the Head of a Department or Commissioner of a Division.]

## Permanent Arrangements

167 A Local Government may appoint an officer to hold permanently two or more appointments at the same time if their aggregate pay does not exceed Rs 250 a month. The salary of an officer appointed to officiate in two or more appointments, which under due sanction have been combined as a single charge, is calculated upon the pay fixed for the combined appointment, Article 168 being inoperative in such a case.

## Temporary Arrangements

168 A Local Government may, without the sanction of the Government of India, appoint one officer to hold substantively, as a temporary measure, or to officiate in two or more independent appointments at one time. In such case, the emoluments are regulated as follows —

- (i) He draws the highest salary to which he would be entitled if he held or, as the case may be, officiated in, any one of the appointments alone

(u) For the other appointment or appointments, he draws such allowances as the Local Government may fix not exceeding for each appointment half the salary which he would draw if he held or, as the case may be, officiated in it alone

(iii) Provided that his aggregate salary shall not exceed the pay which he would draw in the most highly paid of the appointments, if he held it substantively and alone

**Local Allowances to be drawn by an officer holding combined appointments**

169A An officer holding under the provisions of Articles 166 and 169 two or more independent appointments to all or any of which a local allowance is attached will ordinarily draw as local allowance a sum not exceeding the highest local allowance attached to any one of the appointments, but the Local Government may, for special reasons allow him to draw a local allowance not exceeding the sum of the allowances attached to the different appointments held by him

(16th Edition No 46 dated 1.11.10)

Civil Surgeoncy

170 A Regimental Medical officer appointed to act as Civil Surgeon without relinquishing his Regimental duties is entitled to an allowance of Rs 100 a month. With this exception the allowances for the additional charge of an appointment of the kind described in Article 116,

whether the charge is held by a Regimental Medical officer or a Commissioned Medical officer already employed in the Civil Department, are regulated by Military Rules the pay of the appointment being calculated on the principle indicated in that Article

1 In the case of a Commissioned Medical Officer holding more than one acting appointment the acting allowance of *each* appointment is fixed by Military Rules of calculation but the terms of the combination of the appointments are those laid down in Article 168 and the second sentence of the Note under it

171 An officer in medical charge of a Civil station is entitled to an allowance of Rs 100 a month for holding visiting charge of a second station

NOTE —[In Bengal the allowance may be Rs 50 or Rs 100 as the Local Government may fix]

### Medical Charge of Jails

172 An officer appointed to the medical charge of a Central Jail when the administrative and medical charges are not united, is entitled to a local allowance of Rs 100 or in special cases at the discretion of the Local Government, Rs 150

Provided always that the aggregate cost for the administrative and medical charges shall not exceed the total pay payable for the combination of the two charges in one person

### Cantonment Magistrate

173 A Civil or Military officer placed in charge of a full time Cantonment or Assistant Cantonment Magistracy, in addition to his own duties, is entitled to an allowance of Rs 100 a month

### Military Officer

174 The allowances for his Civil duties of a Military officer appointed to officiate in a Civil office other than a Cantonment Magistracy without being relieved of his Military duty, are regulated in accordance with Article 168 and Rule 2 under it and are drawn in the Civil Department If he has no substantive appointment in the Military Department, the pay of his rank is held to be his substantive pay for the purposes of Article 168

## Chapter IX.—Joining Time.

175 Joining time is the time allowed to an officer to proceed from one station to another when his appointment is changed, or when, being unemployed, he is appointed to any office An officer is held to be on duty during Joining Time if he is entitled to allowances

176 Only one day is allowed for joining an appointment which does not necessarily involve a change of residence from one station to another

NOTE —[Sundays are included in the calculation of the joining time of one day admissible under this Article An officer who gives over charge on Saturday forenoon must therefore take charge on Saturday afternoon and an officer who gives over charge on Saturday afternoon must take charge on Monday forenoon]

177 In cases involving a change of station Joining Time is calculated as follows, subject to a maximum of thirty days Sundays not actually spent in travelling are not included in the calculation —

(i) Six days for preparation, and, in addition thereto —

for the portion of the journey which {	a day for	
the officer travels or might travel— {	each	
By railway	250 miles	
By ocean steamer	200 "	{ or any longer time actually occupied in the journey
By river steamers	80 "	
By mail cart or other public stage	80 "	
conveyance drawn by horses	80 "	
In any other way	15 "	

An extra day is allowed for any fraction of distance over that prescribed

(ii) When part of the journey is by steamer, the days intervening between the officer being set free from his office, or, if he has no office, receiving his orders, and the departure of the steamer, or his start duly regulated to catch the steamer, shall be added

NOTE 1 —[A journey by road of five miles or under to or from a railway station from or to the point which may be prescribed under Article 998 does not count for joining time]

NOTE 2 —[An officer, whose salary does not exceed Rs 100 a month, should not ordinarily be required to travel by mail cart or other public stage conveyance drawn by horses]

178. By whatever route the officer travels, his Joining Time shall, unless the Local Government specially permit otherwise, be calculated by the route which travellers habitually use

179 If an officer is authorised under Article 53 to make over charge of an office elsewhere than at its head quarters, any joining time to which he may be entitled shall be reckoned from the place at which he actually makes over charge

### Extensions

180 (a) The Local Government may in any case extend the joining time admissible by rule provided the general spirit of the rule is observed

(b) Within the maximum of thirty days Heads of Departments and Commissioners of Divisions in the case of officers of Provincial Services and non gazetted subordinates under their control may extend the joining time admissible by rule—

- (i) if the officer has been unable to avail himself of the usual mode of travelling or if notwithstanding due diligence on his part the journey has occupied more time than is allowed by the rules—to the extent of the time actually taken
- (ii) if such extension is considered necessary for the public convenience or for the saving of public expense, as for example, to prevent unnecessary and merely formal transfers—to the extent necessary
- (iii) if the rules have in any particular case operated hardly, as for example, if an officer has through no fault on his part missed

a steamer or fallen sick on the journey—to the extent necessary, on such conditions as to allowances or otherwise as the sanctioning authority may think fit

181 The Audit Officer shall move the Local Government to report to the Government of India any concession made under the preceding Article, which appears to him contrary to the spirit of the rules. The Local Government may not, finally, overrule the Audit Officer without a reference to the Governor General in Council

### When Leave intervenes

182 When an officer after giving over charge of his office at one station on transfer, or reversion to another office, takes Privilege or Examination leave before joining the office to which he has been transferred, or to which he has reverted, or when an officer, while on Privilege or Examination leave, is transferred to a station other than that from which he took leave, he is entitled to Joining Time in addition to his Privilege or Examination leave. The Joining Time of an officer transferred during Privilege or Examination leave will be counted from his old station, or from the place where he receives the order of transfer, whichever calculation would entitle him to the less Joining Time

183 If an officer during transit from one appointment to another, obtains furlough on medical certificate (with or without Privilege leave or Subsidiary leave prefixed) he may be allowed only the Joining Time calculated for the journey from his old station to the furthest place to which he has proceeded on his route to his new station

### Appointment Changed

184 The Joining Time of an officer whose appointment is changed while he is in transit from one appointment to another, begins on the day following that on which he receives his orders

### Allowances

185 Except in the case mentioned in Article 183, an officer draws, during Joining Time, the pay or salary which he drew in his old appointment or that which he will draw on joining his new appointment, whichever is less. Provided that an officer transferred from one officiating appointment to another shall not draw any acting allowance during Joining Time if he had not a superior lien on either of the officiating appointments to that of the officer relieved by or relieving him. If the officer is entitled to tentage in his old appointment and tentage is also attached to his new appointment, he may draw tentage during Joining Time at the lower of the two rates. If the officer in his old appointment drew a local allowance granted on account of special expensiveness of living or unhealthiness of climate, in any district, province or locality, and the transfer is to another appointment within the same district, province or locality, he may draw the local allowance during joining time. Provided that, if the rates differ in the two appointments or parts of the local area, he may draw the lower rate only.

186 When, under Article 182, an officer combines Privilege or Examination leave and Joining Time, his allowances during Joining Time,—that is to say for the period, not exceeding the Joining Time admissible by rule, in excess of his Privilege or Examination leave, during which he is absent from duty,—must be calculated at the rate at which his Joining Time allowance would have been calculated if he had joined the office to which he is transferred directly

187 If a member of the Indian Civil Service, on first arrival in India is unable, from illness to proceed to the seat of the Government to which he is attached or to any other station to which he is ordered to proceed direct, the Local Government in whose jurisdiction he is, may, on medical certificate, grant him a subsistence allowance of Rs 250 a month for not more than two months Time thus spent is not Active Service

188 An officer who is not in the Indian Civil Service or in the Army, and who has no substantive appointment, is not entitled to any allowance during Joining Time, but if such an officer officiating in an office is transferred to another office under the same Local Government, the officer who orders the transfer may allow him to draw during his transit, the allowance to which he would be entitled under the first sentence of Article 185

#### Exceeding Joining Time

189 An officer who does not join his new appointment within his Joining Time is entitled to no allowances after the end of his Joining Time, and after a week ceases to have a lien on any appointment But if the authority making the appointment considers that his default was due to circumstances beyond his control, it may exempt him from the loss of his appointment

NOTE.—The expression “allowances” in this Article does not include travelling allowance.

#### Ministerial Officers

190 The rules in this Chapter apply to a Ministerial officer who with the consent of the head of his office, or under the orders of competent authority, is transferred to service in another office on grounds of public convenience only, and not at his own request, for his own advantage, or in consequence of any fault on his part

### Chapter X.—Officers Dismissed, Suspended, or Imprisoned.

#### Members of the Indian Civil Service and Military Officers

191 A member of the Indian Civil Service is entitled when under suspension to the subsistence allowance of his rank, and a Military officer in Civil employ to the pay and allowances of his rank

#### Other Officers

192 Saving as provided in Article 193 (b) an officer under suspension is entitled to no salary while he is absent from duty, and the salary of an officer who is dismissed ceases absolutely from the date of his dismissal, no allowances may be granted for any period occupied in the prosecution of appeals against the order of dismissal.

193 Subject to the proviso that, without the permission of Government, no extra expense may be imposed on the State—

(a) Subsistence allowance, at a rate not exceeding one quart salary, may be granted by the authority suspending him to an officer from office pending enquiry into his alleged misconduct Provided

reconsideration or appeal, held to have been unjustifiable or not wholly justifiable, or if an officer dismissed from office or suspended pending enquiry into his alleged misconduct is, after enquiry, or upon reconsideration or appeal reinstated, then the revising or appellate authority may grant to the officer for the period of his absence from duty—

- (i) if the officer is honourably acquitted, an allowance equal to the full salary to which he would have been entitled if he had continued to hold the appointment from which he was dismissed
- (ii) otherwise an allowance equal to such proportion of the full salary as aforesaid, as to the revising or appellate authority may seem expedient

## Committals to Prison

194 A servant of Government committed to prison either for debt or on a criminal charge, should be considered as under suspension from the date of his arrest, and not allowed to draw any pay until the termination of the proceedings against him, when an adjustment of his allowances should be made according to the circumstances of the case, the full amount being given only in the event of the officer being acquitted of blame or (if the imprisonment was for debt) of its being proved that the officer's liability arose from circumstances beyond his control

## Leave while under Suspension

195 Leave of absence for a definite period is not admissible to an officer who has been suspended from duty. If permission to proceed to England is granted in such a case, it should only be for such period as the Secretary of State may determine

Government to refuse, or revoke, leave of absence of any description, at any time according to the exigencies of the public service

(b) The Local Government may refuse to grant the full amount of leave applied for in any case, and should, by the exercise of this power, so regulate the date of an officer's return from leave as to cause as little change as possible in administrative arrangements

(c) This Article gives Local Governments ample powers for regulating leave of every description and in dealing with applications for leave the following instructions should be carefully borne in mind —

1—*Extract from Circular in the Home Department No 2<sup>o</sup> (Public) dated 16th May 1884 —*

### Maximum Leave Admissible

198 After five years' continuous absence, whether with or without leave an officer is considered to be out of Government employ. But this rule may on public grounds and with the sanction of the Secretary of State in Council be relaxed in the case of any Civil officer other than a member of the Indian Civil Service

### Service under other Rules

204 An officer transferred to an office to which these rules apply is not entitled to Long Leave under them in respect of service rendered in an office to which they do not apply. But service in the Army which under Article 356 counts towards Civil pension qualifies also for leave under Civil rules. Any leave taken by an officer during such service will in the calculation of future leave be treated as if it had been taken under these Regulations

### Service before Discharge, Resignation, or Dismissal

214 An officer on leave may not surrender his lien on his substantive appointment, and except as provided in Articles 90 and 786, a Local Government may not fill up substantively, even for a time, the appointment on which an officer has a lien, without transferring him to another substantive appointment which, save in cases of misbehaviour or inefficiency, must be one of not less pay

215. An officer cannot obtain ordinary Furlough or Special leave unless he has a substantive appointment

NOTE 1.—[A Military officer who has officiated continuously in the Civil Department for at least 3 years is an officer with a substantive appointment for the purposes of this rule]

## Compulsory Retirement

216. If a Local Government decides before an officer whom it has the power to remove from the service leaves India, that he shall not be permitted to return to duty in India it should give notice to him before he leaves India, so that any remonstrance which he may wish to make may be considered on the spot by an authority fully cognizant of the facts of the case Such notice should not be postponed until after the officer's departure, and then communicated to him through the Secretary of State

217 If when an officer is going on leave out of India it is necessary to consider the propriety of removing him for incapacity whether mental or physical which is of such a nature that it is not possible to say before his departure from India whether it will be permanent or temporary or if for any reason it is considered inexpedient that an officer who is on leave should return to India the Local Government should report the circumstances fully (in the case of the Government of Madras or Bombay direct otherwise through the Government of India) to the Secretary of State. A communication of this nature should not be made direct to the officer concerned. The report should be made in time to enable the Secretary of State to take any necessary measures before the officer would in ordinary course be permitted to return to duty and in any case should reach the India Office at latest three months before the end of the officer's leave.

218 Articles 216 and 217 must not be understood to authorize the grant of Furlough to an officer who ought to be dismissed or removed from the service for misconduct or general incapacity.

#### Abolition of Appointment

219 The abolition of the appointment of an officer absent on leave out of India should be immediately communicated to the Secretary of State.

### Section IV—Commencement and End of Leave

220 Ordinarily leave in India including Subsidiary leave and leave out of India when Subsidiary leave is not taken begins on the day on which transfer of charge is effected or if charge is transferred after noon on the following day. Similarly such leave ordinarily ends on the day preceding that on which charge is resumed or if charge is resumed after noon on that day. But if a Sunday or one or more gazetted holidays fall on the day immediately preceding that on which the leave begins or on the day on which the leave or the joining time between two appointments ends an officer may leave his station at the close of the day before or return to it at the end of such holidays provided his departure or return does not involve —

- (i) the immediate transfer of an officer from or to another station or the loss of his appointment by an officer appointed temporarily to the service
- (ii) the taking over of money unless subject to the condition that the departing officer remains responsible for the money in his charge the Local Government specially allows transfer of charge to take place before or after the holidays.

If holidays are as above prefixed to leave the leave and consequent rearrangement of allowances if any take effect from the first day after the holidays on which the office is opened for business and if holidays are affixed to leave the leave is treated as having terminated on and the rearrangement of allowances if any takes effect from the day on which the officer would have resumed charge had holidays not followed the leave.

In cases in which the application of the above rules as to prefixing and affixing holidays to leave is doubtful or inequitable, the Local Government shall decide which officer shall be held to have been in charge and to which the salary of the office for the Sunday or holiday shall be paid

221 When Subsidiary leave is taken, Fur'ough and Special leave out of India begin on and include, the day of the departure from the port where the officer first meets it of the vessel in which he sails. If an officer remains in India after the end of Subsidiary leave, his Furlough or Special leave dates from the beginning of his Subsidiary leave, unless he is specially exempted from forfeiture of his Subsidiary leave by his Local Government under the provision of Article 323 (b). Furlough and Special leave out of India end on, and include, the day before the arrival at the port where the officer last quits it of the vessel in which he returns, and Subsidiary leave begins the day after

NOTE 1—[The Furlough or Special leave of an officer sailing from Calcutta in a vessel which touches at Madras begins on the departure of the vessel from Calcutta and not from Madras]

NOTE 2—[The day on which the vessel in which the officer sails quits her moorings or anchorage whether she leaves the limits of the port or not on that day is the day of the departure of the vessel. The day of arrival of the vessel in which the officer returns is the day on which the vessel reaches her moorings or anchorage in port]

221A Special rules have been laid down in Appendix 6 A for reckoning leave in the case of officers stationed in certain remote districts outside India

222 An officer taking Furlough or Special leave out of India whether by itself or in combination with Privilege leave must report his embarkation, through the Audit Officer, to the Local Government (or other authority) which granted his leave, and his arrival in England to the Secretary of State

### Section V.—Return to Duty.

NOTE—[With the exception of Article 231 this Section applies to Military officers in Civil employ subject to the Military Leave Rules]

#### Permission to Return

223 An officer may not, without the permission of the authority which granted him leave, return to duty more than fourteen days before the end of Long Leave

224 An officer on Long Leave in Europe must, if the leave was granted or has been extended on account of ill health, whether it be technically on medical certificate or not, satisfy the Medical Board at the India Office to his fitness to return to duty. Ordinarily he must attend at the India Office for examination by the Board, but, in special cases, particularly if residing at a distance of more than sixty miles from London, a certificate may be obtained from the India Office from two medical practitioners. On the required evidence of fitness being furnished, the officer will receive from the India Office permission to return to India. An officer whose leave was not granted, and has not been extended, on a

**Report of Return**

A member of the Indian Civil Service on the Bengal Establishment employed directly under the Government of India, returning from Long Leave, must also report his return to the Government of India in the Home Department.

**Overstaying Leave**

229 An officer who remains absent after the end of his leave is entitled to no allowance for the period of such absence, and ceases to have a lien on any appointment,—

230 If the Local Government is satisfied that the default of an officer is due to circumstances beyond his control, it may exempt him from loss of appointment under the preceding Article, but not from loss of allowances during the period of his absence without leave. The Local Government may authorize the payment to an officer subject to the Indian Service Leave Rules of as much as it thinks fit of any allowances during Subsidiary leave under clause (u) of Article 321 (a), to which he would have been entitled if he had not remained absent after the end of his Furlough, or Leave on Private Affairs on Medical Certificate.

231 So long as an officer is exempted under the preceding Article from loss of appointment, absence after the end of his leave though not counting as Continuous Service, does not operate as an interruption of Continuous Service or Continuous Active Service.

### Section VI — Combination, Extension, and Commutation of Leave

232 No kind of leave, except Extraordinary leave under Articles 332 and 339, leave under Articles 199 (a), 233, and 288, and in certain cases Examination leave, can be granted in continuation of any other kind of leave, leave under Article 288 may also be followed by any other kind of leave. Any leave granted under these Regulations may be retrospectively changed for any other kind or period of leave for which the officer was qualified when the original leave was granted. The authority who has the power to sanction leave may also commute retrospectively periods of absence without leave into leave without allowances (see Article 421).

Note — [Subsidiary leave is not for the purposes of this rule regarded as a continuation of leave.]

Leave on Private Affairs may be prefixed as such to leave on urgent private affairs, leave without allowances, subject to the following conditions —

- (i) when Privilege leave is combined with Furlough the amount of the combined leave shall not exceed two years,
- (ii) when Privilege leave is combined with Special leave under the European Service Leave Rules or Leave on Private Affairs under the Indian Service Leave Rules, the combined leave shall not exceed six months,
- (iii) when, however, Furlough Special leave or Leave on Private Affairs, granted in combination with Privilege leave, is extended on medical certificate the full period of Furlough, Special leave or Leave on Private Affairs ordinarily admissible under rule may be allowed irrespective of the limits prescribed in clauses (i) and (ii).

237 (a). An officer absent on long leave in Europe, North Africa, America, or the West Indies, who wishes to have his leave extended or commuted must apply to the Secretary of State about three months before the expiration of his leave and unless the extension is desired on medical grounds or is for a period of not more than 14 days, he must produce with his application evidence that the Local Government has been referred to by him, and has no objection to the extension or commutation desired. If the officer is on medical leave and desires an extension for more than 14 days, or if he is on other leave and desires an extension on medical grounds, he must satisfy the Medical Board at the India Office of the necessity for the extension. If application for extension is delayed until the last two months of leave, advice of an extension granted for a period of more than seven days will be sent to India by telegraph and the cost of the telegram will ordinarily be charged to the officer.

1 In the case of a Commissioned Medical Officer the Local Government should make reference to the Director General Indian Medical Service before granting the permission

(d) Furlough out of India on medical certificate may be commuted into leave without medical certificate if such leave was due at the time when the original Furlough was granted, and if the officer seeking commutation is certified, as prescribed in Article 224, to have recovered his health. When extension of the commuted Furlough is applied for, the application must be supported by evidence that the officer's Local Government consents to the extension of his leave.

Applications for extensions of commuted Furlough on medical certificate should be dealt with by Local Government in such a way that officers who have preferential claims to Furlough under Article 310 are not thereby debarred for a considerable time from availing themselves of the Furlough at their

Whenever leave is extended or commuted under this Article, the fact should forthwith be notified by the Audit Officer to the Government of India in the Finance Department, in order that it may be communicated to the Secretary of State with a view to the payments by Colonial Treasurers or Staff Officers being checked.

239. When Privilege leave is, on medical certificate, retrospectively changed for Furlough out of India, so much of the leave passed before the departure of the vessel in which the officer sails may be treated as Subsidiary leave under clause (i) of Article 321 (a) as might have been granted as Subsidiary leave if the officer had originally obtained Furlough and not Privilege leave, notwithstanding that a portion of such retrospective Furlough has been passed in India.

- (b) Judges of High Courts (see Chapter XXIII).
- (c) Barristers holding the appointments referred to in Chapter XXIV except as stated in that Chapter

### Temporary and Non Continuous Service

242. (a) An officer who has a temporary or officiating appointment only may be allowed Privilege leave, without losing his lien on such appointment, if no substitute is required, or if his duties can be provided for without additional expense

(b) If such an officer is, without interruption of his service, appointed to a permanent office, his temporary or officiating service may be treated as duty qualifying for Privilege leave

NOTE.—[This rule does not apply to the State Railway officers whose service is classed under clauses (c) and (d) of Article 659]

243. Privilege leave is not allowed to an officer employed in an establishment the duties of which are not continuous, but are restricted to certain fixed periods in each year (See also Article 369)

### Petty Military Officers

244. Privilege leave may be granted under this Chapter to a Military Hospital Assistant temporarily lent to the Civil Department A Hospital Assistant is not entitled to Privilege leave in respect of duty done in the Military Department

### Seamen

245. An officer or seaman attached to a Pilot vessel at the Sandheads may, in addition to the Privilege leave admissible under this Chapter, be allowed one month's leave on shore, beginning on the date of his arrival at Calcutta, after four months' continuous duty at the Sandheads.

## Section II.—Privilege Leave—Ordinary Rules.

### Amount earned

246. The amount of Privilege leave earned by an officer is one eleventh part of the time during which he has been on duty without interruption.

### PART III.

Provided that no Privilege leave can be earned by an officer by duty performed while three months' such leave is due to him, and that, whenever duty is interrupted, all claim to Privilege leave earned therefore is forfeited. Absence on Privilege leave, though not counting as duty is not an interruption of duty within the meaning of this Article.

247. The calculation must be made as follows—One calendar month for every eleven complete calendar months of duty, and one day for every eleven days of the balance.

### Qualifying Service

248. When an officer is first appointed to the public service, duty qualifying for Privilege leave does not begin until he takes charge of his office.

249. Time spent on Subsidiary leave does not qualify for Privilege leave but if an officer, returning from leave, not before the expiration thereof, be only for the convenience of the Local Government and not for any fault of his own, prevented from joining an appointment on which he has a lien, or be kept out of employ on Subsistence allowance, then duty qualifying for Privilege leave begins on the day on which he presents himself to the Local Government ready for duty.

(b) The leave is earned by uninterrupted duty in either the Civil or the Military Department. But a Military officer who has taken in any calendar year the whole or a portion of the Privilege leave admissible to him for that year, under Military Rules, does not begin to count service for Privilege leave in the Civil Department until the first day of the following year.

### Limit.

251. The amount of Privilege leave admissible at one time is limited to three calendar months.

*Exception*—Officers stationed in the Andamans and Nicobars, officers stationed in Persia at places such as Ahwaz and Kermanshah, and in the Persian Gulf or at Maskat and Baghdad, Gyantse in Chumbi, and European officers in Burma who take Privilege leave by itself and spend it out of Burma or India, are allowed, on each occasion when they may

### Amount due.

252. The Privilege leave due to an officer is the Privilege leave which he has earned since the last interruption of duty, less the period during which he has been absent on Privilege leave.

### Interruptions of Duty.

253 If an officer remains absent after the end of Privilege leave, his duty is interrupted within the meaning of Articles 246 and 260. But if the Local Government considers that his default was due to circumstances beyond his control, it may remit the penalty.

NOTE.—[The Local Government may delegate the power exercised by them under this Article to any officer or class of officers subordinate to them not being below the rank of Collector or District Judge.]

254 If an officer remains absent after the end of Examination leave, or of Joining Time, the period of absence cannot count as duty qualifying for Privilege leave, and, unless the absence is accounted for to the satisfaction of the Local Government, it is an interruption of duty.

NOTE.—[The Local Government may delegate the power exercised by them under this Article to any officer or class of officers subordinate to them not being below the rank of Collector or District Judge.]

255 (a) Leave under Articles 279 and 280 may, if the examination for which it is granted be successfully passed and if the officer has not already had twelve months' leave under that Article, count as duty qualifying for Privilege leave.

(b) Leave under Article 281 may also count as duty.

interrupts duty or, not as may be decided in each case by the authority having power to pass final orders in the case. Time passed under suspension does not qualify for Privilege leave, unless, in any case, such authority expressly orders that it shall so qualify.

259 "Leave in India" under Rule 1 of the Leave Rules for the Staff Corps is an interruption of duty.

### Condition of Grant

260 To an officer who has been on duty, without interruption, for eleven calendar months, and who has not for six calendar months, been absent on Privilege leave, the whole or any part of the Privilege leave due to him may be granted. But when Privilege leave is combined with other leave under Article 233, the amount due may be granted irrespective of these conditions.

1 The condition prescribed in this Article by which an interval of six months is required to elapse between two periods of absence on Privilege leave, does not apply to officers of the State Railway Revenue Establishment referred to in Articles 661 and 663, nor to Gazetted Officers of the Opium Department.

265 If an officer, on transfer from one appointment to another, obtains privilege leave without joining his new office, his leave allowance shall not be less than it would have been if he had joined his new office before taking leave, provided that the rate of pay attached to the new appointment is not different from and higher than the rate of pay attached to the old appointment. Where, however, the transfer involves an increase in the officer's duties or responsibilities, and is to an office on a different and higher rate of pay from that drawn by the officer in the old office, the officer shall not draw the higher rate of salary until he actually joins his new office.

EXAMPLE.—The rate of pay drawn by a Collector and by an Accountant General is different from and higher than the rate of pay drawn by a Joint Magistrate or by an officer of Class I of the Indian Finance Department respectively.

205 If an officer, on transfer from one appointment to another, obtains Privilege leave without joining his new office, his leave allowance shall not be less than it would have been if he had joined his new office before taking leave.

266 An officer who holds an appointment sanctioned for not more than six months is not entitled, during Privilege leave to the special rate of pay of, or any special allowance attached to, the appointment.

**Local Allowances how affected**

267 A Local Allowance may be drawn by an officer on Privilege leave only if there is no *locum tenens* to whom it is payable.

1. An officer on Privilege leave may draw Presidency allowance or Presidency house rent, provided that no extra expense is thereby caused to the State and provided his previous rate of expenditure for a house is continued during his absence.

NOTE.—[This rule applies also to officers in receipt of house rent allowances at Shillong.]

2. The Local Allowances known as Burma, Assam and Baluchistan allowances and the Local Allowance drawn by certain Executive and Assistant Engineers in Sind, the Punjab and the North West Frontier Province may continue to be drawn by officers on Privilege leave, provided that the grant of leave does not necessitate the transfer within the limits of the Province of an officer from outside the Province.

3. Provincial Forest Officers and Executive Engineers serving in the Andamans who are recruited from Burma draw their local allowances while on privilege leave.

**House rent, Horse Allowances, Tentage, etc**

268 In the Bombay Presidency, an officer on Privilege leave may draw the house rent attached to his appointment, if he places his house at the disposal of the officer, if any, who officiates for him. The officiating officer cannot, in such case, draw the house rent attached to the appointment. But

if the officer, for a reason which the Local Government considers sufficient refuses the accommodation placed at his disposal, the allowance is to be drawn by him and not by the absentee

1 Constables of the Bombay City Police while on leave under Article 288 may draw the house rent allowance admissible to them, provided it is not paid to their substitutes

269. A Military Medical Subordinate employed in the Civil Department may, when on Privilege leave, draw the special allowances of his appointment, such as house-rent, horse allowance, etc., provided that they are not drawn by any other officer during his absence

270 In the Madras Presidency, an officer on Privilege leave is entitled to draw his ordinary tentage, the officer officiating for him being allowed to draw only the tentage of his substantive rank

271 The following rule does not apply to the case of an officer who is prevented in any year from availing himself of the vacation or vacations by reason of his having to remain at his post on duty. In such a case, Privilege leave may be granted under the ordinary rules. Provided always that the leave shall not in any case be combined with vacation

273 An officer whose work requires him to be present at his station for a portion of the vacation is eligible for Privilege leave under the ordinary rules, provided he has not been absent from his station for more than fifteen days of the vacation. If he has been absent for more than fifteen days, his title to Privilege leave is regulated by Articles 271 and 274. Any such officer applying for Privilege leave must attach to his application a certificate either—

- (i) that he was not absent from his station for more than fifteen days,

or

(ii) that he was absent from his station for a specified number of days exceeding fifteen,

in any of the vacations included in the period of service by which the Privilege leave claimed has been earned.

\* NOTE.—[Absence on duty, whether within or out of jurisdiction, is not absence from station for the purposes of this Article.]

274 An officer who is, by general or special orders issued by competent authority prevented from availing himself of a part only of a periodical vacation, may, during Privilege leave subsequently taken, draw his full salary for a period bearing the same proportion, if the vacation be annual, to a month, or if it be half yearly, to half a month, as the time spent on duty during the vacation bears to the whole vacation.

275 An officer transferred from a department to which the ordinary Privilege leave rules apply to one in which Articles 271 to 274 apply, loses all claim to take the Privilege leave at his credit, provided that—

(i) Any Privilege leave granted to him—

not exceeding the salary which would have been admissible if he had taken the leave immediately before being transferred.

(ii) If he returns to a department in which Privilege leave is regulated by the ordinary rules, he shall be reckoned on such return to have at his credit the amount of leave which was at his credit at the time of the first transfer, less any amount enjoyed under Proviso (i)

276 The reckoning under the preceding Article shall not, in any case, extend backwards over an interruption of duty.

277. Officers to whom Privilege leave under the ordinary rules and conditions is not admissible (Article 271), may combine vacation with Long Leave (either at the beginning or end thereof) on the same conditions as those on which other officers are allowed to combine Privilege leave under Article 233.

278 The foregoing rules do not apply to District and Sessions Judges : to them privilege leave is granted under the ordinary rules.

District and Sessions Judges may combine —

(a) privilege leave with long leave under the conditions of Article 233 ;

(b) vacation with either privilege leave or long leave taken separately when such combination can be arranged without additional expenditure, and is admissible under the terms of Article 220, the days occupied by the vacation being treated for this purpose as gazetted holidays.

They may not, however, take vacation together with combined leave.

285 An officer permitted to present himself at any examination which must be passed before a person is eligible for a higher subordinate appointment in any branch of the service such as a Deputy Magistracy, may, under the orders of his immediate departmental superior, be allowed leave of absence for the number of days actually necessary to enable him to attend at the examination. During this short absence no deduction will be made from the officer's allowances unless the head of the office finds such deduction necessary to enable him to make arrangements for carrying on the work. The Director General of the Post Office may grant full pay for three months to a Postman, Mail Carrier, or Mail Coachman under exceptional circumstances, as, for example, if he is wounded by robbers or a wild animal, and may also, at his discretion, dispense with the condition requiring attendance at a hospital or dispensary. PART III.

## Furlough Due

The amount of Furlough due to an officer is the amount which would have been due to him—

1. If he is a member of the Indian Civil Service or a Military Officer, by the Indian Service Leave Rules, by the Furlough which he has enjoyed under these rules.

2. If he is an officer other than an officer of the Indian Civil Service or the Army by the Furlough or Special leave with allowance which he has enjoyed under these rules. (See also Article 297.)

When an officer takes the calculation of the Furlough due to an officer is subject to the Indian Service Leave Rules, becomes subject to the rules in this Chapter—

3. If he is an officer who becomes entitled to the rules in this Chapter by the order of the Secretary of the Government of India No. 145 of September 21, 1893 by reason of his acquiring on that date the qualification specified in Article 297 (d) or (e) —

Leave on Medical Certificate shall in this calculation reckon neither as service qualifying for Furlough nor as Furlough taken, but the amount of Furlough due shall not exceed the amount which would be due if the officer had been under the European Service Leave Rules from the beginning of his service and the leave taken by him on medical certificate had been Furlough on medical certificate under the rules in this Chapter.

(b) In the case of an officer who is brought under the rules in this Chapter for the first time by the operation of the orders in the despatch of the 21st September 1893, but who would have come under them at an earlier date if they had been in force at the time, the calculation of Furlough and other leave due shall be made as follows —

- (i) If under those orders he would have been under the rules in this Chapter from the commencement of his service, the calculation shall be made as if such rules had applied to him from the commencement of his service, and all leave taken by him had been taken under those rules.
- (ii) If under those orders he would at some stage in his service have passed from the Indian Service Leave Rules to the rules in this Chapter, then the calculation shall be made under the rules in clause (a) under this Article as if he had come under the rules in this Chapter at such earlier stage. He shall be held to have been under the rules in this Chapter from the said earlier date.

and all Furlough, Leave on Private Affairs, or Leave on Medical Certificate taken after such date shall be treated as Furlough taken under the rules in this Chapter

Provided that in the case of the officers mentioned in Article 297 (c) who came under the rules in this Chapter before the 11th October 1893, the calculation shall continue to be made under the following rules —

NOTE 2.—[For the purposes of this Article Ceylon is not held to be out of India.]

## Section V—Subsidiary Leave.

## 321 (a) Subsidiary Leave is the time allowed—

- (i) to an officer leaving India on retiring from the service, or on Furlough or Special leave to break up his domestic establishment and travel to the port of embarkation, and
- (ii) to an officer returning to India from Furlough or Special leave, to travel from the port of debarkation and reorganise his domestic establishment

No subsidiary leave is admissible to an officer who does not leave India by sea

(b) Subsidiary leave granted to an officer preparatory to retirement ceases when he actually resigns the service

1 An officer serving in Persia or Turkish Arabia reckons Subsidiary leave to or from the port or frontier town by which he leaves or returns to the country. The date of departure or return must be certified by the British Consul or, if there be no British Consul by the officer himself

2 An officer either of the Persian or the Persian Gulf Section of the Indo-European Telegraph Department who practically has to go on or return from leave by an Indian port, whether it be Karachi or Bombay may reckon Subsidiary leave to or from such port

## 322 (a) The grant to an officer leaving India—

- (i) of permission to retire from the service, or,
- (ii) of Furlough or Special leave out of India,

carries with it the grant of Subsidiary leave. But Subsidiary leave is admissible only at the end and not at the beginning of leave out of India when such leave is combined with Privilege leave under Article 233

(b) An officer returning to India without the permission of the authority which granted him leave, more than fourteen days before the end of his Furlough or Special leave is not entitled to Subsidiary leave, save under the special orders of the Local Government.

### Leave in and out of India

323 (a) An officer (including a Military officer subject to the Military Leave Rules) may take Furlough or Special leave partly in and partly out of India. But Subsidiary leave is not admissible unless the Furlough or Special leave begins or, as the case may be ends as Furlough or Special leave out of India.

(b) If an officer going on Furlough or Special leave out of India is prevented by sickness or other reason not within his own control—such for example as the postponement of the departure of the vessel in which his passage is engaged—from embarking within his Subsidiary leave the Local Government may order that his Furlough or Special leave shall begin in India at the end of the Subsidiary leave otherwise admissible, without forfeiture of his Subsidiary leave.

### Period admissible

324 The minimum Subsidiary leave is ten days, otherwise Subsidiary leave is calculated according to the rules and restrictions laid down in Chapter IX for "Joining Time."

### Prolongation of Subsidiary Leave

325 If a Medical Board or Officer, on an application under Article 829, find that

*A B* having applied to us (or me) for medical certificate under Article 829 of the Civil Service Regulations we (or I) consider it expedient before granting or refusing such a certificate to *A B* to detain him under professional observation for \_\_\_\_\_ days

326 Unless an officer is expressly permitted by the Local Government to retain charge of his duties and to resume them before proceeding on leave the time spent by him in obtaining the medical certificate under Article 829, including the time if any, for which he is detained under medical observation is treated as subsidiary leave the amount of subsidiary leave admissible under rule being prolonged if necessary in case of detention by a period not exceeding that for which he was detained.

327 In the case of an officer who fails to obtain the certificate, the time from the date on which he leaves his station to that on which the certificate is refused is treated as Subsidiary leave. From the date following that on which the certificate is refused the officer is treated as on Joining Time, carrying Subsidiary leave allowances.

328 If an officer (including a Military officer subject to the Military Leave Rules) who under the rules of his service is entitled to a free passage in a troop ship when proceeding on leave out of India, is, after having been granted Subsidiary leave, detained waiting for a troop ship, through no fault of his own, his Subsidiary leave may be extended to the date of the sailing of the vessel in which he is provided with a passage without reference to the maximum period of thirty days for which Subsidiary leave can be granted.

329 Subsidiary leave is ordinarily reckoned from the date of debarkat on but if there is any special delay in the issue of orders appointing an officer to a particular post, the Subsidiary leave may be extended by the Local Government provided that the whole period so allowed does not exceed 30 days

### Leave Allowances

330 An officer on Subsidiary leave is entitled to allowances as follows —

(a) If the leave be Subsidiary to Special leave and the officer has had leave subsidiary to a former Special leave—no allowance

(b) If the leave be subsidiary to ordinary Furlough or Special leave (other wise than as provided in clause a) —the allowance admissible under Article 314 but calculated in the case of a member of the Indian Civil Service or a Military officer subject to the Civil Leave Rules without the limitations of maximum or minimum prescribed by clauses (a) and (b) of Article 314 The limitations prescribed by clause (c) of Article 314 apply to the allowances of any other officer subject to this Article on Subsidiary leave

(c) If the leave be Subsidiary to Furlough other than ordinary—the allowance admissible under Article 314

(d) If the officer has been absent on extraordinary leave the duration of which exceeds a fortnight or has under Article 229 ceased to have a lien on a substantive appointment—

(i) in the case of a member of the Indian Civil Service or a Military officer subject to the Civil Leave Rules—subsistence allowance and

(ii) in the case of any other officer subject to this Article—no allowance

(e) If the leave be preparatory to retirement—the allowances which would be admissible if the officer were proceeding on leave of such description as may be admissible to him and if no leave is admissible—Subsistence allowance only

331 An officer may draw allowances as if he were on Privilege leave, or any part of his Subsidiary leave under clause (i) of Article 321 a) for which if he were not retiring from the service or going on Furlough or Special leave, Privilege leave may be admissible to him It is to be observed that an officer who has no lien on an appointment cannot benefit by this rule (See Article 263)

NOTE.—[This Article will have no application in cases in which Privilege leave is combined with other leave under Article 233 as Subsidiary leave is not then admissible [See Article 322 (a)]

### Section VI—Extraordinary Leave

332 Subject always to the provisions of any Statute applicable to the case, the Local Government (or, if the officer be on Furlough or Special leave in Europe, the Secretary of State may, in special circumstances and when no

### Leave without Allowances

339 Extraordinary leave without allowances may, in case of necessity, and when no other leave is by rule admissible, be granted for such time as may be necessary. Time spent on leave under this Article does not count as service for other leave. Subject to the provisions of Article 198 there is no limit to the length or frequency of leave under this Article. It may not be granted in combination with the grant of other leave except as provided in Article 233. But it may be granted in continuation of other leave if circumstances arise which prevent the return by the officer to duty, and which, in the opinion of the Local Government or the authority empowered to grant the leave, are such as to justify the concession. 349 The conditions of service of officers of the following classes include special rules for pension which are laid down in the chapters noted against each, viz —

- (a) Judges of the High Courts (see Chapter XXIII)
- (b) Barristers holding the appointments specified in Article 547 (see Chapter XXIV)
- (c) Members of the Indian Civil Service (see Chapter XXV)
- (d) Statutory Civil Servants (see Chapter XXVI)

350 The pensions of all other officers are regulated by the rules in this Part. Provided that it is open to a Local Government to rule that the service of any class of officers serving under it does not qualify for pension

1 Service in Dik Bungalow and District Garden Establishments does not qualify

2 The service of a Patwari whether appointed before or after the abolition of the Patwari or Village Officers' Cesses and Funds, does not qualify in any case in which it did not qualify prior to that abolition

351 Future good conduct is an implied condition of every grant of a pension. The Local Government, the Government of India, and the Secretary of State in Council, reserve to themselves the right of withholding or withdrawing a pension or any part of it, if the pensioner be convicted of serious crime or be guilty of grave misconduct

The decision of the Secretary of State in Council on any question of withholding or withdrawing the whole or any part of a pension under this Regulation shall be final and conclusive

NOTE.—[This rule is applicable to all the officers enumerated in Article 349 except Judges of the High Courts Bishops Army Veterinary Officers of the Civil Veterinary Department and members of the Civil Service appointed before 16th January 1904]

## Section II.—Cases in which claims are inadmissible.

352 In the following cases no claim to pension is admitted —

(a) When an officer is appointed for a limited time only, or for a specified duty, on the completion of which he is to be discharged

(b) When a person is employed temporarily on monthly wages without specified limit of time or duty, but a month's notice of discharge should be given to such a person, and his wages must be paid for any period by which such notice falls short of a month

(c) When a person's whole time is not retained for the public service, but he is merely paid for work done for the State

1. This clause applies, among others, to the following officers —Advocate General Solicitor to Government Government Pleaders and Law Officers not debarred from private practice, Sheriffs in Presidency towns, Coroners, Roman Catholic Priests

(d) When a public servant holds some other pensionable office, he earns no pension in respect of an office of the kind mentioned in clause (c) or in respect of duties paid for by a Local Allowance

(e) When an officer serves under a covenant which contains no stipulation regarding pension, unless the Government of India specially authorises an officer to count such service towards pension

executed."

"Covenants with mechanics and others engaged for service in India will accordingly in future be prepared containing provisions to the effect recommended by your Government."

### Misconduct or Inefficiency.

353 Save as provided below, pension may not be granted to an officer whom it is desired to remove for misconduct, insolvency, or inefficiency.

*Exception*—Subject to the following conditions, the Government of India may grant compassionate allowances, in such cases when they are deserving of special consideration —

- (1) No allowance to be granted to an officer appointed in England or to one whose pay exceeds Rs 250 a month
- (2) The allowance not to exceed two thirds of the pension that would have been admissible if the officer had retired on medical certificate

### Claims of Widow

354 (a) It being the duty of every Government officer himself to provide for his family, the Government recognises no claim by a widow on account of the

services of her husband, and is almost invariably under the painful necessity of rejecting recommendations made in contravention of this rule

(b) The submission of such recommendations, save under very extraordinary circumstances, is disapproved, as calculated only to give rise to hopes which cannot be fulfilled.

NOTE.—In a description he says, "as a general rule, when any of these circumstances that 'grave objections exist to the grant of special pensions to the families of Uncovenanted Servants, every such grant forming a precedent which is quoted in support of subsequent applications, with less claims to consideration'" ]

### Limitation<sup>s</sup>

355. (a) An officer cannot earn two pensions in the same office at the same time, or by the same continuous service

(b) Two officers may not simultaneously count service in respect of the same office.

### Military Service

356 Service which is pensionable under Military Rules does not count, and an officer who is counting service for Military pension cannot simultaneously count service for Civil pension. The following exceptions have been made to the provisions of this Article —

clerk is afterwards employed in the Civil Department, he may count his service in the Military office, provided that he takes his discharge within twelve months after joining his ap-

[See also Forest School.]

(4) The pension of a Native soldier placed on the Unattached List for employment in the Civil Department under the provisions of G G O No 200 of 1865 G O C C No 289 of 1867, India Army Circular, clause 12, of 1881, and India Army Circular, clause 100 of 1885 and an Officer of the Indian Subordinate Medical Department in Civil employment (see Special Army Circular, dated 16th July 1884 paragraph 36), is a Civil or a Military charge, according as the greater portion of the officer's or soldier's service is in the Civil or the Military Department.

357 The Local Government may, in exceptional cases, allow service which is pensionable under Military rules to count for pension on the Inferior scale

## Chapter IXV.—Conditions of Qualifying Service.

### Section I.—Definition of Qualifying Service.

#### Beginning of Service

358 (a) Except for Compensation gratuity, an officer's service does not in the case of Superior service qualify till he has completed twenty years of age

(b) In other cases, unless it be otherwise provided by special rule or contract, the service of every officer begins when he takes charge of the office to which he is first appointed

NOTE—[In every covenant with an officer appointed in England by the Secretary of State, not being a member of the Indian Civil Service or a Civil Engineer or Telegraph Officer educated at the Royal Engineering College, Coopers Hill, or a Forest Officer a clause is inserted to the effect that service for leave and pension begins only from the date on which the officer joins his first appointment in India.]

359 The following exceptions are admitted to the twenty years' rule —

(1) All officers appointed in England by the Secretary of State, "Indian College Engineers" [see Article 627 (e)], and Police probationers appointed in India under the orders contained in the Despatch of the Secretary of State, No 14 (Judicial), dated 15th March 1894

(2) Signallers in the Indian and Indo European Telegraph Department may count towards pension service rendered by them after they attain the age of eighteen years

(3) Hospital Assistants count service from the date they pass the examinations referred to in Exception (1) of Article 356

NOTE—[Pupils of the Civil Hospital Assistant class in Medical Colleges who are granted leave under Rule 1, Article 52 (b) count service from the date on which the leave begins.]

360 In the case of Inferior service, service counts after the age of sixteen years

### Conditions of Qualification

361 The service of an officer does not qualify for pension unless it conforms to the following three conditions —

*First*—The service must be under Government

*Second*—The employment must be substantive and permanent

*Third*—The service must be paid by Government

These three conditions are fully explained in the following Section

### Section II—First Condition

#### Service under Government

362 The service of an officer does not qualify unless he is appointed and his duties and pay are regulated by the Government or under conditions determined by the Government. The following are examples of officers excluded from pension by this Article —

(1) A Marine Officer paid by fees fixed by the Board of Trade,

(2) Officers of a Municipality

(3) Officers of Grant in aid Schools and Institutions (*e.g.* the Asiatic Society and Canning College at Lucknow)

(4) Subordinates appointed by Treasurers on their own responsibility, *e.g.* Tahvildars in the Province of Agra and in the Central Provinces and Potadars (money testers) in Bengal

363 As an exception to the preceding Article the services of Subordinates of Treasurers in the Punjab including Tahvildars and Potadars (money testers) who were in employ on the 23rd August 1886 qualify, provided that they were—

(i) appointed by District Officers

(ii) discharging duties and receiving pay regulated under conditions laid down by Government and

(iii) other than mere servants of Treasurers liable to be removed whenever a change might take place in the incumbency of the office of a Treasurer

364 The service of a Native Accountant appointed to a Silladar Regiment in the Bombay Presidency on or after the 6th February 1870 does not qualify

#### Service paid from Contract Allowances

365 Service on an establishment paid from a Contract Establishment allowance with the detailed distribution of which the Government does not interfere does not qualify whether such contract allowance is a fixed amount or consists of fees

NOTE.—[The maximum Establishment allowance for Registrars in Bengal is not a Contract allowance within the meaning of this Article]

366 Service on an establishment paid from the Household allowance of the Viceroy, or of a Governor, or Lieutenant-Governor does not qualify

1 If an officer has served partly (in a capacity which would have given him claim to pension if the service had been paid from the General Revenues) on the Household establishment of the Viceroy, and partly on establishments paid from the General Revenues, he is entitled from the General Revenues to a share of any pension to which he would have been entitled if his whole service had been paid from the General Revenues, proportionate to the

er thirty  
Viceroy  
n entitled

### Service under an Employer other than Government

367 In the following cases service under an employer to whose position Government has succeeded qualifies —

(a) Service rendered to a Native State, and continued to the British Government on the lapse or annexation of the State, when old age or infirmity renders the officer a fit object for pension

(b) Service in the establishment employed in the Khelat territory for the assessment and collection of water rate on lands watered by the Sind Canal which was paid in part by the Khan of Khelat prior to the levy of a local cess to meet the charge

## Section III — Second Condition

### General Principles

368 Service does not qualify unless the officer holds a substantive office on a permanent establishment, but upon such conditions as it may think fit in each case to impose, the Government of India may allow temporary service to count for pension, if the pension does not exceed ten rupees a month

369 An establishment, the duties of which are not continuous, but are limited to certain fixed periods in each year, is not a temporary establishment. Service in such an establishment, including the period during which the establishment is not employed, qualifies, but the concession of counting as service the period during which the establishment is not employed does not apply to an officer who was not on actual duty when the establishment was discharged, after completion of its work, or to an officer who was not on actual duty on the first day on which the establishment was again re-employed

370 An officer transferred from a temporary to a permanent appointment can count his service in the temporary office, if, though at first created experimentally or temporarily, it eventually becomes permanent.

371 An officer without a substantive appointment officiating in an office which is vacant or the permanent incumbent of which does not draw any part of the pay or count service may, if he is confirmed without interruption in his service, count his officiating service

### Apprentices and Probationers

372 Service as an apprentice does not qualify, except in the following cases —

Engineer or Examiner Apprentices	} in the Public Works and Rail way Departments
Qualified students of the Thomason College under practical training	
Assistant Superintendent Apprentices in the Indian Telegraph Department.	

373 The service of a probationer who holds a substantive office and draws substantive pay qualifies. So does that of an officer who is on probation for a substantive office if he is employed in a vacancy reserved for him, pending probation, and in which no other officer simultaneously counts service

374 Police probationers and temporary and officiating Assistant Superintendents of Police in all Provinces count their service as follows —

- (1) If recruited in England—from the date on which they report their arrival in India
- (2) If recruited in India under the orders in Secretary of State's despatch No 14, dated the 15th March 1894—from the date of assuming charge of their appointments.
- (3) If recruited in India before the date of the orders of 1894 mentioned in (2) above—from the date either of attaining the age of 20 years or of assuming charge of their appointments, which ever is later, provided that the service has been continuous

375 The service of

- (1) Probationary, officiating and temporary Deputy Magistrates, Collectors and sub *pro tem* Sub Deputy Collectors in Bengal and Eastern Bengal and Assam

1 The service of an officer of the Marine Service continues to qualify when upon the abolition of his appointment he is retained on subsistence allowance or in an acting appointment.

## Piece work

380 A Section writer or a Press servant who is paid for piece work, is treated as having held a substantive office if—

- (i) he is employed not casually, but as a member of a fixed establishment and
- (ii) during the last seventy two months of his actual employment he has been attached to one office uninterruptedly for twenty four months or it has not been through his own choice or misconduct that he has not been so attached

NOTE 2 — [Continuous service as Inspector Surveyor Holding Marker, Draughtsman, Computer and Clerk belonging to Special and Revision Survey parties in Burma qualifies]

382 Deputy Collectors and similar gazetted officers when not especially employed for temporary work, are not affected by the preceding article, as they count service independently of the particular department to which they happen for the time to be attached

#### Exception

383 A Medical Officer in charge of a Government vessel may count his service afloat, if he is transferred without interruption of his service, to the Civil Medical Service

384 Officers transferred from the Extra or Contingent List of the Customs Preventive Service in Burma or in Calcutta count their service on that list, provided the Collector declares that the transfer is made on the ground of good service rendered

1 The service of an officer of the Marine Service continues to qualify when upon the abolition of his appointment he is retained on subsistence allowance or in an acting appointment

- (a) the whole as Inferior towards pension or gratuity on the Inferior scale, or
- (b) the Superior portion towards pension or gratuity on the Superior scale, and the Inferior portion towards gratuity on the Inferior scale

when last in Superior service, and the gratuity on the Inferior scale upon the pay which he drew when last in Inferior service, provided that the total gratuity or gratuity *plus* pension granted under this clause shall not exceed what would have been admissible, if the whole service had been Superior.

If an officer has been reduced from the Superior to the Inferior class for misconduct, he cannot have the benefit of this Article without the special permission of the Local Government.

399 The claims of an officer, promoted from an Inferior to a Superior grade as a reward for meritorious service, will be specially considered by the Government of India. This rule is to be strictly interpreted, and a claim under it can be founded only on exceptional promotion made out of the ordinary course.

### Exceptional Cases

400 If an officer holds two or more offices, each of which is Inferior by reason of its pay not exceeding Rs 10, he cannot count service as Superior, on the ground that his aggregate pay exceeds Rs 10 unless the offices were arranged and their pay determined with the intention that they should be held by one individual.

401 The service of a postman or village postman, whatever his pay, is Superior service.

402 (a) When the regular duties of an officer whose pay exceeds Rs 10, but who bears an Inferior designation are really such as are ordinarily performed by a Superior servant, his claim to pension should be specially referred to the Local Government.

NOTE.—[It is not intended by this Article that an Inferior servant should count service as Superior in virtue of his voluntarily assisting in Superior work. It provides for the case of a person who is engaged and *exerts authority* to do Superior work though with an Inferior designation.]

(b) On the other hand an officer whose real duties are those of an Inferior servant, even though his pay exceeds Rs 10 is not entitled to pension on the Superior scale merely because he draws pay under a Superior designation.

418 (a) Resignation of the public service, or removal from it for misconduct, insolvency, inefficiency not due to age, or failure to pass a prescribed examination entails forfeiture of past service

(b) Resignation of an appointment to take up another appointment, service in which counts is not a resignation of the public service

419 Any authority who, on revision or appeal, reverses an order dismissing an officer, may declare that the officer's past service counts

### Interruptions

420 An interruption in the service of an officer entails forfeiture of his past service, except in the following cases —

(a) Authorised leave of absence

(b) Unauthorised absence in continuation of authorised leave of absence so long as the office of the absentee is not substantively filled, if his office is substantively filled, the past service of the absentee is forfeited. Provided that, if the absentee is subsequently reinstated, the authority whose duty it is to make the appointment, within three months or the Local Government within one year, from the end of the authorised leave of absence, may declare, in an order to be communicated to the Audit Officer, that his previous service, or any part of it, shall not be forfeited

(c) Suspension immediately followed by reinstatement, which need not be to the same office

(d) Abolition of office or loss of appointment owing to reduction of establishment

(e) Transfer to non qualifying service in an establishment under Government control. ### Condonation of Interruptions and Deficiencies

## Section II—Compensation Pension.

426 A compensation pension is awarded to an officer discharged <sup>(1)</sup> from the public service because, on a reduction of establishment, his appointment is abolished and other suitable employment cannot be found for him. An appointment, the pay of which is reduced as part of a general scheme of revision, is abolished within the meaning of this Article. But in such case it may sometimes be cheaper to grant a personal allowance than a pension

427 To pension an officer still capable of useful service is a waste of public

### Selection for Discharge

it may perhaps be better to postpone the reduction of establishment or abolition of appointment—(See orders printed as Appendix 8)

NOTE.—[The relaxation of the condition laid down in this Article requires the sanction of the Government of India]

### Restrictions

430 A Deputy Collector, Munsiff or similar officer who belongs to the public service, apart from his particular local appointments cannot obtain a Compensation pension on the abolition of a particular appointment

431 No pension is admissible to an officer for the loss of an appointment on discharge after the completion of a specified term of service

432 No pension may be awarded for the loss of a local allowance

433 Schoolmasters or other officers who, in addition to their other duties, are employed in any capacity in the Postal Department, are not entitled to Compensation pension on being relieved of such duties

### Special Cases

434 If it is necessary to discharge an officer in consequence of a change in the nature of the duties of his office, the case should be referred to the Local Government, who will deal with it in accordance with the rules laid down in this Section as to notice of discharge and compensation pension or gratuity

435 If of two appointments held by one officer only one is abolished and it is desired to give him an immediate pension in respect of the abolished post, the case should be specially referred for the orders of the Government of India

### Notice of Discharge

436 Reasonable notice should be given to an officer in permanent employment before his services are dispensed with on the abolition of his office. If in any case, notice of at least three months is not given, and the officer has not been provided with other employment on the date on which his services are dispensed with, then, with the sanction of the Local Government, a gratuity not exceeding his emoluments for the period by which the notice actually given to him falls short of three months, may be paid to him, in addition to the pension to which he may be entitled under Articles 471 to 481, but the pension shall not be payable for the period in respect of which he receives a gratuity in lieu of notice. The responsible officer will, however, be required to explain any neglect on his part which may give rise to expenditure for such a gratuity.

and the notice not been given him ]

### Offer of Re employment

437 An officer discharged with a Compensation pension may not, without surrendering his pension refuse to accept any appointment which the Local Government thinks fit within six months from the date of his discharge, to offer to him. The salary of such new appointments must not however, be less than enough to raise his total receipts under the operation of Article 514, to the amount which he received as salary immediately before his discharge, nor should the new appointment be such as the officer cannot reasonably and equitably be expected to accept.

438 The rule in Articles 511 and 512, requiring the refund of a Compensation gratuity on re employment, applies to a gratuity awarded under Article 436, if the officer is permanently re employed within three months from the date of notice. But the officer need not refund that proportion of his gratuity under this rule which the interval of his non employment bears to the whole period for which the gratuity is given. If the officer is re employed only temporarily, he need refund no part of his gratuity, but if such temporary employment is foreseen the gratuity should be proportionately reduced.

439 Article 437 applies also to the case of an officer entitled to Compensation pension, who upon the abolition of his own appointment, is transferred by competent authority to another appointment. To such an officer a Compensation pension may be simultaneously awarded subject always to the limitation prescribed by Article 514.

### Acceptance of new Appointment

440 If an officer who is entitled to Compensation pension accepts instead another appointment in the public service, and subsequently becomes again entitled to receive a pension of any class the amount of such pension shall not be less than he could have claimed if he had not accepted the appointment.

## Section III.—Invalid Pension

441 An Invalid pension is awarded on his retirement from the public service, to an officer who by bodily or mental infirmity is permanently incapacitated for the public service, or for the particular branch of it to which he belongs.

### Rules regarding Medical Cer-

ty for service must be established by

(a) If the officer submitting it

(b) If he is serving at or near  
Administrative Medical Officer of the

Province—by the Ad-  
a Medical Committee over

which the Administrative Medical Officer should when practicable preside

(c) If he is an officer in Superior service and is serving in the interior of the country under such circumstances that in the opinion of the authority who sanctions the pension he can be conveniently required to appear before a Medical Invaliding Committee—by such Committee

(d) In other cases the authority who sanctions the pension may either accept a certificate given by a single Commissioned Medical Officer or Medical Officer in charge of a civil station or assemble a special Invaliding Committee at a convenient civil station

(e) If the pension applied for exceeds Rs 100 a month a certificate by a single Medical Officer should not be accepted as sufficient if it is possible without undue inconvenience to assemble an Invaliding Committee or to cause the applicant to appear before the Director General Indian Medical Department or the Standing Medical Committee at the Presidency

(f) Except in the case of an officer on leave in England no medical certificate of incapacity for service may be granted unless the applicant produces a letter to show that the head of his office or department is aware of his intention to appear before the Medical Officer. The Medical Officer shall also be supplied by the head of the office or department in which the applicant is employed with a statement of what appears from official records to be the applicant's age. Where the applicant has a service book the age there recorded should be reported

443 (a) A succinct statement of the medical case and of the treatment adopted should if possible be appended

(b) If the Examining Medical Officer although unable to discover any specific disease in the officer considers him incapacitated for further service by general debility while still under the age of fifty five years he should give detailed reasons for his opinion and if possible a second medical opinion should always in such a case be obtained

(c) In a case of this kind special explanation will be expected from the head of the office or department of the grounds on which it is proposed to invalid the officer

444 A simple certificate that inefficiency is due to old age or natural decay from advancing years is not sufficient in the case of an officer whose recorded age is less than fifty five years but a Medical Officer is at liberty when certifying that the officer is incapacitated for further service by general debility to state his reasons for believing the age to be understated. An officer's pension should not be reduced under Article 478 (a) on the ground of such a belief having been expressed unless it is clearly shown by the medical and other evidence that the age has been intentionally understated—[See clauses (b) and (c) of the preceding Article]

#### Form of Medical Certificate in England

445 The form of the medical certificate given by the Medical Board attached to the India Office respecting an officer applying for pension in England is as follows—

We have carefully examined Mr

Taking into account all the facts of the case as well as his present

PAT 15

condition we consider that he is incapable of discharging the duties of his situation, and that such incapability is likely to be permanent. We therefore recommend that he be permitted to retire from the service of Government on the pension or gratuity for which he may be eligible."

446 If any doubt arises regarding the validity of a certificate by the Medical Board attached to the India Office, the Audit Officer must not of his own motion reject the certificate as invalid, but must submit the matter for the decision of the Local Government.

### Form of Medical Certificate in India

447 (a) The form of the certificate to be given respecting an officer applying for pension in India is as follows —

Certified that I (we) have carefully examined *A B*, son of *C D*, a  
 \_\_\_\_\_ in the \_\_\_\_\_

\_\_\_\_\_ His age is by his own statement \_\_\_\_\_ years, and by appearance about \_\_\_\_\_ years. I (we) consider *A B* to be completely and permanently incapacitated for further service of any kind [or in the Department to which he belongs] in consequence of (*here state disease or cause*). His incapacity does not appear to me (us) to have been caused by irregular or intemperate habits.

NOTE — [If the incapacity is obviously the result of intemperance substitute for the last sentence 'In my (our) opinion his incapacity is the result of irregular or intemperate habits']

*(If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made.)* I am (we are) of opinion that *A B* is fit for further service of a less laborious character than that which he has been doing [or may, after resting for \_\_\_\_\_ months, be fit for further service of a less laborious character than that which he has been doing].

(b) The object of the alternative certificate (of partial incapacity) is that an officer should, if possible, be employed even on lower pay, so that the expense of pensioning him may be avoided. If there be no means of employing him even on lower pay, then he may be admitted to pension, but it should be considered whether, in view of his capacity for partially earning a living, it is necessary to grant to him the full pension admissible under rule. The principle of Article 427 must always be carefully borne in mind.

### Signallers in the Telegraph Department.

448 (a) In the case of Signallers in the Indian and Indo European Telegraph Departments, the medical certificate prescribed by Article 447 may, if it is found after medical examination that it cannot be granted, be dispensed with in special cases when inefficiency is not the result of misconduct, and instead of it two certificates—

- (i) one in form A signed by two superior officers of the Telegraph Department, and

- (n) the other in form B signed by the Director General of Telegraphs—may be substituted

FORM A “We certify that, after a perusal of the records of *A B*’s service and of the report of his immediate superior during the last twelve months of his service, we are satisfied that he is permanently incapacitated for the duties of a Signaller in the Telegraph Department”

FORM B “After a careful consideration of *A B*’s case I concur with Messrs *C* and *D* in thinking that he is permanently incapacitated for the duties of a signaller in the Telegraph Department and accordingly recommend that he may be permitted to retire on the pension or gratuity for which he may be found eligible”

(b) The practice enjoined in Articles 447 (*b*) and 453 of re employing pensioners should be carefully followed as far as practicable in these cases

(c) Officers permitted to retire under this Article may be granted a pension or gratuity of only four fifths of the amount that would be admissible for a man permanently unfit for any duty

NOTE—[This Article applies only to men who are Signallers including in that term Telegraph Masters who are members of the signalling staff when they retire]

### Special Precautions in the Police

449 District Superintendents of Police should be on their guard against endeavours to retire on Invalid pension by officers who are capable of serving longer

450 Medical Officers should confine themselves to recommending leave to such policemen as are not likely to benefit by a further stay in hospital, and should not certify that a policeman is incapacitated for further service unless they are officially requested to report upon his incapacity for further service

451 Medical Officers should be specially searching in their examination of the physical unfitness of every applicant for pension, and whenever the number of applicants for pensions is large, the examination should, if possible be conducted by two Medical Officers

### Restrictions

452 An officer discharged on other grounds has no claim under Article 441, even although he can produce medical evidence of incapacity for service

453 Article 427 applies, *mutatis mutandis* in the case of an officer invalided under Article 441 as unfit for employment only in some particular branch of the public service Every effort should be made to find for such an officer other employment suited to his particular capacity

454 If the incapacity is directly due to irregular or intemperate habits, no pension can be granted If it has not been directly caused by such habits but has been accelerated or aggravated by them, it will be for the authority by which the pension is grantable to decide what reduction should be made on this account

### PART IV.

## Applicant to be discharged

455 An officer who has submitted under Article 442 a medical certificate of incapacity for further service, must not (except for special reasons to be reported to the Local Government) be retained in active service pending a decision on his application for pension, nor can he obtain leave of absence except Subsidiary leave preparatory to retirement. Without the further special sanction of the Local Government, service after the date of a medical certificate does not count for pension.

456 The object of Article 455 is to discourage tentative applications, but an inferior servant (including in that term a Police officer whose pay does not exceed Rs 20) who, in the opinion of the head of his office, is fit for light work may be retained in employment till his pension is sanctioned, provided that his place is not filled up till he retires, and that his service counts only to the date of his medical certificate.

457 Article 455 refers only to the retention in active service of an officer who has furnished a medical certificate in support of an application for Invalid pension or gratuity while in India. The retirement of an officer who is absent on leave other than Privilege leave, when such certificate is submitted, may have effect from the termination of his leave, and the officer may continue to draw leave allowance to the end of his leave.

## Section IV — Superannuation Pension

458 A Superannuation pension is granted to an officer in superior service entitled or compelled by rule to retire at a particular age.

No. 317.

*Page 115, Article 459.*

*Add the following at the end of clause (b) of this Article. —*

But no claim from an officer to compensation on account of the enforcement of the rule will be entertained.

(5th Edition No 317 dated 9-11-12)

RECORDED

(c) Each such officer's case should be taken up when he is 55 years' old and before the expiry of each extension of service. In every case the extension should be given for not more than one year at a time.

(d) An officer who has attained the age of 60 cannot be retained in the service of Government save in very exceptional circumstance, and with the sanction of the Local Government.

PART IV.

460 An officer, who is compelled to retire under the preceding Article or who retires voluntarily under Article 461, and part of whose service has been inferior, is entitled to pension on the same conditions as if he had been invalided under Article 481 and to the same conditions

### Procedure

463 With a view to the issue of necessary orders as to retention or otherwise of officers to whom Article 459 applies, the Audit Officer should on or about the 1st of September in each year, submit to the authorities concerned (*vide* Article 459 and Appendix No 1) a list of those who will attain the age of 55 or complete the term for which extension has been allowed, during the next official year

### Optional Retirement at Fifty five

464 An officer in Superior service who has attained the age of 55 years may, at his option retire on a Superannuation pension

## Section V—Retiring Pension

465 A Retiring pension is granted to an officer who voluntarily retires after completing qualifying Superior service for thirty years or such less time as may for any special class of officers be prescribed

466—(See Article 509 4)

### Combined Appointments

467 An officer holding two or more separate appointments may not, save with the express sanction of the Government of India in the Finance Department or if pensions are a Provincial charge of the Local Government, resign one or more of such appointments on a pension, without retiring from the public service altogether There is no objection to his being relieved from one or more of such appointments at any time without being compelled to

leave the service altogether, but in such case, any pension admissible to him for service in the office or offices from which he is relieved, will be deferred until he finally retires

## Chapter XIX.—Amount of Pensions.

### Section I.—General Rules.

468 The amount of pension that may be granted is determined by length of service as set forth in Articles 474 to 485. Fractions of a year are not taken into account in the calculation of any pension admissible to an officer under this part of these Regulations

#### Currency

469 A pension is fixed in rupees, and not in sterling money, even though it is to be paid in England

#### Award of Full Pension

470 (a) The full pension admissible under the rules is not to be given as a matter of course, or unless the service rendered has been really approved (*See Appendix 9*)

(b) If the service has not been thoroughly satisfactory, the authority sanctioning the pension should make such reduction in the amount as it thinks proper

#### Limitations

471 An officer entitled to pension may not take a gratuity instead of pension

NOTE.—[See the note under Article 807]

472 In the case of an officer who has any service under the Imperial (British) Government, pension from Indian Revenues should not be fixed until it has been ascertained whether any pension is payable from Imperial funds in respect of the service under the British Government

473 An officer, not being a Military officer or a member of the Indian Civil Service, transferred to service under a Colonial Government, on final retirement from the Colonial service on pension or compensation allowance, receives, from Indian Revenues, for each completed year of qualifying and uninterrupted service in India, a pension of one sixtieth of his average emoluments at the time of his transfer, such average emoluments to be calculated for the last three years, or, if the whole service in India is less than three years, for the whole period of service. The pension is subject to a maximum limit of Rs 2,000 a year for an Indian service not exceeding ten years and Rs 4,000 a year in any other case

NOTE.—[The sanction of the Government of India is required to the transfer of an officer to any service of the description mentioned in this Article]

## Section II.—Amount of Superior Pension.

474 The amount of a pension is regulated as follows —

(a) After a service of less than ten years, a gratuity not exceeding (except in special cases, and under the orders of the Government of India) one month's emoluments for each completed year of service. If the emoluments of the officer have been reduced during the last three years of his service, otherwise than as a penalty, average emoluments may at the discretion of the Local Government, be substituted for emoluments.

(b) After a service of not less than ten years a pension not exceeding the following amounts —

Years of completed service	Scale of pension	Maximum limit of pension

10	10 sixtieths of average emoluments	2 000 a year, or 166⅔ a month

## Section IV — Allowances reckoned for Pension

## Emoluments and Average Emoluments

486 The term 'Emoluments' when used in this Part of the Part IV

1 Regulations, means the emoluments which the officer was receiving imme-  
 1 diately before his retirement and includes—

- (a) Pay;
- (b) Personal allowance; continues to reckon as part of "Emoluments" even when it is wholly or partly absorbed in acting allowance not so reckoning,
- (c) Fees or commission, if they are the authorised emoluments of an appointment, and are *in addition* to pay. In this case "Emoluments" means the average earnings for the last six months of service,
- (d) Charge allowance to Signallers in the Indian and Indo-European Telegraph Departments, and to Inspectors for line maintenance in the Persian Section, Indo-European Telegraph Department,
- (e) Commission in the case of a Thugyi in Lower Burma "Emoluments" in this case being held to mean the average of his monthly receipts in commission during the three years' actual service previous to retirement—but see example (3) under Article 489,
- (f) Bullock Train allowance in the Post Office Department,
- (g) Allowance attached to a Professorship or Lecturership in a Government Institution,
- (h) Acting allowances of an officer without a substantive appointment if the acting service counts under Article 371, and allowances

3 Excepting as provided in rules 1 and 2, only emoluments actually received can be included in the calculation. For example, when an officer is allowed to count time retrospectively towards increase of pay, but does not receive retrospectively the intermediate periodical increments, these intermediate increments are not reckoned in the calculations

### Municipal Police

495 (a) If the Police of a town are wholly supported by, and under the control of, a Municipality, the Government has no concern with their pensions

(b) But if the Government, being interested in the efficiency of a Police Force, paid, wholly or partly, by a Municipality, the Calcutta Port Trust, or from Cantonment Funds, or from the General Revenues subsidised by a contribution from a Municipality, the Calcutta Port Trust, or from Cantonment Funds, undertakes the organisation and control of the Force, as connected with and auxiliary to the Civil Constabulary, service in such a Force qualifies. The contributions of Municipalities, the Calcutta Port Trust, or of Cantonment Funds towards the cost of the pensions of such Forces are, for the present, undetermined

496 The Police Force in the Presidency towns of Calcutta, Madras, and Bombay, and in the Municipalities in Lower Bengal, come under clause (b) of the preceding Article

497 —*Omitted*

### Railway Police

498 The service of members of the Railway Police, appointed and controlled by Government, qualifies, though they may be either wholly or partly paid by the Railway Companies

---

## Section II.—Qualifying Service

---

499 Service in any of the Police Forces mentioned in Article 494, after the establishment of a Superannuation Fund in the Force, qualifies

NOTE 1 —[The Superannuation Funds were Funds to which, with the exception of certain soldiers of the Sikh Darbar and members of the Oudh Military Police, Police officers whose pay did not exceed Rs. 20 were obliged to contribute. In return for these contributions, they became entitled to pensions according to the rules of the several Funds]

Officers whose pay exceeded Rs. 20 did not contribute, as they came under the operation

(b) If he was enlisted or re enlisted on or after the 19th July 1871, by Scale B

(c) The pension of an officer enlisted in the Calcutta or Suburban Police Force on or after 27th December 1905 is regulated by Scale B. The pension of an officer who was enlisted before 27th December 1905 and subscribed to the Police Superannuation Fund, and whose pay at the date of discharge does not exceed Rs 20 is, on his being invalided, regulated by Scale A, provided he pays up his subscriptions from the 27th December 1905 to the date of his retirement. Failing such payments his pension or gratuity is regulated by Scale B.

### Officers on pay exceeding Rs 20

506 The pension admissible to an officer whose pay at date of discharge or resignation exceeds twenty rupees, is determined by the rules which apply to ordinary service, except that service rendered after the completion of twenty years of age, and declared by this Chapter to be qualifying, is treated as Superior service, and that the benefit of Article 502 is not withdrawn from a Police officer by reason of his being promoted to pay exceeding twenty rupees a month.

1 When a Police officer by promotion to a pay exceeding twenty rupees loses any benefit as to pension which he would have enjoyed had his pay remained unchanged, his pension may be regulated as if he had not received the promotion.

2 Men of the Bombay City Police count as Superior their service in the Force in Inferior grades before the establishment of the Superannuation Fund.

### Previous Inferior Service

507 If part of an officer's continuous service qualifies for pension under the general rules, but does not qualify under the rules in this Chapter he may elect to receive, in lieu of the pension admissible under this Chapter, such pension as is admissible to him under Articles 398 and 481 to 483 for the whole of his service, both Inferior and Superior (see Article 460).

508 An officer who, under Article 505, has elected to abide by Scale B will, if he takes gratuity under the preceding Article, obtain, in lieu of the scale prescribed in Article 481, one month's pay for every complete two years of service, but not more than twelve months' pay in all.

### Calculation of Pension

509 Except in the case of officers of the Town Police of Calcutta, and of officers of the Town Police of Bombay who were in the Force before the 1st April 1886 (Article 504), pension is to be calculated upon the net pay, i.e., the pay actually received by the officer, and not upon the gross pay, i.e., the pay from which were deducted the subscriptions to the Superannuation Funds [see concluding sentence of Note (1) to Article 499]. But this rule shall not unless he be either promoted to higher pay or degraded for misconduct to lower pay, be applied to any officer who, on the 19th July 1871, was entitled, by the rules of the Superannuation Fund, to have his pension calculated on his gross pay.

## Chapter XXI.—Re-employment of Pensioners.

### Section I—General.

509 A No officer, Civil or Military, may retire with the view of being re-employed and drawing pension in addition to pay, whether in the general service or in the service of any Local Fund

510 When a person who was formerly in Government employ either Civil or Military, is re-employed whether temporarily or permanently in Government service or in the service of a Local Fund, it shall be incumbent on him to declare the amount of any gratuity, bonus or pension received by him on retirement. The authority re-appointing him shall specifically state in the order of re-appointment whether any deduction is to be made from pension or salary as required by the rules of this Chapter and shall communicate a copy of the order to the Audit Officer.

510 A The attention of every officer who is re-employed should be specially called to the provisions of this Chapter by the authority re-employing him and whenever he becomes aware of such an appointment, by the Audit Officer, but the failure of such authority to do this will not be admitted as a ground for condoning any breach of the regulations contained in this Chapter

### Section II—Civil Pensioners

#### Re-employment after Compensation Gratuity

511 An officer who has obtained a Compensation gratuity, if re-employed in qualifying service may either retain his gratuity, in which case his former service will not count for future pension, or refund it and count his former service

512 The intention to refund must be stated immediately on re-employment but the refund may be made by monthly instalments of not less than one third of the officer's salary and also not less than the whole gratuity divided by the number of months which have elapsed since the end of the service for which the gratuity was given. The right to count previous service does not revive till the whole amount is refunded

NOTE.—[The equity of this rule is based upon the consideration that so long as the refund of the gratuity is postponed the officer avoids the risk and the State loses the possibility of the gratuity lapsing absolutely to the public treasury by the death or dismissal of the officer. A subsequent refund of a gratuity even with compound interest does not compensate the State for the loss of this possibility meanwhile.]

513 —(See 510 A)

#### After Compensation Pension

514 (a) An officer who has obtained a Compensation pension, if re-employed, may retain his pension in addition to his pay. Provided that, if

he is re employed on an establishment paid from General Revenues, the pension shall remain wholly or partly in abeyance, if the sum of the pension and the pay on re employment exceeds the pay of the appointment on abolition of which the pension was given, that is to say, an officer can draw pension only in order to make up his present aggregate emoluments to what he drew at the time of his retirement. In the case however of a pensioner re employed, in either a permanent or temporary appointment, for *bona fide* temporary duty lasting for not more than a year, the Local Government or, in cases where the pension does not exceed Rs 10 a month, the officer who controls the establishment on which the pensioner is to be employed, may allow pension to be drawn in whole or in part even though the sum total of pay and pension exceeds the pay which the officer drew on retirement.

— 514.

*Omit the words 'see also the note to Article 518' at the end of the note under clause (b) of this Article*

1st Edt p N 9 dated 1 10

515 In the case of a Section Officer re employed, the pay of the appointment abolished is taken at the average earnings of the last six months of employment

516 If an officer does not, within three months from the date of his re employment, exercise the option conceded by Article 514, of ceasing to draw pension and counting his former service, he may not thereafter do so without the permission of the Local Government

517 An officer who under Article 514, draws pension in addition to pay  
pension  
would  
under  
the same circumstances while holding his abolished appointment. Provided that his allowances on leave shall never be less than his pension

518 —Cancelled

#### After Invalid Pension

519 There is no bar to the re employment of an officer who has regained health after obtaining Invalid pension, or if an officer is invalided as being incapacitated for employment in a particular branch of the service, to his re employment in some other branch of the Service. The rules in such a case as to refunding gratuity, drawing pension, and counting service, are the same as in the case of re employment after Compensation pension

#### After Superannuation or retiring Pension

520 An officer who is in receipt of a Superannuation or Retiring pension shall not be re employed or continue to be employed in service paid from

General Rule of Pension from a Local Fund except on public grounds. The

no withheld the fact should be taken into account in fixing the pay to be allowed

(5th Edition No 44 dated 1.11.10)

### Exceptions

522 The foregoing rules do not apply—

- (1) to a pension paid from a Police Superannuation Fund constituted by contributions from the Force. Such a pension may be drawn without restriction in addition to salary or
- (2) to pensioners re-employed in non pensionable service on the subordinate establishment of a State Railway. Such pensioners retain their gratuities and continue to draw their pensions subject in the case of pensions of all classes to the provisions of Article 514 or
- (3) to pensioners re-employed under the Court of Wards

523 A pensioner of any class may be employed as an Extra Departmental Agent in the Post Office or as a Sub Registrar under the law for the registration of documents remunerated by fees only

524 —Cancelled

### Section III —Military Pensioners

525 (a) Except where it is otherwise expressly stated (see Article 509 A) the foregoing rules do not apply to a Military pensioner in Civil employ

PART IV.

K 2

The claims of such an officer to salary and pension in the Civil Department are not affected by his Military pension

(b) If however a soldier be allowed to continue in Civil employ after he has earned a Military pension and such pension is payable, wholly or in part from Indian Revenues his salary in the Civil Department will be reduced by an amount equal to so much of his pension as is payable from Indian Revenues

526 The salary in the Civil Department of a commissioned Military Officer not being a Native of India, whether the pay of his office be consolidated or staff pay shall be reduced by the amount of any annuity, pension, or pensionary allowances other than a good service pension or a pension obtained after a prescribed period of service otherwise than on medical certificate which he receives in the Military Department. If he has commuted any such allowance for a single capital payment, the same deduction will be made from his Civil salary as would have been made had he not done so

527 The pension of the heir of a Native Commissioned or Non Commissioned officer or soldier, or of the heir of a Medical subordinate, will during employment in any Civil Department merge in his salary

528 Provided always that an Invalid Native Commissioned officer shall receive only so much of his Invalid pension as, with his Civil pay, will make his whole allowances equal to his Military pay and allowances immediately before his retirement. If, therefore the pay of the Civil appointment is not less than his Military pay and allowances at the date of his retirement he receives no portion of his Military pension

*Exception*—The pensions of Army pensioners who enlist into the Burma Military Police are held in abeyance during the time they continue to serve in that force. But the gratuity granted to discharged soldiers enlisting into the Burma Military Police need not be refunded

#### Section IV.—Pension for New Service

529 Except as provided in Articles 525 to 528, an officer who, having been discharged with a pension, is subsequently re-employed, may not count his new service for a separate pension. Pension (if any) is admissible only for the new service combined with the old, the whole being counted as one service

530 If an officer who has obtained a Compensation or Invalid pension is re-employed in pensionable service and retains the pension (see Article 514) the pension or gratuity admissible for his subsequent service is subject to a deduction of the annuity or the capital value of the pension, as the case may be, in proportion to the difference between the value of the pension at the date of his re-employment and the value of the officer's final retirement, if the two periods of service were combined and the value of the pension already granted for the previous service

*Illustration*—A who had retired at the age of forty after eighteen years' service on a Compensation pension of Rs. 90 (his salary having been Rs. 100), was re-employed after six years

531 (a) If a gratuity received for the earlier service has not been refunded, gratuity or pension (as the case may be) may be allowed for the subsequent service, on condition that the amount of such gratuity or the present value of such pension calculated according to Table A in Appendix 10, *plus* the amount of the previous gratuity, shall not exceed the amount of gratuity or the present value of the pension that would have been admissible had the gratuity received for the earlier service been refunded

(b) If the amount of such gratuity or the present value of such pension *plus* the amount of the previous gratuity exceed the amount of gratuity or the present value of the pension that would have been admissible if the gratuity received for the earlier service had been refunded, the excess must be disallowed

An officer so seconded must either return to his regiment at the end of five years, or be struck off its strength on retention in a department for any period beyond that term—*Indian Army Circulars, Military Department, No 1451, dated 20th October 1880*)

609 The allowances of a Military Officer subject to the Military Leave Rules during Subsidiary leave are regulated as if he were subject to the Civil Leave Rules Provided that—

- (i) If under the action of the Leave Rules such an officer has lost his lien on his appointment, he draws allowances under Military Leave Rules during his Subsidiary leave
- (ii) His allowances on Subsidiary leave must not be less than his allowances during the Furlough to which the leave is subsidiary

NOTE—[The subsistence allowance of a Military Officer subject to the Military Leave Rules is that prescribed in Article 108 (b)]

610 Subsidiary leave preparatory to his retirement from the service may be granted to a Military Officer subject to the Military Leave Rules, provided such leave does not vitiate his claim to retire on the date fixed

611 Whenever the Furlough of a Military Officer subject to the Military Leave Rules begins before embarkation or ends after disembarkation, the Audit Officer should inform the Government of India in the Military Department, and the account officer in charge of the officer's record of pension service of the date on which it begins or ends

## Section II.—Compulsory Retirement from Civil Employ.

### Ordinary Rules

612 (a) A Military or Naval Officer in Civil employ, after attaining the age of fifty five years, shall not, except for special reasons, with the sanction of the Secretary of State, retain his office or be appointed to any new office Provided that if such an officer has held his office for less than five years, he may for special reasons, with the sanction of the Government of India, be permitted to retain his office until he has held it for five years. The term "office" in this Article includes an officiating appointment, and the currency of the period of five years is not interrupted by any subsequent temporary promotion to a higher appointment

NOTE—[When the sanction of the Secretary of State is required to the extension of the term of service of a Military Officer in Civil employ after attaining the age of 55 years it should be obtained previous to the event. Sufficient notice must therefore always be given to the Government of India in such cases to admit of a timely reference being made to the Secretary of State]

(b) The period of five years begins from the date on which the officer first takes up the office, whether substantively or temporarily Provided that, if temporary, he is confirmed without reverting to his substantive appointment, but the currency of the period is not interrupted by any subsequent temporary promotion to a higher appointment

Exception.—Medical Officers of the Administrative grades—namely, Surgeon Generals and Colonels—are not compelled to retire from the service until they attain the age of 60 years

613 The undermentioned officers cease to be in Civil employ on attaining the age of 55 years —

(a) Military Officers in the Survey of India, unless specially permitted by the Secretary of State, in the interests of the public service, to remain in the department for a further definite period,

(b) Officers of the Indian Medical Service below the rank of Colonel except Lieutenant Colonels who are granted extensions of service beyond the age of 55 years until they complete 30 years' service,

(c) Departmental Officers and Warrant Officers

614 On succession to the Colonel's allowance, a Military Officer (not holding an appointment the tenure of which is limited to five years) must vacate any Civil appointment which he then holds. But, with the sanction of the Secretary of State in Council, he is eligible for re-appointment or for employment in the same or any other appointment, at the discretion of the Government of India in the Military Department. In such a case, his Civil pay will be reduced by the amount of his Colonel's allowance, which will be included in, and not given in addition to, his consolidated salary.

#### Public Works Department.

615 A Military Officer in the Public Works Department or in the Engineering Department of State Railway, who on reaching the age of 50 years has not attained the rank of Superintending Engineer, will be liable to be called upon to vacate his appointment.

616 Military Officers in the Public Works, Railway and Telegraph Departments cease to be in Civil employ on attaining the age of 55 years.

617 A Military Officer serving in the Public Works or Railway Department must vacate absolutely any appointment he may hold in that Department on succession to the Colonel's allowance.

618 *Omitted*

619 (a) Article 616 applies to officers of Royal Engineers serving in the Public Works Department.

(b) Officers who have attained or hereafter may attain must vacate their appointments in the Public Works and Railway Departments. But if an officer at the time of so vacating office is a Chief Engineer, 1st class, or holds a post carrying that rank, he may be continued in the position which he had been required to vacate, for the remainder of the term of five years referred to in clause (c), unless in the meantime he must vacate office by some other regulation. Officers of the Royal Engineers holding rank below that of Chief Engineer, 1st class, vacating office under this rule are not ordinarily eligible for re-appointment to the Public Works or Railway Department, but exceptions to this rule may, at the discretion of the Government of India, be made in the case of officers who, on account of specially accelerated Military promotion for distinguished service in the field have reached the rank of Major General without attaining the departmental rank of Chief Engineer, 1st class.

(c) No Chief Engineer of the Corps of Royal Engineers shall, without re-appointment, hold the same post for more than five years.

(d) The foregoing rules are applicable to officers of Royal Engineers who hold the post of Secretary or of Deputy Secretary to the Government of India in the Public Works Department.

NOTE.—The period of five years referred to in clause (c) begins to run from the date on which the officer first becomes entitled to draw the full pay of the appointment whether holding the appointment substantively or only in an officiating capacity provided that, if officiating he is confirmed in the appointment without a break of service.]

### Leave after Completion of Period of Civil Employ.

620 (a) No leave but privilege leave may be granted to a Military Officer in Civil employ, whether subject to the Civil or Military Leave Rules, or to any Naval Officer who is more than 55 years old. Any leave, other than privilege leave, granted in the Civil Department to a Military or Naval Officer in Civil employ before he is 55 years old ceases to have effect on his fifty-fifth birthday, on which date he reverts to Military employ. The absentee allowances of a Military Officer in Civil employ on leave other than privilege leave become a Military charge, and he becomes subject to Military Rules on his fifty-fifth birthday, whether his leave was granted in the Military or the Civil Department.

NOTE.—In the case of a Military or Naval Officer in Civil employ, who reverts to Military employ under the operation of the rules, in this section, privilege leave cannot be granted at the end of his service in the Civil Department for any period which will expire within the three months previous to his reversion.

## Chapter XXIX.—Civil Veterinary Department.

NOTE.—[The rules contained in this chapter apply only to those officers of the Civil Veterinary Department who were transferred to it from the Army Veterinary Department.]

### Acting Allowance and Leave Rules.

621 Officers officiating in the Department draw the pay of their Military rank *plus* half the Civil allowance attached to that rank.

622 The leave and leave allowances of Civil Veterinary Officers are regulated by the rules in Chapter XIII applicable to Military Officers subject to the Civil Leave Rules, with the following special conditions—

(a) Officers on ordinary furlough draw half the pay of their Military rank *plus* half their Civil allowances.

(b) Civil Veterinary Officers are treated in applying the rules mentioned, as if they had, before entering the Civil Department, been subject to the leave rules for the Staff Corps (1886) from the date of their arrival in India.

NOTE :—[For the purposes of this rule, the date of arrival in India must be held to be the date of arrival on the last tour of service.]

### Pension Rules

623 The pension rules of the Civil Veterinary Department are as follow :—

(a) No officer becomes qualified for pension under the scale fixed for the Department until he has rendered ten years' service in it.

(b) Pensions are granted at the rates prescribed for the Army Veterinary Department by the Army Regulations in force for the time being plus an addition made on the following scale —

	£
After 10 years' service in the Civil Veterinary Department	72 a year
" 15 " " " "	96 "
" 20 " " " "	120 "

(c) Leave, apart from privilege leave, counts as service qualifying towards pension to the extent of two months for every year of actual service

(d) Retirement is optional after twenty years' service and allowed on medical certificate after fifteen years' service. An officer, other than the Inspector General, who resigns the Civil Veterinary Department before retirement, forfeits all claims to pension under the scale fixed for the Department

The pension of the Inspector General, if he has qualified under clause (a), is at the rate of £700 a year after three years' tenure of office. Should an officer have completed five years' tenure of the post of Inspector General before having rendered ten years' service in the Department, he is eligible for a pension of £600 a year

Officers retiring before having completed ten years' service in Civil employ are dealt with under Military rules for pension or gratuity. In the case of an officer invalided before completing ten years' service in the Civil Veterinary Department, the gratuity or pension earned by him under Military rules is increased in the same proportion as the total Civil allowances bear to the total Military allowances earned by him during his period of service in India

NOTE.—[Previous service in an appointment absorbed in the Civil Veterinary Department counts as service rendered in that Department for the purposes of this rule]

624 The rules in Chapter XXVIII relating to the retirement of Military Officers in Civil employ upon attaining the age of 55 years apply to Army Veterinary Officers in the Civil Veterinary Department

625 *Cancelled*

#### Family Pensions

626 The family of a Civil Veterinary Officer recruited from the Veterinary Staff of the Army are eligible for pension under the provisions of the Royal Warrant, "Pay and Non effective Pay," applicable to the families of Army Veterinary Officers

## Chapter XXX—Civil Engineers and Telegraph Officers

### Section I—Pay and Leave Allowances.

(a) Officers of the Public Works Railway and Telegraph Departments appointed from the Royal Indian Engineering College at Coopers Hill

(b) Stanley Engineers

(c) Other Civil Engineers and Telegraph Officers appointed by the Secretary of State

(a) Superior Civil officers of the Telegraph Department not included in clauses (a) and (c),

(b) Civil Engineers of the class described in clause (e) who are of pure Asiatic descent]

### Commencement of Service

628 If a Coopers Hill Engineer lands in India on or before the 1st December of the year in which he passes out of College, his service counts from the preceding 1st October, unless another date should be specified in his letter of appointment.

629 If a Coopers Hill Engineer is, after completing his three years' residence at College, required to go through a course of practical engineering in England under a Civil or Mechanical Engineer, his service, unless another date should be specified in his letter of appointment, will reckon from the commencement of the practical course, or from such later date as will be consistent with the regulation that he may count as service towards pension the time spent on such practical course to the extent of one year only

630 The service of a Coopers Hill Engineer, whose case is not provided for in Article 628 or 629, and who does not land in India by the 1st December, and that of any other Civil Engineer appointed by the Secretary of State, counts from the date on which he lands in India

631 The service of an officer appointed, to the Telegraph Department after training or competitive examination, by the Secretary of State, begins as follows —

(i) If appointed after competitive examination, from date of covenant

(ii) If appointed after training at Coopers Hill from date of sailing of vessel selected by the Secretary of State, or 1st October in the year of passing out of the College, whichever is named in his letter of appointment, provided that he reaches India within two months of that date or other approximate date named in his letter of appointment, otherwise from date of arrival in India

#### Labourers.

666. Labourers in State Railway workshops employed upon daily wages when temporarily absent from work in consequence of injuries sustained while on duty in workshops, etc., may, under the authority of the Managers of the State Railways concerned, be granted allowances, during their absence, as under, the amount not to exceed—

NOTE.—[An officer compelled owing to ill health, to take leave out of India under Article 671, 672 or 673, is entitled to the benefits of Article 312. In applying that Article the word "pay" should be substituted for the word "salary".]

Such leave cannot be taken for more than one year, except after three years' continuous service immediately preceding. Leave on medical certificate cannot be counted as service for furlough, and no leave on medical certificate can be taken while any furlough is due. An officer on leave under this Article is entitled to half his average pay for the first fifteen months of each period of such leave, but not for more than thirty months in all. For the rest of his leave under this Article he is entitled to a quarter of his average pay. The minimum furlough allowance during leave on medical certificate to the officer to whom any allowance is due shall be—

Rs

In the case of a Branch Pilot, Master Pilot, and Mate Pilot 100 a month.

In the case of a Mate Leadsman and Leadsman Apprentice 50 "

(b) For a period of two months in every twelve, on half pay (which cannot be accumulated) on a medical certificate showing that the applicant requires through sickness more leave than he could take under the ordinary Privilege Leave Rules. When such leave is taken in extension of ordinary Privilege leave, the period of ordinary Privilege leave first taken under clause (a) must be commuted to double the period on half pay under this clause. Leave taken under this clause is reckoned as Active Service but it cannot be combined with other leave under Article 233, and if it is extended under medical certificate, the whole of the leave is treated as leave on medical certificate under Article 672.

(c) The leave authorised in clause (b) may be taken in instalments, but a Pilot may not take leave under clause (a) either by itself or combined with other leave under Article 233 for eleven months after his return to duty from his last leave taken under clause (b).

## Superannuation Pension

681 A Pilot who has attained the age of 55 years may be required to retire unless the Local Government considers him efficient and permits him to remain in the service. But as the premature retirement of an efficient officer imposes a needless charge on the State the rule should be worked with discretion. A Pilot who has attained the age of 55 years may not at his option retire from the service on a Superannuation pension. ### Chapter XXXV —Assam and Dacca Military Police

703 Pensions are granted to Policemen and, in the exceptional cases specified in the rules, to their heirs in accordance with Parts IV and VI

704 Furlough on private affairs on half Assam or Dacca pay for not more than six months, from date of departure from head quarters to date of return thereto, may be granted by Battalion Commandants on condition that the number absent on furlough and sick leave at any one time does not exceed 5 per cent of the strength of the Battalion from 15th October to 15th April, and 10 per cent from 16th April to 14th October

705 Leave on medical certificate for not more than six months, from date of departure from head-quarters to date of return thereto, may be granted by Battalion Commandants to all ranks. A man taking such leave forfeits his turn for furlough, and his name is placed at the bottom of the furlough roster. Leave on medical certificate for a longer period than six months requires the sanction of the Local Government.

706 Allowances on leave on medical certificate are full pay for as long a time as the man is entitled to privilege leave and half pay for the remainder of the first six months and in case of extension being granted, half pay. The leave allowance of a man on leave on medical certificate taken in extension of furlough is half Assam or Dacca pay.

707 Sick leave on full pay for a period not exceeding one month may be granted by Battalion Commandants to all ranks while in hospital. In exceptional cases *e.g.* in consequence of wounds received in action or for other special reasons this privilege may be extended to two months under the special sanction of the Local Government. After this period, such leave may be granted on half pay. Leave granted under this rule shall not interfere with the grant of ordinary leave on medical certificate.

708 The Battalion Commandant may grant privilege leave on urgent private affairs under the rules in Chapter XII to men whose conduct has been good

709 The Inspector General of Police may frame subsidiary rules not inconsistent with these rules for the guidance of Battalion Commandants in granting furlough and leave

710 Native Commissioned officers are entitled to travelling allowance as second class officers for journeys by rail and by river steamer

711 Free passages by steamer and rail are allowed—

(a) to and from their homes to men proceeding on or returning from furlough on private affairs or leave on medical certificate, but not to men proceeding on or returning from privilege leave

(b) to their homes to men who are not natives of the Province when retiring on Invalid pensions, but not to men granted Retiring or Superannuation pensions

712 Any member of the Force belonging to races foreign to Assam or Dacca who may be recruited outside the Province, may, with the written permission of the Battalion Commandant, and if quarters are available in the Police lines, bring his children, one wife and one relative to Assam or Dacca.

For the conveyance of families, third class passages will be granted by rail-  
ways and local authorities, on payment of 25 per cent of the full fare in the  
the case of 5 per

cent. of the privates of each Battalion, free of charge. The percentage must be reckoned on the number of foreigners only.

Return passages to their homes will be granted to the families of such officers and men dying in Assam or Dacca.

(2) One month's leave may be granted after eleven months' actual service, without deduction of pay.

(3) Special leave for four months may be granted on half pay to any officer or constable who has served for four years without taking leave of any description whatsoever.

(10) The half salary of any officer or constable on leave whether special or on medical certificate, will be payable only on return to duty. Should the absentee not rejoin upon the expiration of the leave granted to him, he will be liable to forfeit all claim to the half pay he would otherwise receive upon return. All sums thus forfeited are to be carried to credit of the Leave Fund.

(11) The number of men allowed to be absent on Special leave is not to exceed 10 per cent of the effective numerical strength.

Section II.—Special Cases.

732 In special cases, *es*, for instance, when an officer is wounded in an encounter with dacoits, the Government of India may relax the condition of Article 730 as to service with a Military force. In such cases the pension or gratuity granted to a Civil officer will be calculated according to the scale laid down in the Army Regulations, India, Volume I, for wounds and injuries received in the execution of Military duty otherwise than in action, the rank of the Civil officer being determined as in Article 730.

Such leave will not reckon as part of the maximum admissible under general rules, and it will, except as regards the earning of Furlough, count, up to a maximum of 12 months as active service, provided that—

- (a) it must be taken immediately in consequence of the wound or illness, *i.e.*, without any intervening period of active service,
- (b) it is certified by the Medical Board, before which the officer appears, that the disability owing to which leave has become necessary, originated on active service in the field and was solely caused by hardship and exposure undergone or by wounds received, during such service,

### Section III —Injuries Received on Duty

734 (a) The rules in this Section are analogous to the Regulations for the grant of pensions to soldiers wounded in action and to the heirs of soldiers killed in action, and provide for a pension or gratuity in cases of injury or death —

1) to a man so injured in the execution of a public duty as to be incapacitated for earning a livelihood,

(ii) to the family of a man killed in the execution of a public duty,

(b) They apply to any person employed in the service of the Government, whether permanently, temporarily, or even casually and when remunerated by fixed pay, or (as, for example, miners in the Salt mines) for piece work.

(c) They apply also to a village watchman (including a Municipal chowkidar in the United Provinces) or his family, even though he receives no pay from the State.

735 A Wound or Extraordinary pension or gratuity is granted only when injury or death is met in the performance of a duty which is attended with extraordinary bodily risk. This condition governs the grant of pensions or gratuities under Articles 739 and 740. The Government recognises no claims on account of loss of life or bodily injury resulting from an ordinary accident. The following are examples of cases of ordinary accident —

.....

736 The Government does not bind itself to grant pension in every case, or, if it grants pension, to grant it for life.

737 The amount of pension is to be regulated by—

- (i) the character and service of the injured or killed,

- (ii) the nature of the risk undergone, and the conduct of the man in accepting it,
- (iii) the nature and extent of the injury received,
- (iv) the pecuniary circumstances and prospects of the claimant.

738. Injuries for the purposes of this Section are classed in four degrees —

*3rd Degree*—Men not losing a limb or an eye who have received an injury equal to the loss of a limb, or who are otherwise so disabled as to be capable of contributing in only a small degree towards earning a livelihood

*4th Degree*—Men able to contribute materially towards a livelihood, although unfit, from wounds, for the ordinary duties of the service

739 A pension or, when a pension is not justified by the circumstances of the case, a gratuity may be granted by the Local Government or the Government of India as follows —

#### Pensions

- (a) by the Local Government, not exceeding Rs 10 a month
- (b) by the Government of India, not exceeding—

- (iii) To the family of an officer killed in the execution of his duty, not exceeding half the pay of the deceased officer, and not less than Rs 2½ a month

NOTE—[The term 'family' includes only wife legitimate child father or mother, dependent upon the deceased for support. The words 'for the support of the family' should be inserted in every order sanctioning a pension under this rule.]

741 (a) A pension granted under clause (i) or (u) of the preceding Article will, unless the pensioner is more than sixty years old (in which case it will be permanent), continue, in the first instance, for two years only

(b) At the end of eighteen months, the pensioner shall be examined afresh by a Medical Officer in charge of a Civil station, upon whose report the Local Government will decide whether the pension shall be continued or not for a further term or permanently, and whether the pensioner shall be subjected or not to further medical examination

742 (a) If a pension is granted to a family under Article 740 (u), it is allotted for the support of the family to the eldest surviving son —

(i) failing sons, to the eldest widow, for the same purpose ;

(u) failing both sons and widows, to the eldest surviving unmarried daughter, for the same purpose ,

(u) these failing to the father, for the same purpose ,

(d) A pension is given to only one member of each family, and no transfer of the pension to another member is permitted on its lapse either by the demise of the pensioner or for any other reason or on its remaining in abeyance under the operation of the rules in Chapter XXI

743 The Government of India have also the power to grant in any case, even where no pension or gratuity is admissible under these rules—

(a) a gratuity not exceeding Rs 1,000, or

(b) when injury or death is due to devotion to duty, a pension not exceeding Rs 25 a month or a gratuity of equivalent amount

NOTE—[The powers of the Government of India under Clause (a) above may be exercised by the Railway Board in the case of Railway servant]

744 A Local Government may, as a special case grant a gratuity not exceeding Rs 20, or two months' pay, whichever is less, to a day labourer or mechanic injured, or to his representatives if he is killed, in the execution of duty by causes beyond his control, if the injury is not such as to allow of a Wound or Extraordinary pension being granted under the foregoing rules

NOTE—[The powers of a Local Government under this Article may be exercised by Superintending Engineers in the Public Works Department.]

### Section IV—State Railway Rules

745 A Local Government having State Railways under its control and Managers of State Railways not under Local Governments may grant a gratuity to any State Railway servant who may be injured, or to the representatives of any State Railway servant who may be killed, by the working of trains or engines, otherwise than through his own negligence or wilful act on, provided that such gratuity shall not exceed a sum equal to six months' pay of the servant injured or killed, or a maximum of Rs 200. If Rs 200 is considered insufficient, a reference must be made to the Government of India.

### Section V—Procedure

746 When a claim for Wound or Extraordinary pension arises, the head of the office in which the man killed or injured was employed must hold a formal inquest, taking evidence as to—

- (i) the circumstances under which the injury was received, or the life lost,
- (ii) the relationship (in the case of a death) and the pecuniary circumstances of the claimants

747 The head of the office will then submit the case, with a statement of the circumstances through his official superiors, to the Government. The application which should be in Form No 25 in the case of a man injured and Form No 22 in the case of a man killed, should be accompanied by the report of the Audit Officer upon the claim.

### Section VI.—Re-employment of Wound Pensioners

748 A Wound or Extraordinary pension granted under these Regulations, or under Military Rules, to a Native Commissioned officer or a Non Commissioned officer or soldier for wounds and injuries, may, in the event of the pensioner's subsequent employment in the Civil Department, be, during such employment, reduced or suspended by the Government which granted the pension.

No 5008 dated 1st September 1878]

(3rd EDITION)

No 322

Pages 205-221 Articles 750-795.

*Substitute the following for the rules in Part VII, Chapters XXXIX to XLI of these Regulations.*

1 *The revised rules will apply only to cases in which officers are transferred to Foreign Service after the date of the introduction of these rules. In the case of officers transferred to Foreign Service before this date, the old rules should continue to be applied.*

2 *It is to be understood that unless the Local Government is expressly given authority to make exceptions, all deviations from the Foreign Service Rules require the sanction of the Government of India, whose powers in this respect remain unaltered.*

760. When any officer lent on foreign service conditions retires from British service (see Article 759) without, at the same time, retiring from the service of his foreign employer, the audit officer shall communicate to the foreign employer through the usual authorities a statement showing the date of retirement and the amount of pension drawn from the British Government with a view of enabling the foreign employer, if so inclined, to revise the existing terms of employment.

761. (a) An officer who during leave desires to take up employment in India must obtain the previous sanction of competent authority thereto. If the post is one which should in the opinion of such authority be filled by a servant of Government he must be transferred in accordance with the rules of this Chapter.

(b) An officer who during leave out of India desires to enter foreign service out of India must obtain the previous sanction of the Secretary of State who will decide whether the officer shall be transferred to foreign service, and, if so, will prescribe the terms of salary and contribution.

(c) From the date on which an officer enters foreign service he ceases to be on leave and to draw leave allowances from Government.

NOTE 1.—The authority referred to in clause (a) of this article is, in the case of a non gazetted officer, the officer empowered to appoint such officer, and in the case of gazetted officers the Local Government.

NOTE 2.—If it be decided to allow the officer to take up employment without entering foreign service he shall be permitted to draw his furlough allowances in addition to any emoluments paid to him by the employer.

### Sanction to transfer to, and pay in, foreign service

762 Transfer to foreign service is not permissible —

- (i) unless the transfer is in the public interest, that is, the service is such as should, for public reasons, be rendered by a servant of Government;
- (ii) unless the officer holds, when his transfer is effected, an appointment in qualifying service on an establishment paid from General Revenues.

NOTE.—Service under a landholder who retains the management of his own estate, or under such a body as the Society for Prevention of Cruelty to Animals or under societies for the encouragement of agricultural or veterinary development, has at times been sanctioned on foreign service conditions. Service of this character, however is properly private employment, the loan of a Government officer for such purposes should be wholly exceptional and should not be allowed unless in the opinion of the Local Government a public advantage is secured which would otherwise be unattainable.

763 Transfers and appointments may be sanctioned by the Local Government under which the officer is serving, provided (a) the transfer is to foreign service in India, (b) the officer's pay in foreign service does not exceed Rs 2,500 a month if he belongs to an Imperial service (Article 29 B), and in other cases Rs 1,250 a month, and (c) the officer has rendered five years'

Service qualifying for pension Condition (c) may be relaxed by the Local Government\* under which the officer is serving at the time of the transfer; it does not apply to the following officers —

- (i) Officers subject to the leave rules in Chapter XIII and officers of the Army and the Royal Indian Marine
- (ii) Employees in the Survey, Forest, Medical, Veterinary and Agricultural Departments with technical qualifications
- (iii) Officers transferred to foreign service of the second kind.
- (iv) Officers transferred to temporary appointments

\*NOTE—Local Governments should be on their guard against endeavours to use the service of Government merely as a means of entrance with pensionable status into foreign service.

1 Temporary appointments are those which last not more than six months. In judging whether an appointment falls within this class, the duration of the appointment shall be considered, not the duration of the particular officer's employment.

2 The Local Government may by general or special order

(a) delegate to any authority subordinate to it power to transfer to foreign service within the province any officer who such authority can, without reference to higher authority, appoint or transfer in the ordinary course of administration;

(b) delegate power to such authority to transfer to temporary appointments outside the province.

3 The Government of Madras is empowered to transfer to service in Ceylon without reference to the Government of India any officer not belonging to an Imperial service.

764 Pay and allowances in foreign service in India may be fixed within the limits specified in Article 763 by the authority sanctioning the transfer. The latter should in doing so be guided by the following general principles —

- I.—The pay of an officer transferred to a post, the duties of which are similar to those of the appointment which he held when transferred, should be fixed at a sum which does not exceed by more than 25 per cent his last pay in British Service, or, if he is acting in a grade or appointment from which he is unlikely to revert, his last salary.
- II.—An officer transferred to an unusually responsible or difficult post or to one the duties of which differ from those of his appointment under Government, should receive pay specially fixed with reference to his *status* and pay in the service of Government, and the nature of the work for which he is transferred.

NOTE—A report of the circumstances of each case in which sanction is accorded by the Local Government under Rule II of this Article should be submitted to the Government of India at the end of each year through the audit officer in an amalgamated schedule.

III.—Officers may be allowed travelling and conveyance allowances on such scale as the Local Government considers adequate, and, when the transfer is to a Native State, the concessions specified in Rule II of Appendix 31.

IV.—Increases of pay are regulated as follows.—

- (a) An officer, whose pay is fixed under rule I and who belongs to a graded service or who is on progressive pay or in a service in which pay is regulated by a time-scale, may on the occasion of each substantive promotion on his departmental list, or accrual of a periodical increment, be granted an increase equal to that which such promotion or increment would have given in British service, *i.e.* a sum not exceeding 20 per cent on

## PART VII—FOREIGN SERVICE AND SERVICE UNDER LOCAL FUNDS.

## Chapter XXXIX—General Definitions and Conditions.

750. Foreign Service is of three kinds, viz. :—

*First*—When an officer of Government is allowed to take service under an employer who is not under the orders of Government and is allowed while in such service to maintain his claim to pension and leave in the same way as if he were still in the service of Government.

*Examples*—Officers lent to Egypt, or to the Colonies, or to a Native State, or a Port Trust, or a Municipality, or a Railway Company.

*Second*—When Government having obtained control over or having received in trust certain funds other than General Revenues, creates special appointments or special establishments at the cost of the said funds for the purpose of exercising such control or trust.

*Examples*—Administrators of Native States, Managers of Courts of Wards Estates.

*Third*—When additions are made to an existing service or an existing establishment to provide for work which has to be done under the supervision and control of the supervising and controlling officers of the service or establishment, the cost of the additions being charged to, or recovered from, the persons or bodies in whose interest the work is done

*Examples*—Police Agents appointed at the cost of the State.

751. (a) Foreign Service of the first and second kinds qualifies for leave and pension or for pension only in the case of officers transferred by competent authority from qualifying service under Government with the privilege of retaining their title to leave or pension which in all but special cases is made subject to payment of contributions to Government in respect of the cost of such leave or pension

(b) Foreign Service of the third kind qualifies for leave and pension in the same way as service in the rest of the department or establishment, of which the appointment forms a part, but arrangements are made for the recovery of the cost, as laid down in Chapter XLI.

752—*Cancelled.*

## Chapter XL—Foreign Service of the first and second kinds.

(b) An officer is not permitted to withhold the contribution upon condition that it shall not count for pension or leave service or, unless he is specially exempted by this Article

(c) An officer of a Local Fund transferred to Foreign Service of the first kind cannot make any contribution under the terms of this Section even though the Local Fund by which he is employed may contribute for a pension for him under these Regulations Transfers to Foreign Service of the first kind can only be made from qualifying (British) service

NOTE — [As an exception to this clause an officer paid from and rendering pensionable service under a Patwar Fund transferred to Foreign Service may make contributions to General Revenues and count his Foreign Service for pension as if paid from General Revenues]

756. (a) The rates of contribution prescribed in Article 755 apply to all officers transferred to Foreign Service after the 7th of January 1889. The rates previously in force continue to operate, in the case of officers transferred before that date, subject to the following conditions —

- (1) That in the case of officers of the Public Works or Railway Department transferred to the service of a Railway Company, on terms agreed upon between Government and the Company, their appointments under the Company remain unchanged. If their appointments are changed, or if they enter on fresh engagements even without returning to the service of Government they become subject to the new rates of contribution. It will rest with the Government of India in the Railway Department to decide whether the appointments have been changed or not,
- (2) That in the case of all officers transferred to Foreign Service, the former rates of contribution will operate only until the new rates are applied, in each case, under the orders of the Local Government by whom the officer was transferred. In all cases in which the new rates have not been so applied, and in which the officers' salary may not, under existing rules, be increased without the sanction of the British Government, such sanction will, in future, be subject to the condition that the increase shall not be liable to contribution, and shall not be reckoned for any purpose of leave allowance or pension.

(b) Previous to the 7th of January 1889, the rates of contribution were determined by the following rules —

From every officer transferred to Foreign Service who does not wholly resign the service of the British Government or who is not for recorded special and public reasons exempted from the operation of this rule, a contribution is levied as follows —

(A) In the case of a member of the Indian Civil Service—at the rate of  $16\frac{2}{3}$  per cent. (one sixth) on the gross salary which he receives from his foreign employers.

(B) In the case of any other officer—at the rate of  $14\frac{2}{3}$  per cent. (one seventh) on the gross salary which he receives from his foreign employers, provided always that contribution from a Civil officer other than a member of the Indian Civil Service or a Civil Engineer shall in no case exceed Rs 166½ a month, and from a Civil Engineer Rs 233½ a month.

### Foreign Service out of India

757 (a) Officers transferred to Foreign Service out of India contribute for pension only. Such contributions are regulated by the provisions of Articles 754 and 755. The rate leviable in the case of officers of the special services mentioned in Article 753 (iii)(b) is one sixth of their assumed pay, which represents the proportionate share on account of pension only of the one fourth prescribed in Article 755 (a) (i) for both leave and pension.

(b) Foreign Service out of India does not count as service for leave under Indian rules, and the lent officers will be subject to the rules as to leave and leave allowances laid down by the foreign employers, or to such arrangements as may be made on their behalf by the Government of India or by the Secretary of State in Council. They should make themselves

acquainted with such rules or arrangements in regard to leave before accepting foreign employment

NOTE 1 —[Members of the Indian Civil Service on Foreign Service out of India must continue to pay annuity deductions on their assumed pay, as prescribed in Note 1, Article 79.]

NOTE 2 —[In the case of a Military officer the contribution covers the liability of Indian Revenues for temporary half pay or half pay pension in any case of an officer losing his health during Foreign Service out of India before becoming entitled to ordinary so called full pay pension.]

NOTE 3 —[See note under Article 77 (c).]

### Foreign Service during Leave

757A An officer on furlough is not permitted to accept employment in Foreign Service except with the previous sanction of the Secretary of State or the Government of India according as his furlough is taken out of or in India

758 (a) An officer lent for other than Imperial purposes either to His Majesty's Government in England, or to a British Colony or to a Foreign State or Municipality, makes a contribution to the Indian Exchequer in accordance with the rules in this Chapter

(b) But if an officer while absent on Furlough is permitted to take employment of purpose of t from Indian revenues in addition to any allowance which may be assigned to him for the employment, in this case the contribution is not required for the period of the officer's employment as above, but will be payable from the date of the expiry of the Furlough should the officer continue in it. Service under His Majesty's Government in England or under any Colonial or Foreign Government outside of India will in this case be held to begin from the date of the expiry of the Furlough

NOTE — [The sanction of the Government of India is required to the transfer of an officer to any service of the description mentioned in this Article.]

759 No officer employed as above on any duty unconnected with India shall, except as provided in Articles 758 and 760, receive any allowances from Indian revenues while so employed

760 If an officer is, when transferred, entitled to Privilege leave and obtains it with the avowed intention of taking employment under the Egyptian Government he may draw his Privilege leave allowances from Indian revenues in addition to any allowance from the Egyptian Government without being required during the period of leave to contribute for pension in respect of employment in Egypt. The right to receive Privilege leave allowance is, however, contingent on his return to duty under the Indian Government on the expiry of the leave. If therefore, he continues in the service of the Egyptian Government after the end of seven days from the date of

expiry of his leave, the leave will be considered as cancelled, and the officer's Foreign Service will be held to have begun on the date from which he availed himself of his Privilege leave

### Temporary Transfers

761 (a) No contribution is levied from an officer transferred to Foreign Service in India for a special temporary duty not lasting more than six months. Provided that exemption can only be claimed under this Article if it is specially provided for from the beginning as part of the terms of the arrangement under which the transfer is made

NOTE —[In determining whether contributions are payable or not the point to be considered is the duration of the appointment or duty to which the officer is transferred, and not the duration of the particular officer's employment in the appointment or on the special duty]

(b) In these cases the rule in Article 753 (iii) as to ten years' qualifying service need not be applied, and the officer cannot, for the purposes of leave allowance and pension, count for the time passed in such service higher salary than he had when he was transferred to it

1 In arranging for the transfer of an officer's services under this Article it should always be stipulated that in the event of the transfer exceeding the limit of six months, the prescribed contribution must be paid for the whole period of transfer

NOTE —[The Local Government may by a general or special order delegate its powers to sanction transfers for temporary duty not lasting more than six months to any officer not below the rank of Political Agent]

762 The Local Government may remit the contribution for any period during which an officer on Foreign Service is temporarily employed under the British Government on duties additional to, or distinct from, his duties on Foreign Service

### Exemptions from Contribution

763 The following officers are exempted from contribution under the above rules, and their leave allowances and pensions are calculated according to the rules applied to Government service —

- (a) Subordinates in the Revenue Survey temporarily lent to Municipalities for duty, which, though paid for by them also promotes Imperial interests
- (b) The Chairman and Deputy Chairman of the Corporation of Calcutta  
The President of the Municipal Corporation of Madras  
The Municipal Commissioner for the City of Bombay  
The President of the Rangoon Municipality  
The Chairman of the Cawnpore Municipality

NOTE —[The exemption of these officers from the operation of the rules in this Chapter does not in the case of members of the Indian Civil Service, relieve them of the liability imposed under Article 556 (b)]

- (c) Officers lent to the Nair Brigade of the Travancore State. The Travancore State pays a portion of the Furlough allowances of officers attached to the Brigade
- (d) Officers lent to the Travancore State to fill the office of Durbar Physician or any offices held by officers of the British Government on the 29th January 1873

## Section II.—Conditions of Foreign Service of the second kind

764 Appointments to this class of Foreign Service require the sanction of the Local Government which controls the expenditure, and the transfer of officers from qualifying service is regulated by Article 753 If the service is paid from the revenues of a Native State, the sanction of the Government of India in the Foreign Department is required to the grant of allowances in excess of the amount admissible under clause (iv) of Article 753, but when an appointment of a permanent character has been sanctioned under proper authority, the separate sanction of the Government of India is not required in the case of each officer who may from time to time be appointed to it

765 The service must be strictly connected with the management or control of the Government and appointments existing apart from that management and control can be made only under the conditions of Foreign Service of the first kind If it is necessary, after Government has relinquished control, to continue the services of the Government officer, he comes under the rules applicable to Foreign Service of the first kind

this Chapter

### Acting Appointments

766 The salary of an officer appointed to act for an officer on Foreign Service of the second kind is calculated according to the rules in Part II.

*Example*—A B, an officer subject to the European Service Leave Rules receiving a pay of Rs. 500 from the British Government officiates in an appointment in Foreign Service, the pay of which is Rs 1 000 A B's salary is—

Pay	Rs.
Act ng allowance (½ 1 000—500)	500
	333½
Salary	833½

The charge to the Foreign Service would be Rs. 833½ + ½ of Rs. 833½ or Rs. 1 041½

### Contribution required

767 Whenever an officer is transferred by competent authority from qualifying service to Foreign Service of the second kind, arrangements should be made not only to pay him the sanctioned salary of the office, but also to recover from the funds of the Foreign Service or Trust, the prescribed contribution for his pension and leave allowances

768 For every officer transferred in the manner specified in Article 764, who is not, for recorded special and public reasons, exempted wholly or in part from the operation of the rules in this Chapter, contribution should be levied as follows —

(a) In the case of an officer subject to the European Service Leave Rules, one fourth of his actual sanctioned salary

(b) In the case of an officer subject to the Indian Service Leave Rules, one fifth of his actual sanctioned salary if he is a gazetted officer, and one sixth of his actual sanctioned salary if he is not gazetted

That is, if the officer's sanctioned salary is Rs 1,000, the foreign funds must pay him Rs 1 250, or Rs 1,200, or Rs 1,166 $\frac{2}{3}$ , as the case may be, he will retain Rs 1,000 and pay the rest to Government as contribution

Provided that, in the case of an officer whose pension is subject to the maximum of Rs 5,000 a year, the contribution shall not be calculated on a higher salary than Rs 1,500 a month in the case of officers subject to the European Service and Rs 1,250 a month in the case of those subject to the Indian Service Leave Rules

This rule does not entitle an officer to include "acting allowances" in "emoluments" for the purpose of the calculation of pension

NOTE 1 —[In the case of officers transferred to Foreign Service before the 1st September 1896 the maximum salaries on which contribution is calculated are Rs 1,250 and Rs 1 000 respectively for officers subject to the European and the Indian Service Leave Rules]

NOTE 2 —[For a member of the Indian Civil Service a sanctioned salary of Rs 1 000 in Foreign Service is the equivalent of a sanctioned salary of Rs 1 041 $\frac{1}{2}$  in Government service, as the latter is subject to 4 per cent. deduction while the former is not. The Civil Fund deductions will be calculated at a percentage on the Rs 1 000]

NOTE 3 —[The provisions of Article 756 (a) apply to Foreign Service of the second kind]

(c) From inferior servants the contribution required is one anna in the rupee for pension only. The Government of India pay no leave allowances to such servants

769. No contribution is required from Political Officers employed in offices held by British officers in the Kolhapur State on the 18th August 1875

### Section III —Rules for payment of Contributions.

770 If the salary of an officer is paid under the orders of the Accountant General at a British Government Treasury, the required contribution.

is deducted at the time of payment. In all other cases the officer himself must pay the amount directly to the British Government in the manner prescribed in the following rules. The Government will not ordinarily enter into any direct arrangements with the foreign employers of its officers or make any direct demands upon them.

**NOTE.**—[The contributions of officers lent to Mysore and Kashmir are paid by the States through the Comptroller, Mysore and Accountant General Punjab and not by the officers themselves.]

### Rules of Procedure

- (i) Officers lent to His Majesty's Government or to British Colonies, Protectorates, etc. In such cases, if the loan is to the War Office, a share of the pension ultimately granted to the officer is paid by the War Office under separate arrangements but if it is to a British Colony or Protectorate pension contribution is paid during the period of the loan by the employing Government either to the Government of India or to the India Office. When, however, an officer is allowed to take up duties under the War Office he may in certain circumstances be required to pay a pension contribution in respect of the period of the loan.

(5th Edition No 330 dated the 23rd October 1913)

**NOTE.**—[The contributions for pension from Military officers lent from India for Foreign Service out of India (see Article 57) will be realised by the Comptroller India Treasuries in the manner laid down in these Regulations.]

773 The officer transferred must, immediately he is relieved of his duty under the British Government report to the Account Officer (Article 772), the time and date on which he made over charge and furnish particulars regarding his salary in Foreign Service and his postal address. He should also report the date on which he takes and that on which he relinquishes, charge of his appointment in Foreign Service. Any change in these particulars and any leave taken by him should also be reported to the Account Officer, and he must furnish all information which may at any time be required from him by the Account Officer.

### Date from and to which Contribution is payable

774 (a) The salary of an officer on Foreign Service must be borne by the foreign body to whose service he is transferred, and his contribution

to Government must commence from the date on which he is relieved from his duty under the British Government

(b) The salary to be paid by the foreign body and the contribution to Government will cease—

(i) In the case of an officer lent to a foreign employer in India from the date on which he is relieved from his duty under the foreign body

(ii) In the case of an officer lent to a foreign employer out of India, from the date on which he resumes charge of his appointment under the British Government

(c) The amount of joining time and of net salary to be paid during joining time are regulated by the rules in Chapter IX

#### Remittance required

775 The officer must not later than fifteen days after the end of the quarter for which salary in Foreign Service is earned remit direct to the Account Officer (Article 772) the amount payable by him on account of contribution in respect of his salary for the quarter the remittance to be advised in such form as the Account Officer may require. When the contribution falls into arrears the Account Officer should forward to the officer a copy of Article 776 with a request for payment.

776 If the officer fails to make a remittance within the said period of fifteen days or if the amount remitted is less than that properly payable interest at the rate of 4 pias a day per 100 rupees will be levied upon the amount due from the date of expiry of the fifteen days until the date of receipt of the remittance by the Account Officer. If any amount due is not paid up together with the interest for the time it has been overdue within twelve months of its accrual the Account Officer should inform the officer that in consequence of the default in payment his claim on the Government for pension and leave allowances has lapsed and should intimate to him the amount due up to the date of the communication. If the officer desires to have his claim revived he should pay the amount specified in the Account Officer's letter and submit a representation to the Local Government who will deal finally with it.

777 In the case of members of clerical establishments transferred to Foreign Service of the second kind the responsibility for payment of contributions and compliance with the rules rests with the officer entrusted by Government with the control of the Fund or administration of the Trust.

778 No officer has any right of property in contributions made by or for him or any claim upon Government in respect to such contributions except to receive such pension or absentee allowance as may become admissible to him in accordance with the rules of the service to which he belongs.

## Section IV.—General Conditions of Service

## As to Leave and Pension.

779. (a) In return for the contributions prescribed in Article 755 (a) (i), the Government accepts the charge for the officer's pension, and also that for his absentee allowances [except on Privilege leave, when it pays only assumed pay calculated on the basis of the pay he must be paid as if the officer were on duty], in the same manner and to the same extent as if he were in the regular service of Government, saving only that the calculation of pension or absentee allowance is based upon the pay upon which he contributes (see Article 754) and not upon the amount which he receives from his foreign employer

(b) In return for the contribution prescribed in Article 755 (a) (ii), the Government accepts the charge for the officer's pension, but not for his absentee allowances, of which it pays only its share according to the Rule of Proportions, calculated on assumed pay [Article 754 (b)]

780 In return for the contribution prescribed in clauses (a) and (b) of Article 768, the Government accepts the charge for the officer's pension and absentee allowances (except during Privilege leave when it pays only its share according to the Rule of Proportions and during which the contribution is paid as if the officer were on duty) in the same way as if he were in its own service

781 An officer who contributes for pension only must, during Privilege leave, pay his contribution as if he were on duty, and if, after return to his British appointment, he takes Privilege leave, a portion of which is earned by Foreign Service, he will receive from the General Revenues the Government share of his leave allowance, according to the Rule of Proportions, and must pay to the General Revenues the contribution required by Article 755 (a) (ii) for that portion of his Privilege leave which was earned by his Foreign Service

782. The pension and leave of an officer on Foreign Service, whether acting or permanent, are regulated by the rules which apply to officers of the

*Substitute the following for this Article :—*

782 A. An officer lent on Foreign Service conditions to a Native State will not be allowed to retire voluntarily from the British service on pension while remaining in that of the Native State.

NOTE.—[For the purpose of this Article retirement shall be deemed to have taken place when an officer (1) retires on medical certificate—Article 411, (2) retires on pension—Article 411, (3) in the service of a Native State, or (4) in the service of officers not coming under such special rules.

(5th Edition No 27, dated 1.10.10)

782B. When any officer lent on Foreign Service conditions leaves British service (*see Article 782A*), without, at the same time, retiring from the service of his foreign employer, the Audit Officer shall communicate to the foreign employer through the usual authorities a statement showing the date of retirement and the amount of pension drawn from the British Government with the view of enabling the foreign employer, if so inclined, to revise the existing terms of employment.

783. Subject to the regular rules, any saving arising from the absence of a permanent officer accrues to his employer, except when an officer is exempted from the payment of the contribution prescribed in Article 755 [*see Article 763, Exception (b)*], when the saving should be paid to the British Government.

### Pensions from Native States and other Foreign Bodies.

784. Except with the sanction of the Government of India, no officer belonging to the service of, or in receipt of a pension from the British Government, who is employed under a Native State or other foreign body, may accept a pension or gratuity from such State or foreign body.

### Uncovenanted Service Funds

785. In addition to the contribution prescribed in these rules, subscribers to the following pension funds pay to Government an additional premium of  $\frac{1}{4}$ th or  $\frac{1}{2}$ th of the premium paid to the Fund :—

(i) Bengal Uncovenanted Service Family Pension Fund—*one-fourth*

(ii) Bombay Uncovenanted Service Family Pension Fund.—

(1) Subscribers who joined the Fund on or before 12th

November 1900 . . . . . *one fourth.*

(2) Those who joined after that date . . . . . *one sixth.*

(iii) Bengal and Madras Service Family Pension Fund . . . . . *one sixth.*

NOTE 1.—[Subscribers to the Uncovenanted Service Family Pension Funds transferred to service under a local fund, which qualifies for pension payable from the local fund, must, while employed under the local fund, pay the additional premium prescribed in this Article.]

NOTE 2.—[The premium when due from subscribers to the Bengal Fund, is collected by the Directors of the Fund and adjusted in communication with the Comptroller, India Treasuries.]

### Lien on Government Appointment

786. Whenever an officer is transferred from qualifying service to Foreign Service, it must be arranged that he does not forfeit a lien upon or a right to return to a substantive office under the British Government. His *locum tenens* can hold the appointment only in subordination to such lien by the absentee, but, subject to this condition, the *locum tenens* may be appointed provisionally if the transfer is to duty of a permanent kind (Article 89) or substantively *pro tempore* if not.

787. An officer so transferred is, when he returns to British service, entitled to resume the position in which he left it, and he cannot return to acting service under the British Government without reverting also to his substantive British office, the *locum tenens* of this office thereupon falling back upon acting allowances. If he holds a progressive appointment, his Foreign Service does not count towards increments, but such service may, with the sanction of the Local Government, be allowed to count, if the officer is doing the same kind of work as that of his Government appointment and is acquiring experience likely to make his services more valuable when he returns to it.

788. No officer, while acting in any appointment under Government, or the pay of which is regulated by Government, is entitled to allowances on account of any foreign office. But there is no objection to his being permitted to retain a lien upon such an office or to the actual incumbent being appointed thereto during his absence, substantively *pro tempore*.

### Applications for Leave

789. Privilege leave may be granted by the foreign employer if reported by the Account Officer concerned to be admissible under rule.

790. Applications for any other description of leave should be made through the foreign employer to the Local Government under which the officer was serving before transfer to Foreign Service.

*Exception*—Subject to the usual report by the Audit Officer the authority competent to fill an appointment in the Court of Wards service to a non gazetted officer transferred to the unexpired period of his term of office. The leave under this Article does not exceed the grant is promptly sent and leave had the officer

does not apply and no report need be called for from the Audit Officer under Article 789 in cases in which the applicant contributes for pension only [see Article 755 (a) (ii)], and no claim arises against the British Government for a share of the absentee allowance

### Section V.—Special Cases.

792 An officer of the Education Department, who is transferred by the Local Government in the public interest to a non departmental College or School managed by a Board on which the Local Government is represented,

793. Officers employed in the Rajkumar College, Kathiawar, are allowed to contribute under these Regulations and those of them who avail themselves of this concession count service from the date on which they begin to pay the prescribed contribution. The pension and leave allowance due to officers in respect of their service in the College before the date on which they begin to contribute, will be charged to the source from which they received their pay, any adjustment necessary on account of service rendered before the date of contribution being made according to the Rule of Proportions

## Chapter XLI.—Foreign Service of the third kind.

794 In the case of Foreign Service of the third kind, the relations between Government and the officers employed in respect to their pensions and leave allowances are the same as if they were in ordinary Government service

### Contributions required

795 The cost of the service should be recovered from the person or body on whose account the service is rendered, the officers themselves not being responsible for the payment of contributions. The amount to be recovered should not vary with the actual expenditure of any month. It should be the sum of—

- (1) the gross sanctioned cost of the service, and
- (2) the amounts required according to Article 768 to provide for pensions and leave allowances, these amounts being calculated on the sanctioned rates of pay of the members of the establishment

The amount to be recovered will not be altered, because of the grant of Privilege leave to any member of the establishment, unless additional expense is caused by the appointment of an officiating officer, if additional

expense is so caused, the amount of it should be recovered in addition to the amount fixed as above, but without any provision for leave and pension contribution under (2)

If in any period the expenditure incurred, or to be incurred, should be considerably less than the sanctioned cost, the Local Government may reduce the amount of the recovery, the reduction being roughly proportionate to the difference

The omission of item (2) from the amount of the recovery will require the same special sanction as is required for the remission of contributions under Article 768

NOTE 1—[When a Political Agency is established at the charge of a Native State, the State must pay to the British Government in respect of the pension and absentee allowances of every member of the establishment whether gazetted or not, the contribution prescribed in Article 768]

NOTE 2—[The undermentioned officers are exempted from the payment of contribution under this Article — *the Assistant Commissioner, and the clerk in his office, the Assistant*

Local Funds ]

## Chapter XLII.—Service under Local Funds.

### Section I.—Pensions

796 Apart from any special provisions made under the following rules service paid for from a Local Fund does not qualify for pension

797 In the case of the Local Funds which up to 1st April 1908 were treated as Incorporated the Local Government may subject to any provisions of law applicable to the case, allow the Trustees Committee, or Managers to treat the service as qualifying, and may itself do so in the case of funds under its own direct administration

798 The same procedure should be observed in the calculation, grant and payment of pensions for service treated as qualifying under Article 797, as is prescribed for pensions payable from General Revenues, but the pensions must be paid from and charged against the Local Fund

NOTE—[See the notes under Article 80]

799 When part of the pensionable service of an officer qualifies for pension from the General Revenues and part from the Local Funds which up to 1st April 1908 were treated as Incorporated his pension is paid and charged according to the Rule of Proportions it is not admissible to disregard the pensionable Local Fund service, and award a pension only for the service paid from General Revenues. Provided that if under this rule less than one fourth of the pension would be payable from either source, no distribution shall be made, in such case the other source shall bear the whole charge

Teachers appointed to schools transferred to the management of Local Boards are entitled to pension from the General Revenues if the Local Government makes a part of its contribution to the school in the form of free pensions

805 If an officer, whose service is reckoned as pensionable under the provisions of Article 802, is transferred to the similarly pensionable establishment of another Local Fund, the transfer will not interrupt the continuity of service for pension. Transfers may also be made between such service under Local Funds and service in Government establishments

806 Article 786 does not apply to an officer transferred to service under a Local Fund under the conditions and limitations of Foreign Service of the second kind otherwise than as a merely temporary arrangement, but it does refer to transfers to service under a Local Fund under the conditions and limitations of Foreign Service of the first kind

### Post Office Annuities

807 With the permission of the Government, the Trustees, Committee or Managers of any Local Fund may purchase from the Post Office a pension or annuity for any of their servants for whom such pension or annuity is not otherwise admissible. Provided that such pension shall not exceed the amount which the servant might have obtained if his service had been paid from the General Revenues

NOTE 1.—[When a pension is payable partly by Government and partly by a Local Fund, the Local Fund concerned may pay the capitalised value (calculated according to Table A in Appendix No 10) of its share of the pension into the Government Treasury instead of purchasing an annuity from the Post Office]

NOTE 2.—[A District Board or Municipality may, with the previous sanction of the Commissioner of the Division (in Madras of the Local Government), grant a gratuity, as such, to any of its servants in lieu of the annuity purchasable under this Article, if the gratuity proposed is not large enough to purchase an annuity of Rs 2 a month or more]

### Local Fund Pension Funds

808 The Government does not guarantee the solvency of Funds formed by the subscriptions of Local Fund officers and established to provide pensions for the subscribers thereto

### Exceptional Cases

809 In the following cases service paid from Local Funds qualifies —

(a) Service paid from the Cotton Frauds Improvement Fund which qualified for pension payable from that Fund prior to its exhaustion

(b) Second writers and daroghas on Jail establishments in the Bombay Presidency formerly paid from a Jail Labour Fund

(c) Muharrirs attached to the Court of any Honorary Magistrate in the Central Provinces and paid from Municipal Funds

(d) Officers in the United Provinces transferred in connection with the introduction of the Local Self Government scheme before the 1st April 1885 to service under Local Committees constituted under Acts III and IV of 1878

### PART VII.

(e) Officers in Assam transferred after the 10th May 1882, and before the 12th May 1884, to service under Local or District Committees constituted by the Assam Local Rates Regulation (1879)

(f) Officers in the Punjab transferred before the 1st July 1886 to service under District Boards constituted under Act XX of 1883

(g) Service paid from the "Quetta Revenue Fund" before the 1st April 1883, from which date the charges previously paid from the Fund became charges on the General Revenues

## Section II.—Leave, Acting and Travelling Allowance Rules.

810 Service under the Local Funds which up to 1st April 1908 were treated as Incorporated may qualify for leave under Part III, but the allowance shall be paid from the Local Funds and General Revenues in the following proportions:—Provided that, if leave is taken wholly or partly from a Local Fund, the whole of the allowance shall be charged to the other source

811 Except in the case of employes of Local Funds which under legal enactment, or under rules framed under such enactment, have special rules regulating all or any of such matters, no leave, or allowances during leave, or acting allowances to an officer paid from a Local Fund, or from any other sources under the control of a Government officer, shall, without the express sanction of the Local Government, exceed what would be admissible under the rules which apply to an officer paid from General Revenues

812. The salary of an officer whose substantive office is paid from a Local Fund appointed to act in an office paid from the General Revenues is calculated as it would be if his substantive office also were paid from the General Revenues

813 Applications for leave are ordinarily made to the Managers of the Local Fund concerned, but when the officer contributes for pension and leave or pension only, Articles 789 to 791 should be complied with

814. The travelling allowance rules in Part XI do not apply to officers paid from a Local Fund or from any sources other than General Revenues under the control of any Government officer, but the travelling allowance paid to such officers shall not, without the express sanction of the Local Government, exceed what would be admissible to similar officers under Part XI

The general arrangement to be observed is that the Service Registers should be kept by the Audit Officer who audits the salaries, and that, when an officer passes from one audit circle to another, a record of his past service should be passed on from the Audit Officer whose circle he leaves to the Audit Officer to whose circle he is transferred.

(b) In the case of Chaplains the record is kept by the Comptroller, India Treasuries, for Chaplains of the Bengal establishment, and by the Accountants General of Bombay and Madras for those of the Bombay and Madras establishments.

817. Except in the case of runners, boatmen, and coolies in the Post Office Department and permanent subordinate non pensionable employes on State Railways, in all cases where Service Books are not kept, Service Rolls, such as those prescribed for the Police in Article 823, should be maintained

818 A Service Book is supplied at his own cost, to every officer on his first appointment. It is kept in the custody of the head of the office in which he is serving, and transferred with him from office to office. It may be given up to the officer if he resigns or is discharged without fault, an entry being first made therein to this effect

819 It is the duty of every officer to see that his Service Book is properly kept up, and that all erasures in it are properly attested. If the book is not carefully kept up, difficulties may arise as to verification of service, when the officer applies for pension

820 Personal certificates of character should not, unless the Local Government so directs, be entered in column (13), but if an officer is reduced to a lower substantive appointment, the cause of the reduction should always be briefly stated thus—"Reduced for inefficiency," "Reduced owing to revision of establishment," etc

821 Every period of suspension from employment, and every other interruption in service, should be noted, with full details of its duration, by an entry written across the page, and attested by the head of the office or other attesting officer

1 The head of the office should take efficient measures to see that these entries are made with regularity. The duty should not be left to the non gazetted officer concerned

822 (a) If the officer is transferred to Foreign Service, the head of the office or department should send his Service Book to the Accountant General, who will return it after noting therein, under his signature, the orders of Government sanctioning the transfer, the effect of the transfer in regard to leave admissible during Foreign Service, and any other particulars which the Accountant General may consider to be necessary in connection with the transfer. On the officer's re transfer to the British Service, his Service Book should again be sent to the Accountant General who will then note therein, under his signature, all necessary particulars connected with the officer's Foreign Service

1 No entries made in the Service Book of an officer on Foreign Service of the first kind can be attested by any officer except the Accountant General

2 Rule 1 does not apply in the case of Public Works and Railway Subordinates (*vide rule 2 under Article 815*)

(b) In cases in which the salaries are audited by an Accountant General this Article does not apply to Foreign Service of the second and third kinds

### Section III.—Non Gazetted Police Service

823 In the case of Police officers whose pay does not exceed Rs 20, there shall be kept up for each district by the District Superintendent of Police a Service Roll in English, in which shall be recorded the date of the

enrolment of each man in the Constabulary, his caste tribe, village, age, height, and marks of identification when enrolled, his rank, promotion, reduction or other punishment, his absences from duty, on leave or without leave, the interruptions in his service, and every other incident in his service which may involve forfeiture of portions of his service, or affect the amount of his pension. The roll shall be checked by the Vernacular Roll and Order Book and the Punishment Register, and every entry in it shall be signed by the District Superintendent of Police.

824 From this Roll the necessary statement of service of every applicant for pension shall be prepared, additional proofs being collected, as prescribed in Article 908, in respect of any service rendered before enrolment in the Constabulary which the applicant may be entitled to count.

826 An officer applying for Privilege leave must, except when the leave is combined with other leave under Article 233, record a declaration that he has no intention of retiring or of taking long leave of any kind, for three months after his return to duty. the statement of his case at the seat of the Government under which he is serving, or at such other place as may be appointed by that Government, where a Committee of Medical officers can be assembled under the orders of the Administrative Medical Officer of the Province, and when practicable, presided over by him. From this Committee the officer should obtain a certificate as follows —

We do hereby certify that according to the best of our professional judgment, after careful personal examination of the case, we consider the health of *C D* to be such as to render leave of absence for a period of (*x*) months absolutely necessary for his recovery

830 Before deciding whether to grant or refuse the certificate the Committee may, in a doubtful case detain the applicant under professional observation during a period not exceeding fourteen days (*See Article 325*)

831 If the state of the applicant's health be certified by a Medical officer, Commissioned or in charge of a Civil Station, to be such as to make it inconvenient for him to repair to the seat of the Government under which he is serving, or to any other place, the authority by whom the leave is granted may accept either,

The grant in Article 829 of the option of undergoing medical examination at the seat of the Government under which he is serving, or at any other place, does not confer on the applicant a right to proceed on leave without the sanction of the Government to which he is subordinate

862 Leave allowances are payable in India after the end of each calendar month, but an officer on leave out of India may at his option take payment at the Home Treasury from the date of quitting India or in the case of an officer who has quitted India during the privilege leave portion of combined leave under Article 239 from the date of commencement of such privilege leave or if he proceeds to a Colony named in Appendix 15, he can take payment in such Colony. Any balance of leave allowances undrawn at the time that an officer returns to duty in India should be drawn there in rupees.

An officer having elected the country in which he desires to draw his leave allowances is permitted to change only once during any one period of leave.

(5th Edition, No 47, dated 1.11.10)

863 Except in the Public Works Railway and Telegraph Departments, a gazetted officer on leave in India may draw his allowance at any treasury in India. An officer on leave out of India may draw his allowance in India either at his own head quarters or at the chief town of the Province, or capital town of the Presidency in which he is employed.

NOTE 1—[For the purposes of this Article Bombay may be treated as their chief town in the case of officers serving in Rajputana and Central India.]

NOTE 2—[For the purposes of this Article Myooks in Burma are treated as gazetted officers.]

864 If a gazetted officer signs his bill himself, he must either appear in person at the place of payment or furnish a life certificate signed by a responsible officer of Government, or some other well known and trustworthy person. If he draws his allowances through an authorised agent the agent whether he has or has not a power of attorney, must either furnish a life certificate as aforesaid, or execute a bond to refund over payments. A life certificate may be given periodically, a bond being given to cover intermediate payments not supported by the life certificate.

NOTE—[The proper stamp duty upon bonds executed under this Article is that chargeable upon Indemnity Bonds according to the First Schedule of the Indian Stamp Act II of 1859.]

865 The leave allowances of a non gazetted officer on leave in India can be drawn only at the treasury where his salary is paid, and under the signature of the head of his office who is responsible for any overcharges no other security is required.

866 The payment of the leave allowances of officers and subordinates of the Public Works and Railway Departments and of officers of the Telegraph Department during leave in India is regulated by special departmental rules.

### Payment out of India

867 An officer proceeding on leave out of India cannot draw his leave allowance at the Home or any Colonial treasury unless he is provided with a last-pay certificate or warrant in accordance with the rules laid down in Chapter XXI.

868. When payment is made at the Home treasury or in a Colony where the standard of currency is gold, rupees are converted into sterling at the rate of exchange fixed for the time being, for the adjustment of financial transactions between the Imperial and the Indian treasuries, subject to the condition that conversion into sterling shall, for the present, be effected at the minimum rate for 1s 4d to the rupee for Privilege Leave, and at 1s 6d to the rupee for Leave other than Privilege Leave. Any payments made at a different rate or otherwise erroneously, should be adjusted in subsequent payments.

*Exception*—The officers whose names are mentioned in Appendix 16, have been specially authorised by the Secretary of State to receive leave allowances, while on leave out of India at the rate of exchange of 2 shillings to the rupee.

1. If in any covenant or contract dated before the 23rd day of November 1871, with any officer for service in India, it is provided that, in payments to be made under, or in pursuance of, the contract, a pound sterling shall be considered an equivalent or equal to, and calculated after the rate of ten rupees, any leave allowance which the officer is, under his covenant or contract, entitled to receive in England, shall be converted into sterling at that rate. But if, in such contract, no provision is made for the payment of any allowances during leave, the aforesaid rate of exchange will not apply to any leave allowances.

*NOTE*—[When leave allowances are converted into sterling at 1s 6d to the rupee, each fraction of less than one third of a rupee is treated as a complete third (= 6d) each fraction of more than one third and less than two thirds, as two-thirds and each fraction of more than two thirds as a whole rupee.]

869. The leave allowances of all officers are issued at the Home treasury monthly in arrear on the first day of each calendar month.

They are made up to the following quarterly dates, 31st March, 30th June, 30th September and 31st December, and they are paid in monthly instalments, the first two instalments in each quarter being the net amounts accrued, omitting shillings and pence, and the third instalment being the balance due for the quarter.

Payment is made—

- (i) to the officer on his personal application, or
- (ii) to his banker or other agent, duly authorised under power of attorney, on production of a life certificate, filled up and executed in the manner directed thereon (except in cases where proof of existence is not required owing to the banker having guaranteed the Secretary of State against loss consequent on his dispensing with the production of such proof) or
- (iii) on presentation of a draft, duly filled up and signed by the officer, in a form which, with the requisite form of life certificate attached, may be obtained from the India Office, on the officer's written application.

### Certificate of Leave

870 (a) Privilege leave allowances, when such leave is taken by itself, are not payable out of India, but in case an officer leaving India should afterwards want to combine his leave with other leave, he should take with him a certificate in Form 9

(b) This certificate should be furnished to those officers only who may apply for it, and the Audit Officer need make no enquiries as to the place in which an officer intends to spend his Privilege leave. A Military officer subject to the Military Leave Rules must himself obtain the certificate prescribed in Rule I of Article 871, and submit it to the Audit Officer with a view to the preparation of his Privilege leave certificate, should he require one.

NOTE.—[Duplicate of a Privilege leave certificate is not forwarded to the India Office.]

871 (a) An officer proceeding on Long Leave to Europe who does not intend to draw allowances from the Home treasury should take with him a Certificate of Leave in Form 10 from the Audit Officer in whose circle of audit his appointment is held. If he visits England this certificate is to be presented at the India Office.

1. A Military officer subject to the Military Leave Rules proceeding on Furlough cannot obtain the certificate in this Article until he submits to the Audit Officer a certificate in Form 1 by the Account Officer in charge of his record of pension service.

(b) If the officer afterwards desires to draw his leave allowances at the Home treasury or at some Colonial treasury, he must obtain a last pay certificate from the Audit Officer in whose circle of audit he was employed when he proceeded on leave.

872 An officer proceeding on Long Leave to a Colony in America or the West Indies must take with him a certificate in the form prescribed in the preceding Article. If he visits England or has some occasion to apply for an extension of leave the certificate should be presented at the India Office. If not previously presented, it must be forwarded to the India Office when permission to return to duty is applied for.

873 An officer proceeding on Extraordinary leave without allowances to Europe or to a Colony in America or the West Indies, must take with him a certificate of leave in Form 11 from the Audit Officer in whose circle of audit his appointment is held. If the officer visits England or has occasion to apply for an extension of leave, the certificate should be presented at the India Office. If not previously presented it must be forwarded to the India Office when permission to return to duty is applied for. The Audit Officer should when he issues this certificate send a duplicate to the India Office.

### Section I.—Last pay Certificates

producing a last pay certificate from the Accountant General of the Province to which he belongs

1 No demand certificates are not required by an officer going on leave

875 Last pay certificates (and warrants) cannot be issued to Military officers subject to the Military Leave Rules, until Article 860 has been complied with

876 Except in respect to Colonial Warrants (Articles 888 to 891), this Section does not apply to Public Works and Railway officers whose last pay certificates are issued under departmental rules

### Extensions and Commutations

### Leave out of India

880 When an officer proceeds out of India on leave with allowances, other than Privilege leave taken by itself, the Accountant General who audits his pay will, as soon as the leave is gazetted or otherwise notified send him a letter in Form 12 or 13 with enclosure in Form 14 or 15 as the case may be, requiring him to call at his office or give the necessary information

NOTE.—[An officer on combined leave under Article 273 who proceeds out of India during the privilege leave portion of such leave may, if he so desires, be paid to the date of giving up charge of his office only and may be granted a last pay certificate in view to the payment of his allowances at the Home Treasury from the commencement of his privilege leave.]

897. In column 11 in Forms 16 and 17, the Articles of these Regulations or of the Military Furlough Regulations under which the advance is made should be mentioned

### Amended Certificates.

898. (a) Every corrected last-pay certificate whether original or duplicate should be marked "Amended Certificate." If it becomes necessary to amend a last-pay certificate in Form 16, it should be done by the use of a short corrigendum worded so as to show only the particular item or items in which alterations have been made, this corrigendum should be forwarded by the Accounts Officer at the earliest possible date direct to the India Office

(b) The last-pay certificate is issued on the assumption of the correctness of the intended dates of making over charge and of leaving India. If these dates are changed, the required adjustment of allowances will be made when the officer returns to India, or, if necessary, sooner. No alteration may be made in the certificate as issued by the Accountant General unless there is time to send it to him for alteration

(c) In all cases of combined leave in which an officer elects to draw his privilege leave allowances at the Home Treasury an amended last-pay certificate should be sent to the India Office whenever the amount of Privilege Leave allowances entered in the original last pay certificate requires correction, unless the officer is known to have started on his return to India. If the amended last pay certificate arrives too late at the India Office, it will be returned to the issuing officer in India

### Source from which Absentee Allowance is payable.

899. In making entries against the heading "Source from which," etc., the term "Indian Revenues" should be used in all certificates intended to be sent to England, as the term "Imperial Revenues" has there a different signification. If the allowance is not chargeable finally to the Government of India, the Local Administration or Fund from which it is recoverable must be expressly stated

900. When leave allowances are chargeable according to the Rule of Proportions, the following is the service to be thus taken into account —

(a) *Privilege Leave, under Articles 246 to 278:—*

Privilege leave, duty without interruption for a period eleven times as long as the Privilege leave

(b) *Long Leave, European Services, under Chapter XIII —*

Furlough on Medical certificate (Articles 303 to 311), the whole continuous service.

Furlough without medical certificate, including extensions (Articles 203 and 309) the whole continuous active service

Special leave, active service for six years

Subsidiary leave, as for the leave to which it is subsidiary

(b) The last pay certificate is issued on the assumption of the correctness of the intended dates of making over charge and of leaving India. If these dates are changed, the required adjustment of allowances will be made when the officer returns to India or, if necessary, sooner. No alteration may be made in the certificate as issued by the Accountant General unless there is time to send it to him for alteration

(c) In all cases of combined leave in which an officer elects to draw his privilege leave allowances at the Home Treasury an amended last pay certificate should be sent to the India Office whenever the amount of Privilege Leave allowances entered in the original last pay certificate requires correction, unless the officer is known to have started on his return to India. If the amended last pay certificate arrives too late at the India Office, it will be returned to the issuing officer in India

899 In making entries against the heading "Source from which" etc., the term "Indian Revenues" should be used in all certificates intended to be sent to England, as the term "Imperial Revenues" has there a different signification. If the allowance is not chargeable finally to the Government of India, the Local Administration or Fund from which it is recoverable must be expressly stated

900 When leave allowances are chargeable according to the Rule of Proportions, the following is the service to be thus taken into account —

(a) *Privilege Leave, under Articles 246 to 278 —*

Privilege leave, duty without interruption for a period eleven times as long as the Privilege leave

(b) *Long Leave, European Services, under Chapter XIII —*

Furlough on Medical certificate (Articles 303 to 311), the whole continuous service

Furlough without medical certificate, including extensions (Articles 303 and 309) the whole continuous active service

Special leave active service for six years

Subsidiary leave as for the leave to which it is subsidiary

903. (a) The Secretary of State receives subscriptions on account of the different Civil Funds from subscribers absent from India on leave who draw their leave allowances in England, who either are required by the rules of their Fund to pay their subscriptions in that country during leave, or elect to do so. Particulars of the Fund deductions to be made from the absentee allowance of those on leave drawing their leave allowances in England should be noted on the last pay certificate, and where a subscriber elects to make payments of his subscriptions in India while on leave, or to postpone such payments until his return to India, the fact should also be noted on the last pay certificate. The rules under which the deductions are made, and the method by which they are calculated in the cases of the different Funds will be found in Articles 557 to 560.

(b) The deductions to which the allowances of a member of the Indian Civil Service are subject while he is on leave on account of his annuity should invariably be stated in his last pay certificate. (See Article 556.)

#### Chaplains.

904. A certificate in Form 30 should be attached to the last pay certificate of a Chaplain proceeding on leave to Europe.

897 In column II in Forms 16 and 17, the Articles of these Regulations or of the Military Furlough Regulations under which the advance is made should be mentioned

### Amended Certificates

898 (a) Every corrected last pay certificate whether original or duplicate should be marked "Amended Certificate" If it becomes necessary to amend a last pay certificate in Form 16, it should be done by the use of a short corrigendum worded so as to show only the particular item or items in which alterations have been made, this corrigendum should be forwarded by the Accounts Officer at the earliest possible date direct to the India Office

(b) The last pay certificate is issued on the assumption of the correctness of the intended dates of making over charge and of leaving India If these dates are changed, the required adjustment of allowances will be made when the officer returns to India, or, if necessary, sooner No alteration may be made in the certificate as issued by the Accountant General unless there is time to send it to him for alteration

(c) In all cases of combined leave in which an officer elects to draw his privilege leave allowances at the Home Treasury an amended last pay certificate should be sent to the India Office whenever the amount of Privilege Leave allowances entered in the original last pay certificate requires correction, unless the officer is known to have started on his return to India If the amended last pay certificate arrives too late at the India Office, it will be returned to the issuing officer in India

PART A — PROCEDURE RELATING TO PENSIONS

Chapter XLVII.—Applications for and Grant of Pensions.

Section I.—Applications

No 268

Page 253. Article 907.

*Insert the following as an Exception to the clause (a) (2) of this Article.—*

*Exception.—Ords of acting grade promotions may be omitted in the case of clerks employed in Account Offices who draw fixed rates of pay.*  
(5th Edition, No 268 dated 2-8-12.)

907 (a) An applicant for pension

Article 907.

*In the last line of item 2 in clause (a) of this Article for the words 'pay and acting allowance drawn in each' substitute 'pay drawn in each substantive appointment'; and delete the Exception to this clause inserted by correction slip No 268, dated the 1st May 1912*

(5th Edition No 268 dated the 10th June 1914)

No. 333

Page 253, Article 907—

Substitute the following for clause (c) of this Article:—

(c) Th

*subsequently found by the Audit Committee to be inadmissible, it should be followed in all cases. It does not, however, justify the preparation of the formal application in Form 25 before the officer has actually retired*

(5th Edition, No 333 dated the 21st November 1913)

(b) The information thus received should then be forwarded to the Audit Officer concerned for comparison with his office records of the applicant's statements

(c) If there be any discrepancy, the Audit Officer will detail the nature of such discrepancy, for instance, that the post which the applicant states that he filled during a certain period is shown by the Audit Office registers to have been filled by another man

(d) If the service claimed cannot be wholly verified from the records of the Audit Offices, reference must be made to the head of the office in which the applicant states that he served during the period in doubt

(e) If it be found impossible to verify the service otherwise, the officer receiving the application should take the statement in writing of the applicant on plain paper [see *Indian Stamp Act, II of 1899, Schedule I, No 4 (c)*] and should also collect such collateral evidence as may be procurable, for instance, certificates, such as those given by an officer to a subordinate on his leaving an office, and the testimony of contemporary servants

NOTE 1 —[The power to admit service verified under this clause may be exercised by all subordinate authorities who are empowered to sanction pensions under the rules]

appointment such an order should only be issued on the sanction of the public service. I am therefore directed to draw attention to the subject and to request the issue of orders to all public officers warning them to be careful, in giving certificates to their subordinates to state the whole truth in respect of character and cause of dismissal or resignation of appointment —(Circular, Home Department, dated 15th June 1869)]

909 In the case of a gazetted officer, part of whose service has been rendered in non gazetted appointments, the ungazetted portion of his service should be similarly verified. The statement mentioned in Article 907 (a) may, however, be sent to the Audit Officer direct or through the head of the department

### Formal Application.

910 After completing the verification in the manner prescribed in the preceding Article, the authority receiving the statement of services of a non gazetted officer should draw up the application in Form 25, and arrange with it all the documents relied upon for verification of the service claimed, in such manner that they can be conveniently consulted, and then forward it, together with the officer's Service Book, through his official superiors to the Audit Officer. If an applicant for pension (not gratuity) is no longer in active service, a last pay certificate should be attached to the application, except when he retires from the service while on leave in England and desires to draw his pension in England

911 (a) The officer who submits the application should certify on the application whether the character, conduct, and past services of the applicant are such as to entitle him to the favourable consideration of the Government. If the application is for pension on the Superior scale, he must be careful to enter all periods of leave, suspension, etc., which are not reckoned as service

(b) He must also invariably record his own opinion whether the service claimed has been established, and should be admitted or not, more especially in those cases in which it becomes necessary to resort to the procedure prescribed by clause (e) of Article 908, when the exact nature of the investigation made, and the conclusion at which the authority has arrived, must be especially reported

(c) If the application is for an Invalid pension, and the applicant is less than sixty years old, the requisite medical certificate should be attached to the application. But if omission has been made in this respect, the authority having the power to sanction the pension may accept a certificate bearing a later date

912 In the case of an officer in superior service, who retires before he is 60 years of age, it should be stated in the column for "any other remarks" on the third page of the application for pension whether retirement is compulsory or optional and, when compulsory, the order sanctioning retirement should be quoted and cause of inefficiency specified

913 (a) A gazetted officer should submit his application through his official superiors and the Audit Officer to the Local Government

NOTE.—[For the purposes of this Article Myooks in Burma are treated as gazetted officers]

(b) The application of a gazetted officer of the classes mentioned in Articles 297 (c), (d), and (e), 654 and 678, whether appointed by the Secretary of State or not, should be prepared in Form 26. In the case of other gazetted officers the application should be prepared in Form 25 either by the officer himself or by the head of his department, and the rules in Article 910 apply save that it is not necessary, if all the service has been gazetted, to have the service formally verified before forwarding the application

### Submission to Government

914 (a) The last officer through whom the application passes should send it to the Audit Officer, who will (after verifying the service in the manner prescribed in Article 908 or satisfying himself that it has already been so verified) submit the application to the Local Government with a report upon the claim for pension and the rules applicable to the case

In the case of officers whose service has been partly gazetted and partly non gazetted, the verification statement prepared in the Audit office should be attached to the application on its submission to the Local Government

(b) The Audit Officer will also certify the correctness of the calculations of service and of pension, and retain the last pay certificate (Article 910) unless the pension is to be paid in another circle of audit, in which case he will forward the certificate to the Audit Officer of that circle, along with a copy of the order sanctioning the pension

1 If the case is plainly incorrect or incomplete the Audit Officer should return it for correction or explanation.

2 In the column of Form 25 reserved on the second page for the remarks of the Audit Officer or in his certificate and report on the third page of Form 26 he should note briefly his reasons for disallowing any service claimed and his explanation of any apparent discrepancies and the like

3 The Audit Officer should always call special attention to Article 470 in his report of the amount of pension admissible

### Premature Applications.

915 (a) The Government of India is ordinarily unwilling to pass orders on questions affecting the pension of an officer until he actually retires, because their premature discussion occupies valuable time almost always to no purpose and uselessly.

(b) Accordingly, no question about the pension of an officer who has not retired from the public service should be submitted either to the Local Government, or by the Local Government to the Government of India, unless there are special reasons (which should always be set forth) for a departure from the general rule. The mere desire of an officer for a decision upon some doubtful abstract questions affecting his prospects does not justify public correspondence on his behalf. But this rule should not be read as prohibiting the consideration until an officer retires or is about to retire of a proposal to condone a break in his service.

916 Except under orders from the Government of India or the Local Government an Audit Officer should, as a rule decline to advise upon any questions connected with the claim of an officer to pension until he retires or is about to retire. Memorials which relate to such questions addressed prematurely to the Secretary of State are uniformly returned.

917 Articles 915 and 916 do not prohibit the submission of a preliminary application for pension [see Article 907 (b)] on behalf of an officer intending to retire immediately, while he is still in employ.

### Section II—Powers of Sanction

918 A pension which is certified by the responsible Audit Officer to be clearly and strictly admissible under rule may be sanctioned,

(a) in any case, by the Local Government,

(b) in the case of non gazetted officers, by the officer who has the authority to fill the appointment vacated by the retiring officer.

919 to 920—*Cancelled*

921—*(See Appendix I, Part II, Entry 40)*

922 Should the amount granted to an officer be afterwards found to be in excess of that to which he is entitled under the Regulations, he will be called upon to refund such excess.

923. (a) If any interpretation of the rules is involved, or if any indulgence not provided for by the rules is proposed, the Local Government should submit the case, with its opinion and recommendation, to the Government of India in the Administrative Department concerned.

NOTE—[In respect to such recommendations, see orders printed as Appendix 9.]

(b) Until the orders of the Government of India are received, a recommendation for any special indulgence should never be communicated, directly or indirectly to the officer concerned.

(c) The Government of Madras and Bombay should, upon questions of pension, communicate with the Secretary of State, through the Government of India

(d) An application in Form 25 or 22, as the case may be, should accompany every special recommendation made under this Article

924 (a) Pensions in excess of the amounts admissible under these Regulations, or involving any relaxation of rule, require the sanction of the Secretary of State

NOTE.—[See Note under clause (a) of the preceding Article]

(b) The Government of India have, however, been authorised to grant pensions up to a limit of Rs 10 a month or gratuities not exceeding the equivalent value of that amount, without reference to the Secretary of State, in any case, even where no pension or gratuity is admissible under rule, provided that the general spirit of the Regulations is observed

(c) When special circumstances appear to justify a departure from the rules laid down regarding "ordinary pensions" to Civil officers, it is generally desirable that the allowance granted should be an arbitrarily fixed sum, rather than any exact proportion of the amount to which it might be supposed that the rules afford a claim

### Section III.—Anticipatory Pensions

925 (a) When an officer whose pension is payable in India retires before the necessary enquiries preliminary to the settlement of the amount of his pension can be completed the Audit Officer may, upon a declaration, as follows, by the officer, sanction the immediate disbursement of the pension to which, after the most careful summary investigation that he can make without delay, he believes the officer likely to be entitled

provisional pension now to be paid to me exceeds the pension to which I may be eventually found entitled. I further promise to repay any amount advanced to me in excess of the pension to which I may be eventually found entitled

(b) If the Audit Officer thinks it likely that the officer would be found entitled to a gratuity only, one sixth of the amount of such probable gratuity may, upon a similar declaration, be disbursed to him monthly until the amount is finally settled

(c) The settlement of such provisional payments should be made so as to admit of their disbursement not later than one month after the officer has ceased to hold his post

(d) When the sanction under this Article is given by an Audit Officer other than the Accountant-General, he shall send a copy of his order to the Accountant General, for the issue of the requisite orders for disbursement from the treasury concerned

### Premature Applications

915 (a) The Government of India is ordinarily unwilling to pass orders on questions affecting the pension of an officer until he actually retires because their premature discussion occupies valuable time almost always to no purpose and uselessly

(b) Accordingly no question about the pension of an officer who has not retired from the public service should be submitted either to the Local Government or by the Local Government to the Government of India, unless there are special reasons (which should always be set forth) for a departure from the general rule. The mere desire of an officer for a decision upon some doubtful abstract questions affecting his prospects does not justify public correspondence on his behalf. But this rule should not be read as prohibiting the consideration until an officer retires or is about to retire of a proposal to condone a break in his service

916 Except under orders from the Government of India or the Local Government an Audit Officer should as a rule decline to advise upon any questions connected with the claim of an officer to pension until he retires or is about to retire. Memorials which relate to such questions addressed prematurely to the Secretary of State are uniformly returned

917 Articles 915 and 916 do not prohibit the submission of a preliminary application for pension [see Article 907 (b)] on behalf of an officer intending to retire immediately while he is still in employ

### Section II—Powers of Sanction

918 A pension which is certified by the responsible Audit Officer to be clearly and strictly admissible under rule may be sanctioned

(a) in any case by the Local Government

(b) in the case of non gazetted officers by the officer who has the authority to fill the appointment vacated by the retiring officer

919 to 920—*Cancelled*

921—(See Appendix I Part II Entry 40)

922 Should the amount granted to an officer be afterwards found to be in excess of that to which he is entitled under the Regulations, he will be called upon to refund such excess

923 (a) If any interpretation of the rules is involved or if any indulgence not provided for by the rules is proposed the Local Government should submit the case with its opinion and recommendation to the Government of India in the Administrative Department concerned

NOTE—[In respect to special recommendations see orders printed as Appendix 9]

(b) Until the orders of the Government of India are received a recommendation for any special indulgence should never be communicated, directly or indirectly to the officer concerned

tive is to prevent unnecessary delay in the submission of applications. The rule may be relaxed, in this particular, by the authority sanctioning the pension when the delay is sufficiently explained

1 The pension of an officer who under Article 436 has received a gratuity in lieu of notice, is not payable for the period in respect of which the gratuity is paid.

931 The preceding Article applies to ordinary, not to special, cases. If, under special circumstances a pension is granted long after an officer has retired, retrospective effect should not be given to it without the special orders of the Government which granted it, in the absence of special orders such a pension takes effect only from the date of sanction

932 In cases where considerable delay has occurred in making application for a Wound or Injury pension, it will be granted only from the date of the report by the Medical Board, and no application for a gratuity or pension will be entertained unless submitted within five years of the date of the wound or injury

933 When a pension is stated in Rupees it is payable at any treasury in India, or, at the pensioner's option, at the Home treasury

934 Pensions granted in rupees which are drawn at or through the Home treasury are converted into sterling at the rate of exchange from time to time fixed for the adjustment of transactions between the British and Indian Governments subject to the condition that in the case of persons resident in any country in which the Indian Government rupee is not legal tender, 1s 9d the rupee is fixed as the minimum rate at which the conversion into sterling shall be effected. The same rate of exchange applies to the issue of gratuities to persons residing in any country in which the rupee is not legal tender, but when the service of an officer to whom a gratuity is granted terminates in India, the gratuity should be paid in India

NOTE 1—[Ordinarily a pensioner who has been residing in India or other country in which the Indian Government rupee is legal tender and who proceeds to a country in which the rupee is not legal tender is entitled to draw his pension from or through the Home treasury at the minimum rate of 1s 9d the rupee from the date only when he quitted the former

NOTE 3—[In the event of a case arising which appears not to be covered by the foregoing rules, reference must be made to the Secretary of State]

935 The rule in Article 934 applies to an officer under covenant who is entitled by his covenant to pension, the covenanted rate of exchange for his pay and allowances does not, unless it is expressly so stated, apply to his pension

926 When an officer whose pension is payable in England retires before the necessary enquiries preliminary to the settlement of the amount of his pension can be completed, the Audit Officer, if he sees reason to believe that there will be delay before the pension can be finally sanctioned, should after the most careful summary investigation that he can make without delay, report to the authority who will sanction the pension, the minimum amount to which he believes the officer to be entitled. This report should be forwarded at once to the India Office by the Local Government by which the pension will in due course be sanctioned. The India Office will then, on receiving from the officer a declaration similar to that in Article 925, at discretion, sanction the immediate disbursement of the amount of pension reported to be the minimum likely to be admissible, or such smaller amount as may be deemed proper. The final pension certificate in due form should follow the provisional certificate with the least possible delay.

927 (a) If, upon the completion of the regular investigation, it be found that the pension thus summarily assigned differs from the pension finally settled, the difference must be adjusted in the first subsequent payments.

(b) Provided that if a gratuity summarily assigned under Article 925 proves to be larger than the amount found actually due upon completion of the enquiries, the officer shall not be required to refund any excess actually paid to him, except as provided in Chapter XXI.

928 (a) To enable the Audit Officer to exercise the jurisdiction thus entrusted to him, the head of the office or department from which the officer is removed should furnish to the Audit Officer, as soon as possible, after it becomes known to him that the officer must retire, and without waiting for his actual retirement, the fullest information that can be obtained regarding the officer's service, without correspondence which must cause delay.

(b) This information is to be furnished in anticipation of the regular investigation required by Article 908 or 909 which also should on no account be delayed until the officer has actually retired.

929 All officers should bear in mind that delay in the payment of pensions may involve peculiar hardship and everything should be done to prevent, or shorten to the utmost such delays.

## Chapter XLVIII.—Payment of Pensions.

---

### Section I.—General Rules

930 Apart from special orders, a pension, other than a Wound or Extraordinary pension under Part VI, is payable from the date on which the pension ceased to be borne on the establishment, or from the date of his application, whichever is later. The object of this latter alterna-

tive is to prevent unnecessary delay in the submission of applications. The rule may be relaxed, in this particular, by the authority sanctioning the pension when the delay is sufficiently explained.

1 The pension of an officer who under Article 436 has received a gratuity is not payable for the period in respect of which the gratuity is paid.

931 The preceding Article applies to ordinary, not to special, cases. If, under special circumstances a pension is granted long after an officer has retired, retrospective effect should not be given to it without the special orders of the Government which granted it in the absence of special orders such a pension takes effect only from the date of sanction.

932 In cases where considerable delay has occurred in making application for a Wound or Injury pension it will be granted only from the date of the report by the Medical Board and no application for a gratuity or pension will be entertained unless submitted within five years of the date of the wound or injury.

933 When a pension is stated in Rupees it is payable at any treasury in India or at the pensioner's option at the Home treasury.

drawn at or through the Home exchange from time to time between the British and Indian Governments subject to the condition that in the case of persons resident in any country in which the Indian Government rupee is not legal tender, the rupee is fixed as the minimum rate at which the conversion into sterling shall be effected. The same rate of exchange applies to the issue of gratuities to persons residing in any country in which the rupee is not legal tender, but when the service of an officer to whom a gratuity is granted terminates in India, the gratuity should be paid in India.

commencement ]

NOTE 3—[In the event of a case arising which appears not to be covered by the foregoing rules reference must be made to the Secretary of State.]

935 The rule in Article 934 applies to an officer under covenant who is entitled by his covenant to pension, the covenanted rate of exchange for his pay and allowances does not, unless it is expressly so stated, to his pension.

### Transfers between England and India

936 Transfer of a pension from an Indian treasury to the Home treasury and vice versa is permitted within reasonable limits whenever desired

NOTE.—[Frequent transfers of a pension to and from are not permissible and the Accountant General concerned should report to the Government of India for special orders any case in which it appears to him that undue advantage is being taken of the rule.]

937 Application for transfer of payment from India to the Home treasury should be made to the Accountant General within whose jurisdiction the treasury of payment is who will grant a last pay certificate, forwarding a duplicate, with copy of the first page of the application upon which the pension was originally granted to the India Office

### Section II —Payment in India

938 (a) The order granting a pension to be paid in India should be forwarded with a copy of the first page of the application in Form 25 or 26, or of the whole application if in Form 22, to the Audit Officer who submitted the application. He should compare the order with his report and then forward a copy thereof to the Accountant General of the Province in which payment is to be made

(b) In the case of persons for whom the forms referred to in clause (a) are not used, the information required for the Pension Payment Order should be communicated in a separate letter to the Accountant General of the Province where payment is to be made

(c) In the case of pensions to police officers on pay not exceeding Rs 20 sanctioned under entry No 40 of Appendix I, Part II, the order should be forwarded to the audit officer who would have reported on the claim had his certificate not been dispensed with. He will exercise the necessary check with reference to Article 922 and endorse it as in clause (a) above

939 The Accountant General of the Province in which payment is to be made will then communicate to the officer who is to pay the pension, authority to make the payment, in the case of a pension, such authority will be a Pension Payment Order in Form 27 or 28

NOTE.—[Form 27 may not be used for pensions chargeable to Local Funds other than those which in 1 April 1918 were stated as incorporated (see Article 805) or Native States. The following extract from a letter from the Government of India indicates the form of Pension Payment Order to be used and procedure to be followed when a treasury is authorized to pay a pension on behalf of a Native State

State

When such payments on account of pensions are arranged for the form of payment order should not be the same as that used for pensions payable from Indian revenues. The order should be of the same kind as the Ordinary Pension Payment Order, but should be clearly distinguished in form.]

PART X

### Procedure in paying.

940 A gratuity is paid in a single sum, and not by instalments, on receipt of the Accountant General's authority

941 A gratuity may, at the discretion of the Government of India, or with the sanction of the Government of India, on the application of the recipient, be converted either into a life annuity or into a temporary life annuity, or into an annuity payable for a fixed number of years with remainder to the annuitant's heirs in case of his death. The amount of the life annuity or temporary life annuity will be determined by Table A printed in Appendix 10

942 The Government of India will never insist on the conversion of a gratuity into an annuity unless the expectation of life of the officer be reported by competent medical authority to be equal to the average

943 A pension is payable in India monthly on and after the first day of the following month under the following rules —

1 On receipt of the Pension Payment Order the Disbursing Officer will deliver one half to the pensioner and keep the other half carefully in such manner that the pensioner shall not have access thereto

~~and the entry is to be entered on the reverse both of the pensioner's half and the Pension Payment Order, both entries being attested as~~

or an account of past services or of any money due or to become due on account of any such pension or to seize or attachment or sequestration by process of any Court in British India at the instance of a creditor for any demand against the pensioner or in satisfaction of a decree or order of any such Court.

### Identification of Pensioner.

944 As a rule a pensioner must take payment in person after identification by comparison with the Pension Payment Order

NOTE—[Officers of the classes mentioned in Articles 297 (c) (d) and (e) 654 and 678 whether appointed by the Secretary of State or not are when pensioned paid on payment orders in Form 23 which do not contain a full description of the payee. In case of doubt as to whether a pensioner is not known to the paying officer he may be required to produce a life certificate or other evidence of identity]

945 A pensioner specially exempted by the Local Government from personal appearance, a female pensioner not accustomed to appear in public, or a male pensioner who is unable to appear in consequence of bodily illness or infirmity, may receive his or her pension upon the production of a life certificate signed by a responsible officer of Government or by some other well known and trustworthy person

NOTE—[The power to grant exemption under this Article from personal appearance to draw pension may be delegated by a Local Government to any officer of not lower rank than Collector of a District]

946 A pensioner of any description who produces a life certificate signed by some person exercising the powers of a Magistrate under the Criminal Procedure Code or by any Registrar or Sub Registrar under the Registration Act, or by any pensioned officer who, before retirement exercised the powers of a Magistrate, or by a Chaplain, or any gazetted officer of Government or any person holding a Government title, is also exempted from personal appearance

947 (a) In all cases referred to in Articles 945 and 946, the Disbursing Officer must take precautions to prevent impositions, and must at least once a year require proof independent of that furnished by the life certificate of the continued existence of the pensioner

(b) For this purpose he should (save in cases of exemption from personal appearance granted by the Local Government) require the personal attendance and due identification of all male pensioners who are not incapacitated by bodily illness or infirmity from so attending, and in all cases where such inability may be alleged he should require proof thereof in addition to the proof submitted of the pensioner's existence

1 The Disbursing Officer is personally responsible for any payment wrongly made. In case of doubt he should consult the Accountant General

2 A pensioner of rank may be privately identified by the Disbursing Officer and need not be required to appear at a public office

948 Payment of pensions to Police pensioners are made in accordance with the rules in this Section but if the Disbursing Officer entertains any doubt as to the identity of such a pensioner he may require the local Inspector of Police to identify him. The Inspector would then be responsible for the correct identification of the pensioner

### Payment to Agents

949 (a) A pensioner not resident in India may draw his pension at any treasury in India through a duly authorised agent, who must either produce a certificate by a Magistrate, a Notary, a Banker, or a Minister of religion, on each occasion, that the pensioner was alive on the date to which his pension is claimed, or execute a bond to refund over payments, and produce such a certificate as aforesaid at least once a year

(b) The pension of such an officer should not be paid on account of more than a year after the date of the life certificate last received, and the Accountant General should be on the watch for authentic information of the decease of any such pensioner, and on receipt thereof, should promptly forbid further payments

### Transfers in India

950 A Local Government or an Accountant General may, on application and on sufficient cause being shown, permit transfer of payment from one treasury in India to another. This jurisdiction may be delegated by the Local Government to Commissioners of Divisions, or to any higher executive authority

951 (a) A copy of any order issued by a Local Government or other executive authority under the preceding Article, should be forwarded to the Accountant General, and the Collector of the District from which the

payment is to be transferred should be instructed to return his half of the Pension Payment Order

(b) The Accountant General will then either issue a new payment order, or enface the payment order for payment at the new treasury, and forward it to the Treasury Officer, who will, in future, pay the pension, or, if the treasury is in another Province, will move the Accountant General of that Province to do so

952 A Collector or other District Officer may authorise payment in any of the outlying treasuries subordinate to his district treasury of a pension payable, under proper authority, at his head quarters, and may transfer the payment of a pension from such subordinate treasury to the district treasury, or from one subordinate treasury to another in the same district

#### Certificate of Non Employment.

953 (a) A pensioner drawing pension in India is required to append to his bill a certificate as follows —

“ I declare that I have not received any remuneration for —

peculiar features the Accountant General is empowered to pass the arrears on his own authority

(c) After payment of the arrears of pension, the Pension Payment Order should be returned to the Accountant General with a report of the date of the death of the pensioner

960 Subject to the provisions of the preceding Article, the arrears of pension of a deceased pensioner may, if the amount does not exceed Rs 500, be paid to the heirs of the deceased after such enquiry into the rights and title of the claimants as the Collector or other officer responsible for the payment may deem sufficient. If however, there is any reasonable doubt in regard to the claim or title of the heirs, or if the amount due exceeds Rs 500, the payment should be made only to the person duly authorized to receive assets belonging to the estate of the deceased

961 If an officer dies before actually retiring or being discharged, his heirs have no claim to anything in respect to his pension

### Section III—Payment in England.

962 When a pension is granted to an officer who desires that payment thereof from the date of its commencement should be made at the Home treasury, the Audit Officer, who audits the pay of the officer, should, on receipt of sanction to the grant of pension, issue a last pay certificate, and forward a duplicate thereof, together with copy of the first page of application for pension and the order of the Local Government granting the pension to the India Office. The forwarding letter should always request that payment be made from some specific date, the date being ascertained from the last-pay certificate

963 If the pension is not wholly chargeable against the General Revenues, care must be taken to state in the certificate how it is to be charged

964 The annuities and pensions of all officers are issued at the Home treasury monthly in arrear on the 16th day of each calendar month

They are made up to the following quarterly dates *viz*, to the 15th March 15th June 15th September and 15th December and they are paid in monthly instalments, the first two instalments in each quarter being the net amount accrued, omitting shillings and pence, and the third instalment being the balance due for the quarter

965 Intimation of any revision of a pension paid at the Home treasury should be made to the Secretary of State, so as to reach him before the pensioner is informed

#### Section IV — Payment in a Colony

966 The rules in this Section apply to pensions granted under the rules in any Chapter of these Regulations The pension of a pensioner residing in any Colony named in Appendix 15 may be paid there

- (ii) in the case of a pension granted to an officer serving under the Government of Madras or Bombay or paid at any treasury in account with the Accountant General, Madras or Bombay, —by the Accountant General Madras or Bombay, as the case may be

968 When a pension is first granted to an officer serving otherwise than under the Government of Madras or Bombay, and the pensioner desires that it shall be paid in a Colony, or when transfer of payment of a pension heretofore paid at some Indian treasury not in account with the Accountant General Madras or Bombay, from India to a Colony is desired, the Accountant General shall furnish all particulars to the Comptroller, India Treasuries, who will issue the necessary Warrant

969 The Government of the Colony shall be paid at some treasury in account with the Accountant General Madras or Bombay, from

India to a Colony is desired, the Accountant General, Madras or Bombay, as the case may be, will issue the necessary Warrant

970 Every Warrant shall be issued in triplicate. The original bearing the payee's signature should be forwarded to the Colonial authority concerned, the duplicate to the Secretary of State, and the triplicate should be made over to the payee. Each payment should be endorsed on the back of both the original and the triplicate Warrant, an acknowledgment of receipt of money being rendered by the payee. When no space for such entries remains, or when a Warrant is lost or destroyed, a fresh Warrant shall be issued by the officer who issued the original Warrant on application being made through the Colonial Disbursing Officer.

## PART XI.—REGULATIONS RELATING TO TRAVELLING ALLOWANCES.

### Chapter LI.—Definitions and General Rules.

#### Section I—Principles of Calculation.

995 Travelling allowance is given to an officer to cover the actual travelling expenses incurred by him in travelling in the interests of the public service. It is a fundamental principle that the allowance is not to be a source of profit, and, save as specially provided in these Regulations, no allowances are granted to meet the expenses of the families of officers accompanying them when travelling on duty.

#### Route for calculation of Travelling Allowance

996 (a) For the purpose of calculating travelling allowance, a journey between two stations is held to be performed by the shortest of two or more practicable routes or by the cheapest of such routes as may be equally short.

NOTE—[Where there are alternative railway routes and the difference between them in point of time and cost is not great travelling allowance should be allowed for the route actually used.]

(b) The shortest route is that by which the traveller can most speedily reach his destination by the ordinary modes of travelling. In case of doubt the Head of the Department concerned will, in respect of journeys within his jurisdiction performed by officers under his control, declare which shall be regarded as the shortest of two or more routes.

(c) If an officer travels by a route which is not the shortest, but which is cheaper than the shortest, his travelling allowance is calculated by the route by which he makes the journey.

997 The Local Government, or the Head of the Department in the case of journeys within his jurisdiction performed by officers under his control, for special recorded reasons, may permit travelling allowance to be calculated by a route other than the shortest or cheapest, provided that the journey is actually performed by such route.

NOTE—[In the case of journeys between stations which are in the jurisdiction of different Local Governments heads of departments under whose orders transfers are made from one Province to another may exercise the powers of a Local Government under Articles 996 and 997.]

998 The point in any station from which a journey is held to commence, or at which it is held to end, is the chief public office or any other point fixed for the purpose by the Local Government.

NOTE—[See Note under Article 1003 (w) (i).]

## When means of locomotion are supplied

999 An officer who is provided with and avails himself of the means of locomotion at the expense of the State or of Local Funds either—

- (i) may draw half the travelling allowance ordinarily admissible to him for a journey of the same kind, or
- (ii) is subject to the deduction from his travelling allowance of such fixed hire or charge as the Local Government or the Head of an Imperial Department in respect of journeys within his jurisdiction performed by officers appointed by him and under his control, may by any general rules determine

NOTE—[The case of an officer who is supplied with a boat or carriage but who pays all expenses of its use or propulsion, does not fall within clause (i) of this Article in such cases a fixed hire under clause (ii) may be charged.]

1 This Article does not apply to—

(a) Officers of the fourth class

(b) (i) Gazetted Officers and Rangers of the Forest Department serving in the Sunderbans Division

(ii) Certain officers and their establishments in Aden and in Persia and the Persian Gulf as detailed in the Manuals of the Audit officers concerned

Are entitled to half the daily allowance ordinarily admissible

(c) When travelling by steamer supplied at the expense of the State—

(i) The Executive Engineer, Eastern Nara, and his establishments

Provided a certificate is furnished by the officer concerned that complete camp equipage was maintained throughout the period occupied by the journey

(iii) Officers and subordinates of the Irrigation Department in Sind These officers draw ordinary travelling allowances subject to the following conditions, namely, —

(1) that the officer concerned, or, if he be of lower rank than an Executive Engineer, the Executive Engineer, certifies that complete camp equipage was maintained throughout the journey, and

2) that mileage allowance cannot be drawn in lieu of daily allowance for journeys over twenty miles by steamer or partly by steamer and partly by road, unless the portion of the journey performed by road exceeds twenty miles, when mileage should be calculated on the road journey only

- (d) When travelling by boat supplied at the expense of the State—
- (i) The Commissioner of Customs, Salt, Opium and Abkari, Bombay
  - (ii) The Collector or Assistant Collectors of Salt Revenue in Bombay
- (e) The Commissioner in the Sunderbans and his establishment when on tour in the Sunderbans
- (f) Officers who are entitled to or are allowed free transit by railway whether under a free pass (see Appendix 30) or otherwise
- (g) Officers who are provided with elephants required for the conduct of professional operations and not for their private use
- (h) Officers using motor cars or motor cycles supplied by Government or a Local Fund. These officers draw half the daily allowance ordinarily admissible and are not entitled to exchange the daily rate for mileage under Article 1065

In the case of officers who draw fixed travelling allowance, a deduction of Rs 3 shall be made for every day on which they travel in motor cars provided from General Revenues or Local Funds

If a journey by motor car or motor cycle provided by Government or a Local Fund is combined with a road journey by ordinary conveyance the officer so travelling may at his option draw either (1) the full daily allowance admissible under Article 1063, or (2) if the journey by ordinary conveyance exceeds 20 miles, the mileage allowance admissible under Articles 1034-1037. No extra allowance will in either case be drawn on account of the journey by motor car

- (i) Officers of the Salt Department in Bengal when travelling by steamers or boats provided by Government. These officers draw daily allowance at ordinary rates, not subject to increase under Article 1140 but no mileage
- (j) Chauffeurs of motor cars supplied by Government or a Local Fund, when performing road journeys on motor cars in their charge and involving an absence of not less than one night from head quarters. In such cases, they will draw half the daily allowance ordinarily admissible to officers of their class (Articles 1002 and 1063), subject to a minimum of 6 annas in the Bombay Presidency and 4 annas elsewhere. The daily allow-

### Camp Equipment and Horses

Duties

1161 (a) It is the duty of the Controlling officer to scrutinise the necessity, frequency and duration of journeys or halts for which travelling allowance (whether permanent or other) is claimed. The Controlling officer may disallow the whole or a portion of the travelling allowance claimable for any journey or halt, if he considers that the journey was unnecessary, or that it was not completed with due expedition, or that the halt was of excessive duration. He should also carefully scrutinise the distances entered in travelling allowance bills (especially in the case of journeys on tour) though they are also liable to examination by the Audit Officer, and should check any tendency to abuse the option of exchanging a daily rate for mileage under Article 1065.

(b) The Local Government may lay down any subsidiary rules that it thinks fit, for the guidance of a Controlling officer of any department.

1162 A Controlling officer (other than the Head of a Local Government or Administration including the Commissioner in Sind) may not delegate the duty of countersignature to a subordinate.

1163 Countersignature does not dispense with the necessity for formal audit with reference to rates, distances, and general conditions. An Audit Officer will accept countersignature by the proper authority as final evidence that the fact of the journey on which the claim is founded are correct, and that the claim is admissible with reference to Article 1161 (a) and to any

departmental rules It is the duty of the Controlling and not of the Audit Officer to enforce departmental rules
